

Welcome to Eugowra Public School

Eugowra Public School

Term 3 | Week 8 | Wednesday 10th September 2025

Principal's Message

It is great to have our Primary students back after their eventful 3-day excursion in the Blue Mountains and surrounds. A big thank you to Mrs Kylie Parker and Mrs Ashlee Newell for attending the excursion with our students and taking time away from their own families.

The end of term 3 is quickly approaching, and we have lots of events and activities that are filling our calendar for the remaining few weeks. Please check the calendar for any updates.

We are preparing for the upcoming Eugowra Show and look forward to all the exciting things that are planned as part of this year's event. Today, the Primary class travelled to Forbes for the Boys to the Bush community day. It is always a fun-filled day and we are thankful to the BTTB for their support to our school and the community.

Term 3 | Week 8 | Wednesday 10th September 2025

Next week, the Infants class will be travelling to Orange for a day excursion; and our school relay team will be heading to Dubbo to compete in the Western PSSA athletics carnival.

Have a great week!
Carmel Doyle.

Attendance: Every Day Matters

Attending school every day allows your child to get the most out of their learning. Regular school attendance also helps create positive relationships with their peers. If you require support in getting your child to school for any reason, please reach out to us.

NSW Department of Education

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Make friends

Build skills through fun

education.nsw.gov.au

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...	they miss weeks per year	and years over their school life
1 day per fortnight	4 weeks	Over 1 year missed
1 day per week	8 weeks	Over 2.5 years missed

School Lunches

As the weather is starting to warm up, we encourage families to pack icepacks in students lunch boxes if required, alternatively, students can place their lunch box in the school fridge if needed. For health and safety reasons, the school cannot heat up food that students bring for lunch so please be mindful of this when packing students lunch boxes.

SNAPSHOT

@ Forbes High School

Mathematics
Year 10 Mathematics students learned about trigonometry's real-world applications. They built clinometers to measure angles of elevation and calculated the heights of nearby buildings. This hands-on approach helped them understand practical uses of trigonometry and prepared them for more complex challenges ahead.

Industrial Technology - Metal
Stage 5 IT - Metal students are busy constructing their own BSC plates, learning to cut and form metal using hand tools, bench shears, the metalcraft twisting tool, and jigs. They're also gaining hands-on experience with MIG (GMAW) welding, developing their practical skills in metalwork.

Biology
Year 11 Biology students recently conducted a fish dissection to examine the structure and function of fish gills. This practical activity focused on understanding how gills facilitate gas exchange, enabling fish to extract oxygen from water essential for their survival, in alignment with their Biology curriculum outcomes.

Health and Movement Science
Year 11 HMS students visited Rise Physiotherapy to explore topics such as technology, accessibility, and the essential qualities of physiotherapists. This activity supports their Focus Area One study on "Health in an Australian and Global Context" and will assist the students in their current depth study.

Each transition day will begin at 8:53am and finish at 3:34pm. We will start each day in the top quad near the flag poles.

Mrs Harris or Mr Bushell will meet students who catch the bus in the bus bay and walk them to the meeting spot.

Please make sure you wear your full sports uniform, on both of the Wednesday transition days and full school uniform, including LEATHER shoes, on the Friday. We have lots of fun activities planned in our specialty rooms so please be in the correct uniform.
