

Principal's Message

A big THANK YOU to Mrs Carolyn Austin, for relieving in the Principal role whilst I was on leave. We are so lucky to have Mrs Austin as a staff member at EPS and even though she is currently on leave - it was wonderful that she could fill in for the first 2 weeks of term.

I am glad to be back on deck after taking leave for a family holiday. It has been wonderful to back in the classrooms and catching up with students and staff. The Infants class thought they would "blow my socks off" with how much they have learnt while I was away, and they were correct; my socks did go missing during our assembly on Monday as I was super impressed with their continued progress and hard work.

Eugowra Public School

Term 2 | Week 3 | Wednesday 14th May 2025

Our covered walkways are continuing to take shape, and we look forward to their completion. They will be a wonderful addition and assist students in getting to the classrooms, hall and toilets when raining without getting too soaked. Some photos of the development progress are included in this newsletter below.

Please continue to check our newsletters, the term calendar and our school Facebook page for updates. There has been a change of date to our Small School's Athletics Carnival - with it now taking place on Monday 26th May.

Have a great week. Carmel Doyle

Small Schools Athletics Carnival

We are looking forward to our small school's Athletics carnival on Monday 26th May. Students have been practising and trying out for the nominated events. Students who have been selected for the nominated events will be sent home details about it. All students K-6 are expected to attend the day. Students receive points for their participation which goes towards our school tally and also towards their individual points for age champions.

Points are not given for the nominated events - these are for selection to the Lachlan PSSA Carnival.

Parents and family members are most welcome to attend the day and to cheer on our students.

- * The program and permission note are attached to this newsletter.
- * We will be catching the bus to and from Forbes North Public School departing EPS at 8:00am (before school busses) and returning in time for afternoon busses.

We're coming to your community

We're bringing NSW Government services to: Eugowra Wednesday, 4 June 2025 9AM - 3PM

Visit our Mobile Service Centre to access services like: Call 13 77 88 or visit service.nsw.gov.au to check our latest timetable.

- Driver Knowledge Tests
- driver licence, mobility parking and photo card applications
- Working with Children Checks NDIS Worker Checks

NSW

· birth, death and marriage certificates · cost of living support and more

Severe weather may mean our timetable has to change at short notice, we strongly recommend you check on the day.

Dear Parents and Guardians,

Subject: Lions Children's Vision Screening Program

We are excited to inform you about an important health initiative happening at Eugowra Public School, it is the Lions Children's Vision Screening Program. This program, offered by Lions Clubs International, is a free, noninvasive vision screening designed to detect vision issues in children at an early stage. Good vision is a vital part of a child's physical and educational development. Studies have shown that undiagnosed vision problems can interfere with a child's ability to learn, socialise, and participate in daily activities. Often, these issues go unnoticed by parents and children themselves until they have a significant impact.

The screening is a simple, painless process that takes only a few minutes. Using specialised equipment, trained Lions Club volunteers and/or school staff will assess each child's vision for potential issues such as farsightedness, near-sightedness, astigmatism, or other abnormalities. Please note that this is a screening, not a diagnostic test. If any issues are detected, parents will be informed and referred to a qualified eye care professional for a comprehensive evaluation.

The screening will take place on at the Public School. It is open to all students. Participation in the program is completely voluntary, and we require your written consent for your child to be screened. Enclosed with this letter is a consent form, which must be signed and returned to The Eugowra Public School as soon as possible to allow time for planning the screening. Please read it carefully before completing it.

We strongly encourage you to take advantage of this opportunity. Early detection of vision problems can lead to timely intervention, ensuring that your child achieves their full potential both inside and outside the classroom. We have found that between 20 and 25% of children screened have an undiagnosed vision defect

The Forbes and District Lions Club is looking for residents in our area to be trained as screeners for this program. You do not need to be a Lions Club Member to be trained as a screener, you just need a kind heart and to be available for the screening dates on the attached form.

The Members of Forbes and District Lions Club look forward to working together to support the health and wellbeing of our children, giving them the best possible start in life.

Yours sincerely

Peter Bright Trainer/Facilitator

Assembly

Our Year 6 leaders presented their Shout Outs at our Assembly on Monday, and I would like to thank them for their leadership and positive attitudes when considering the recipients of these. Their reasons for giving their recipients their awards were very thoughtful and demonstrated gratitude. It was also lovely that they chose Miss Ash as a recipient - showing just how much she is a valued member of EPS.
