Principal's Message

What a wonderful week we have had so far celebrating Book Week! We have had some cuddly friends join us this week as students were invited to bring in a stuffed toy animal friend to read books to in the library as part of Recess Club. These stuffed friends have also been enjoying a sleep over in the library ... we wonder what they have been up to?

It was great to see students dress up today as part of our celebrations. Thank you to those parents and family members who were able to join us for the parade today.

You may have noticed a new addition recently at the front of our school. The amazing Mr David Hyde and members of the Men's Shed have made for us a produce stall. We hope to place excess fresh produce in there as it becomes available.

Ideas to add more vegetables

It can be tricky to think of new ways to add vegetables to the lunchbox. Here are some of our favourite tips:

- Pack raw vegetables with a dip or some cheese. Why not try tzatziki or tomato salsa?
- Cook extra vegetables the night before and store them in the fridge ready to be added to the lunchbox. Our favourites include homemade sweet potato wedges or corn cobs.
- Use chickpeas, beans or lentils in your child's lunchbox. Why not try some vegetarian koftas?

Resilient Homes Expo

The NSW Reconstruction Authority will host a Resilient Homes Expo next month to help homeowners connect with building services and learn how to complete their flood-resilient project.

To be held on Wednesday, 3 September at the Eugowra Showground, the expo will provide Resilient Homes Program homeowners and other community members with information about the Resilient Homes Program's grant process, development approval processes, and how successful resilient building and relocation projects can be delivered.

Homeowners and business representatives can visit information stands and speak with representatives from councils, the Reconstruction Authority, SafeWork NSW, Building Commission NSW, and various industry associations and businesses interested in resilient building services.

Transition

Each transition day will begin at 8:53am and finish at 3:24pm. We will start each day in the top quad near the flag poles.

Mrs Harris or Mr Bushell will meet students who catch the bus in the bus bay and walk them to the meeting spot.

Please make sure you wear your full sports uniform, on both of the Wednesday transition days and full school uniform, including LEATHER shoes, on the Friday. We have lots of fun activities planned in our specialty rooms so please be in the correct uniform.
