

Welcome to Eugowra Public School

Eugowra Public School

Term 3 | Week 6 | Wednesday 27th August 2025

Principal's Message

Well done to our 5 students (Aiden, Jacob, Amity, Bailee and Elsie) who represented our school and the small schools so well at the Lachlan PSSA athletics carnival in Parkes last Friday. Final results are still being sent out to schools, which will be passed on once we receive further details.

Next week, our Primary class will embark on their major excursion for 2025. We hope they enjoy the few days away and know that they will represent our school well. Further details will be sent home to primary students about this excursion.

With this newsletter, parents will receive information about behaviour management. Please read over this information and reach out to the school if you have any questions about it.

Have a great week,
Carmel Doyle.

Behaviour Management

Dear parents and carers,

staff have recently been refining the school's processes for behaviour management.

As part of this, we have developed an outline of minor and major negative behaviours, as well as consequences for these. The outline is attached for your reference as well as the Behaviour Code for Students.

Any negative behaviours, consequences and outcomes will be recorded via our School Bytes system.

We encourage families to discuss the minor and major behaviours as well as the Behaviour Code with your child / children.

We appreciate your support and assistance in providing a safe and supportive learning environment for all students and staff at Eugowra Public School.

Please see attachments with this newsletter.

**2025**

Transition

Each transition day will begin at 8:53am and finish at 3:24pm. We will start each day in the top quad near the flag poles.

Mrs Harris or Mr Bushell will meet students who catch the bus in the bus bay and walk them to the meeting spot.

Please make sure you wear your full sports uniform, on both of the Wednesday transition days and full school uniform, including LEATHER shoes, on the Friday. We have lots of fun activities planned in our specialty rooms so please be in the correct uniform.

Resilient Homes Expo

The NSW Reconstruction Authority will host a Resilient Homes Expo next month to help homeowners connect with building services and learn how to complete their flood-resilient project.

To be held on Wednesday, 3 September at the Eugowra Showground, the expo will provide Resilient Homes Program homeowners and other community members with information about the Resilient Homes Program's grant process, development approval processes, and how successful resilient building and relocation projects can be delivered.

Homeowners and business representatives can visit information stands and speak with representatives from councils, the Reconstruction Authority, SafeWork NSW, Building Commission NSW, and various industry associations and businesses interested in resilient building services.
