

Ermo's News

Term 1 - Week 11

What a fantastic term it has been at Ermington Public School!

In the second half of the term, we had the pleasure of watching our talented swimmers represent Ermington at the Ryde Zone Swimming Carnival. After a successful day in the pool, Angela and Ocean progressed to the regional finals in individual events. Our relay teams, (Chloe, Angela, Shiloh, Liahn Janiece, Michaela, Heeji and Olivia) also proudly represented our zone, giving it their all. Angela went on to win her final and will compete at the NSW PSSA State Swimming Championships this Thursday. We are incredibly proud of all our swimmers – congratulations and best of luck to Angela! Harmony Day was another highlight of the term. It is always a joy to celebrate the rich cultural diversity within our school community. The smiles on students' faces as they proudly wore their traditional attire were a beautiful reminder of how lucky we are to be part of such an inclusive and multicultural school.

Our Wear It Wild Day was a huge success! As always, the Ermington community came together with enthusiasm and generosity, exceeding our fundraising target of \$500 for a very worthy cause. The day, initiated by our 2025 SRC, was enjoyed by all, and I look forward to seeing more of their wonderful ideas throughout the year.

Thank you to all the parents who attended the Reporting Update Workshop. Your input was invaluable and deeply appreciated. Your contributions are helping to shape a more collaborative and effective reporting process at Ermington.

It is with mixed emotions that we farewell Mrs Penny Harrison, our beloved Teacher Librarian, who has secured a new role at Parramatta Public School through the Merit Selection process. Mrs Harrison's dedication and contributions to our library, STEM programs, Robotics, Book Parades, and lunchtime projects have had a lasting impact on our students. We thank her for her unwavering commitment and wish her all the very best in her new role – she will be dearly missed.

We also send our warmest wishes to Mrs Pourali and Mrs Bruce as they begin their maternity leave in Term 2. We look forward to sharing their exciting baby news soon! Congratulations to Mrs Chow, who recently welcomed baby Isobel – both mum and baby are doing well.

As we wrap up the term, I wish all our students, staff, and families a safe and relaxing holiday break. We will miss our students and look forward to welcoming them back on Wednesday 30 April for another exciting term ahead.

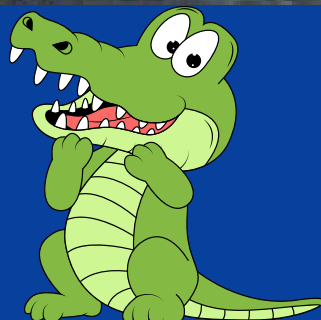

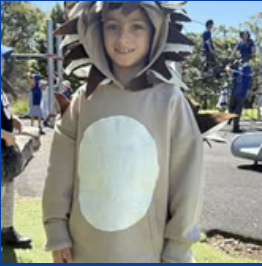

Kind Regards
Mrs MacKenzie

happy holidays

Wear it Wild!

Students had a wonderful time at school on Wear it Wild Day! There were so many amazing costumes like sharks, lions and even a gorilla! Ermo has reached our goal over \$500 at \$536 to give to WWF. We had an amazing time and hope to do this again soon. We found it very creative and interesting with all the different costumes - Liesel and Moses (SRC from 5S)

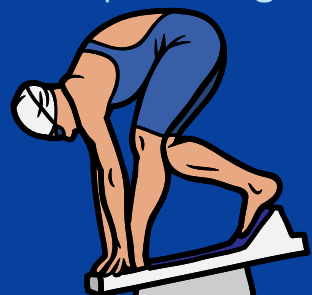

Northern Suburbs Swimming Championships

Student Spotlight - Angela D - State Swimmer

We are thrilled to celebrate Angela, who recently showcased outstanding talent and determination at the Regional Swimming Championships! Competing against some of the best swimmers throughout Sydney North, she demonstrated exceptional skill, finishing 1st Place in the 9yrs Girls 50m Freestyle in both her heat and in the final!

Angela has now qualified for the State Swimming Championships taking place this Thursday. She will compete in the 9yrs 50m freestyle and be apart of the Junior Girls Relay team based off her freestyle time. Angela's dedication and hard work have truly paid off, inspiring students, teachers and the community. We look forward to seeing her continued success this Thursday and hearing great news about her on the day. Everyone from Ermington Public School and the community wish her all the best for the big event! Congratulations, Angela! Keep making waves!

EPS Fundraising

The Fundraising Team have had a busy start to 2025, kicking off Term 1 with some fun events!

National Ride2School Day - 21 March

A whopping 79% of students participated by riding or scooting to school on the day. Such a fantastic response! We hope the day has helped raise road and bike safety awareness, encouraged our kids and given them confidence they can ride or scoot to school safely. A special thanks to the parents for helping their kids ride to and from school, to parent volunteers Asa Tan and Susan Lam who helped tidy up the parking areas, our school grounds keeper AJ for setting up the parking bollards, and to our teachers for their support and management on the day

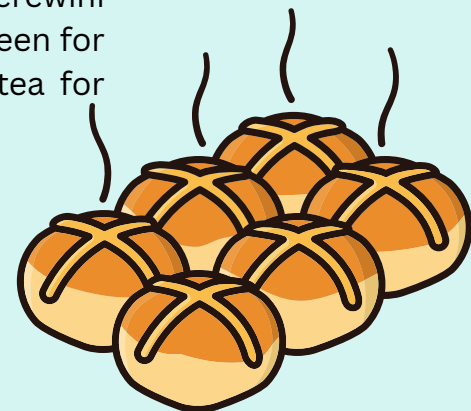

Ermo's Welcome BBQ - 28 March

We cooked 234 sausages, ran out of 11 loaves of bread, painted at least 55 faces, gobbled up 185 zooper doopers and saw over 211 members of our school community come together despite the wet weather for a wonderful afternoon welcoming new families and celebrating the wonderful community we have at Ermington Public School. Thanks to the generosity of our families we raised \$1,438.99 which will help to subsidise the Term 3 Groove National Dance Program for all students. Many thanks to the 23 volunteers who helped on the BBQ, sales, games and face painting, playground supervision, setting up,

packing up and for other helpful jobs behind the scenes to make this event happen. We could not have done it without you!

Hot Cross Bun Day - 8 April

On Easter Hat Parade day we are fundraising with a Hot Cross Bun day inviting all school families to preorder fresh Hot Cross Buns to take home, and for students from K-6 to enjoy at recess on the day. We pre-sold \$884.50 worth of Hot Cross Buns and Recess Combos. A big thank to Sally Herewini for her efforts with My School Connect side of this event and to Maureen for coordinating the Canteen. We hope to have a successful morning tea for parade visitors too.

TUNING IN TO KIDS-ONLINE

Connecting with your kids through emotionally intelligent parenting.

Emotional intelligence isn't rocket science. It's a set of skills that can be learnt.

People who are emotionally intelligent have better life outcomes. And kids who grow up with emotionally intelligent parents are happier and healthier. Tuning in to Kids teaches you how to help your children grow their emotional intelligence.

Build skills to support your child:

- Understand their emotions
- Communicate in a way that builds relationships
- Relate better with others when emotions run high
- Identify and accept their feelings and build self-care and problem-solving skills.

Free online program for families .

Where: Online, via Zoom

When: Weekly, 14th May – 18th June, 6-8pm

Cost: Free

REGISTER: Email Sally or

register

KINDERGARTEN

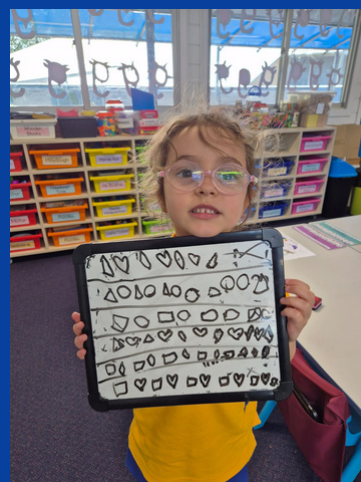

What a wonderful first term it's been in Kindergarten! Our youngest learners have settled beautifully into school life, building friendships and confidence every day. This term, we had a ball (literally!) participating in the Sydney Wanderers Soccer Clinic and starting our exciting Volleyball program, where students developed teamwork and gross motor skills.

Harmony Day was a special highlight—Kindergarten embraced the message that "Everyone Belongs," celebrating the diversity of our school community with songs, stories, and colourful activities. Our time with our Year 6 Buddies has also been a favourite, with shared play and learning helping to build a strong sense of connection across the school.

From counting, reading, writing, and exploring the world around us, everyday learning in Kindergarten has been full of curiosity and joy. We're so proud of everything our Kindies have achieved in Term 1 and can't wait for more adventures in Term 2!

STAGE 1

How Time Flies When You're Busy Learning!

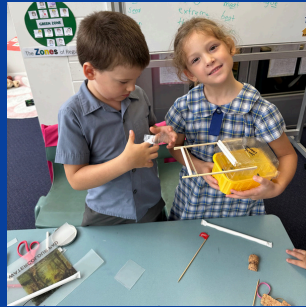

It's hard to believe it's already the end of Term 1! Our Year 1 and 2 students have been busy with so many exciting activities and learning experiences.

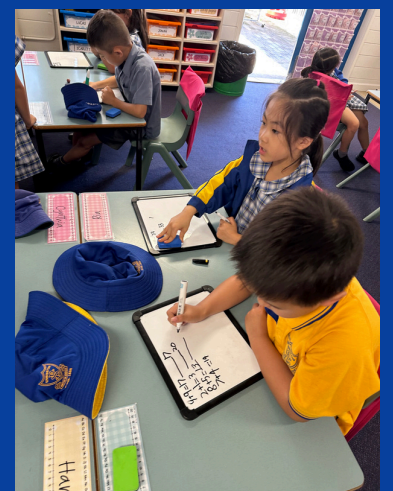

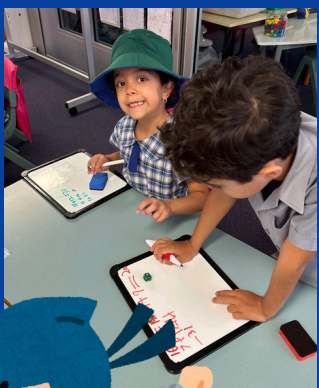

We had a fantastic time celebrating Harmony Day! The students showed their cultural pride by wearing traditional outfits or the color orange. It was a great learning opportunity to understand the significance of Harmony Day, and they even created some amazing craft projects to mark the occasion.

The students have been thoroughly engaged in applying their knowledge of materials to design and create their own mini boats. The challenge? To see if they could float for a whole 3 minutes! There have been some really impressive and creative boat designs.

Number Ninjas The Number Ninjas have been hard at work! The students have been using different additive strategies to solve problems and play fun math games in their groups. It's been an exciting journey with lots of math skills being developed!

STAGE 2

Wow! Term 1 has just flown by! Our Stage 2 students have been busy bees, harvesting fresh ingredients from our school garden during the Kitchen Garden program.

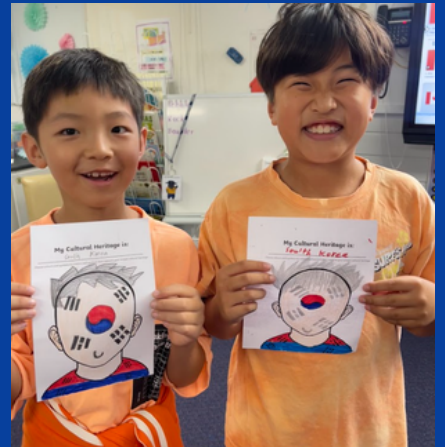

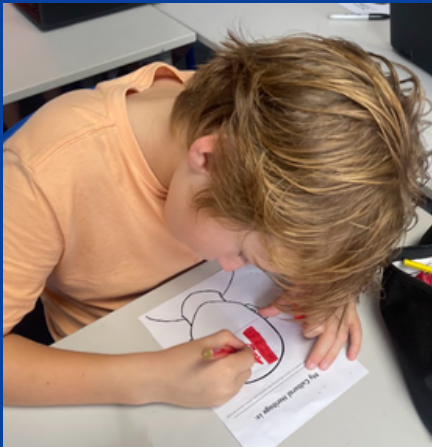

They have made fried rice, beetroot pancakes and spinach and cheese pies.

We hope most of your children have been helping out in the kitchen a little bit more!

A big thank you to Miss Karlie. Stage 2 have had a fantastic term learning how to harvest, maintain a garden and learning how to cook.

HARMONY day

Stage 2 engaged in many different harmony day activities, embracing students' culture and diversity. We are so lucky at EPS to be able to share and celebrate everyone's differences.

STAGE 3

Term 1 for Stage 3 has been a fantastic experience filled with exciting activities and accomplishments! It's great to see that the students have engaged in remarkable learning opportunities and memorable moments. Some highlights that have made this term so special have been...

We love dressing up on different occasions

In Visual Arts we learnt some of the fundamental elements of art and developed our understanding of how these elements are utilised in both art making and art appreciation.

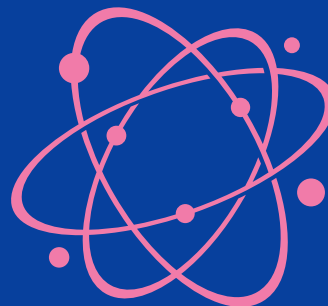

Can you work out which element was used for each artwork?

Science experiments are always fun!

Jo's Canteen News

@joscanteen

Hi Ermington PS Community,

My name is Jo, and I have the pleasure of running the Canteen at Ermington Public School from Term 2. We are so lucky to have Maureen, who has been looking after the Canteen recently, to come on board and work for us. Maureen is passionate about the community at Ermington and has been doing an amazing job. We have lots of new ideas and plans that change the way school canteens operate; we are very excited to get going and cook for everyone!

I have a very long history in the Hospitality industry, with the last 15 years cooking for children from Childcare, Primary School and through to High School. I feel kids deserve freshly prepared delicious food made with care and love, this is the core value of my business along with friendly and mindful service.

Our menu consists of delicious pasta dishes, noodles, sushi, pizzas, nachos, mild curries such as butter chicken, wraps and sandwiches, fresh fruit and a few treats along the way. Lots of your favourites will be staying! We review our menu regularly not only to keep it interesting but to ensure we are serving our communities needs and appreciate all feedback and ideas.

We will be changing the online ordering system to Qkr! which is very reliable and easy to use. More information will be given out in due course. You can look up @joscanteen on Instagram and look at what we are up to. Thank you for taking the time to read and I really look forward to starting at this lovely school.

Kind regards - Jo x

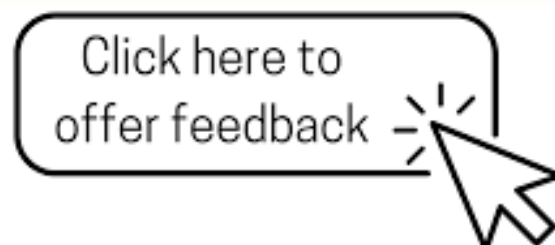

Ermington OOSH

We hope you're having an amazing Term 1! We are so excited for our upcoming Autumn Vacation Care program as we have some super fun days planned and can't wait to see all the children get involved and make memories. We would like to remind you all that Vacation care permission notes are due for all children attending excursions.

During the last few weeks, we have created a new wall display with the children. It was based off of the movie 'Up' and is made up of children's handprints mimicking the balloons that hold the house up in the movie. On these handprints are the children's individual answers to the question; 'What makes you happy?'. The children said they thoroughly enjoyed creating it and helping the Educators put it on the wall. We are also currently preparing for our Willy Wonka Day in Vacation care with the children by doing arts and crafts that can be displayed on the day!

The children are currently really enjoying playing group games of tag on the playground at 5pm, engaging in games of basketball, handball and soccer outside and creating and building using materials such as the construction zone or drawing area while inside.

If you have any feedback for the centre, please use the following click here feedback link:

CHESS!!

Learn to be a chess champion! Coaching for students at Ermington Public School is held on Tuesdays from 1:10pm to 2:00pm, starting on 11 February 2025.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

Each student in the Chess program will also receive access to Chess Squad <https://www.chesssquad.com/> which is an online teaching/playing platform.

If your child is interested in taking part in the class, please email office.sydneyacademy@gmail.com for an enrolment form. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
