

Welcome to Eugowra Public School

Eugowra Public School

Term 3 | Week 10 | Wednesday 24th September 25

Principal's Message

How great is the Eugowra show! Well done to the committee as it was a wonderful event. It was lovely to walk around the pavilions and marvel at the amazing entries. Hats off to our dedicated staff on another impressive school display and the varied entries that our students were involved in.

Congratulations to our relay team who competed in Dubbo last Friday. The team qualified for the finals, however, have missed out on qualifying for state. They should all be very proud of their efforts! Well done, Bailee, Amity, Jacob and Aiden!

Please Note: the combined Eugowra schools Athletics carnival has been cancelled for tomorrow. School will be as normal.

Happy Spring School Holidays

Wellbeing Wonderings

How were you kind to someone today / this week?

What did you do and how do you feel thinking about it?

No feeling is permanent

Eugowra Public School

Term 3 | Week 10 | Wednesday 24th September 2025

This week, we have lots happening for our last week of term. Yesterday students travelled to Cargo for our combined small schools HPGE / NAIDOC day, and today we dressed in red in support for Ronald McDonald House and the great work they do for local families. It's a fabulous way to finish another exciting, busy term at EPS!

Term 4 for students begins on Tuesday 14th October.

We hope everyone has a nice break over the holidays and return refreshed and ready for Term 4!

Enjoy the school holidays.

Future Ready Cabonne – Community Consultations

Cabonne Council is hosting Community Consultation Meetings this October as part of our Future Ready Cabonne initiative.

These meetings are your opportunity to hear about Council's plans for the next 12 months across the Local Government Area, and to share your ideas, priorities, and vision for the future.

Your input will help guide decision-making and ensure we're planning today for a stronger tomorrow.

- Eugowra will be held on Thursday, 16 October at the Bowling Club - 3 Hill St, from 6pm.
- RSVPs are essential for catering purposes.
- Your voice matters, let's shape a Future Ready Cabonne together.

To RSVP visit Council's website and click the 'Have Your Say'.

SNAPSHOT

@ Forbes High School

Mathematics

Year 10 Mathematics students learned about trigonometry's real-world applications. They built clinometers to measure angles of elevation and calculated the heights of nearby buildings. This hands-on approach helped them understand practical uses of trigonometry and prepared them for more complex challenges ahead.

Industrial Technology - Metal

Stage 5 IT - Metal students are busy constructing their own BBQ plates, learning to cut and form metal using hand tools, bench shears, the metalcraft twisting tool, and jigs. They're also gaining hands-on experience with MIG (GMAW) welding, developing their practical skills in metalwork.

Biology

Year 11 Biology students recently conducted a fish dissection to examine the structure and function of fish gills. This practical activity focused on understanding how gills facilitate gas exchange, enabling fish to extract oxygen from water essential for their survival, in alignment with their Biology curriculum outcomes.

Health and Movement Science

Year 11 HMS students visited Rise Physiotherapy to explore topics such as technology, accessibility, and the essential qualities of physiotherapists. This activity supports their Focus Area One study on "Health in an Australian and Global Context" and will assist the students in their current depth study.

Transition

Each transition day will begin at 8:53am and finish at 3:24pm. We will start each day in the top quad near the flag poles.

Mrs Harris or Mr Bushell will meet students who catch the bus in the bus bay and walk them to the meeting spot.

Please make sure you wear your full sports uniform, on both of the Wednesday transition days and full school uniform, including LEATHER shoes, on the Friday. We have lots of fun activities planned in our specialty rooms so please be in the correct uniform.
