PRINCIPAL'S NEWS

MRS GILLIAN DAVIS

Dear Parents, grandparents, carers and community members

Farewell to Year 12 – Wishing You All the Best for the Future!

As the school term draws to a close, we take a moment to celebrate and farewell our Year 12 students. This milestone marks the end of a significant chapter in their lives and the beginning of exciting new journeys ahead.

Throughout the year, our Year 12 cohort has demonstrated resilience, dedication, and a strong sense of community. We are incredibly proud of their achievements—both academic and personal—and the positive impact they have made within our school.

To our graduating students: thank you for your hard work, your spirit, and the memories you have shared with us. We encourage you to embrace the opportunities that lie ahead with confidence and enthusiasm. Remember, this is just the beginning of your story, and we are excited to see where your talents and passions will take you.

We wish you all success, happiness, and fulfilment in your future endeavours. You will always be part of our school community, and we hope you stay connected as you move forward.

End of Term Reflections and Looking Ahead

As we reach the end of another productive term, we take this opportunity to reflect on the many achievements and memorable moments shared across our school community. From engaging classroom activities to exciting extracurricular events, our students and staff have shown tremendous enthusiasm, creativity, and dedication.

We are proud of the progress made by all students and grateful for the ongoing support from parents and carers. Together, we continue to foster a welcoming and inspiring environment where every learner can thrive.

As the holidays approach, we encourage everyone to take time to rest, recharge, and enjoy quality moments with family and friends. We look forward to welcoming our students back refreshed and ready for the new challenges and opportunities that the next term will bring.

Thank you for your continuous commitment to our school community.

Have a safe and happy holiday!

SECONDARY NEWS

MISS REBECCA GRANT

As Term 3 comes to an end, we reflect on a busy and productive period for our secondary students. From assessment tasks, to wonderful extra-curricular events, to preparing our senior students for graduation, it has been a term full of growth. Thank you to all students, staff, and families for your continued support.

Year 12 Graduation

Our Year 12 students are now in their final week of school before preparing to sit their HSC examinations next term. We are very proud of Jen and Ethan's efforts and resilience. With Graduation just around the corner, we look forward to celebrating the completion of their school education with families, staff, and community. A reminder that Graduation will be held this Wednesday 24th September 2025 at 10am.

Year 11 – End of Course Exams

Year 11 students will complete their end of course exams this week marking the conclusion of their Year 11 studies. Next term, students commence their HSC studies – which will signal the start of an exciting and challenging time.

Years 7–10 – Homework and Study Habits

We would like to remind students in Years 7–10 of the importance of completing homework and assessment tasks on time. Building strong study habits early is essential for success in the senior years. Parents can support their children by encouraging the use of homework diaries and checking Compass for upcoming due dates. It is also important that students remember to strive for excellence, rather than rushing to complete tasks.

Excursions & Rewards

This term has included some fantastic opportunities for our students, with more to come in Week 10 – including the Big Banana excursion and our K-12 Rewards Day. These events are a great way to celebrate positive behaviour and hard work throughout the term. A reminder that student participation in these events relies on following staff directions, demonstrating safe behaviour, and upholding our school values at all times.

Looking Ahead

Term 4 promises to be just as full, with HSC exams, end-of-year activities, and preparation for 2026 subjects and planning. We encourage all families to stay connected through Compass and the school newsletter for upcoming updates.

Thank you once again for your ongoing support. We wish all families a safe and happy holiday break.

Anxiety Toolkit

*What can I do when
I feel this emotion?*

- Practice mindfulness with activities such as coloring, puzzles or yoga
- Engage in some physical activity to release some energy
- Try to stay calm and take some slow, deep breaths
- Listen to my favorite music or do my favorite activity
- Talk about my feelings and get support from a trusted adult
- Positive self-talk (e.g. 'I am a kind and caring friend')

Spend time in nature or with
a pet to reduce my stress
