Term 3 Week 9

15 September 2020

**DATES FOR YOUR DIARY**

Thurs 24 Sept	Y2 Hunter Valley Zoo excursion – CANCELLED due to COVID
Fri 25 Sept	Last day of Term 3 – Canteen CLOSED for cleaning.
Mon 12 Oct	Students and staff return for Term 4 learning

Dear Parents and Carers,

Last Friday we saw our Stage 3 students enjoy the beautiful green 'grass' in their eating area with work being completed and all the safety fencing taken down. Some of the students have said that they feel like it is the same as having a picnic area inside our school! They give it a BIG tick of approval!

We are also having some upgrades to our electrical circuits throughout the school and we are hoping that these works will be completed tomorrow with as little interruptions to our classes as possible. As you know, safety is always in the forefront of our minds so from time to time it is necessary to upgrade our utilities.

Congratulations to our canteen! Every two years our canteen menu undergoes a 'Menu Check' which is conducted by NSW Health. We have once again achieved the 'Great Choice' level. Thanks must go to our amazing Mrs Lynch, volunteers and P&C for all their efforts in ensuring that there is a great range of healthy choices in our canteen.

Please note, our school canteen will be closed for cleaning on the last day of this term – Friday 25 September. This means that there will be no lunch orders or purchasing available on this day.

Recently, we had a visit from the Central Coast Police Youth Liaison Officer who spoke to our Stage 3 students about cyber safety and reminded our students about the importance of using technology responsibly. Our students were highly respectful and Senior Constable Hall made some very good points about always being safe. We wouldn't let a stranger who knocked on the door, into our homes and the same can be applied to our online accounts.

Throughout this week, our staff are holding planning days across the school. These days allow our staff to meet, plan, discuss and complete training to ensure that they are as up to date as possible in their teaching. Our students will participate in regular class lessons with a few extra activities on the day that their class teacher is working with the other staff in their team.

**REPEAT:** Our P&C have started online ordering through 'My School Connect App' for our uniform shop 'Zippies'. All the details for the ordering process were sent home with last week's Homenote. The P&C are hoping to use the same process to begin canteen orders from Term 4.

**REPEAT:** School Photos, the COVID way, will be taken on Tuesday 20 October and Thursday 22 October – Term 4 Week 2. Envelopes with payment details will be sent home next week, the last week of this term. The photographers prefer online payments but will accept correct cash.

## **STAGE TWO NEWS**

Did you know that each Australian state and territory has a faunal, or animal, emblem? 3S students have researched these animals and enjoyed creating artworks of each to decorate our classroom. Using Google classroom in our literacy and technology times we have composed fact cards on a number of different native plants and animals for students to read, including quiz questions on the back. These are nearly ready for printing.

## STAGE THREE NEWS

In 6R, students have been exploring Minecraft Education and participating in build challenges. They have created maps, animals and most recently their own unique houses. These challenges are designed to enhance creativity, problem-solving, self-direction and collaboration and are also great fun!
