

Welcome to Eugowra Public School

Eugowra Public School

Term 4 | Week 7 | Wednesday 26th November 2025

Principal's Message

Next week (and week 9), students will take part in Intensive swimming lessons each day from 2-3pm at the Eugowra pool. Students will be assessed on the first day and put into groups. We appreciate parents encouraging all children to attend each day to gain the most out of these sessions.

Students will need to pack swimmers, towel, goggles (if required), sunscreen, and a bag for wet items. Students will be changing into their swimmers at school, then walking to the pool. Students will change out of their swim wear before catching buses or being picked up in the afternoon.

As the weather is heating up, staff are continually reminding students to wear their school hats at break times and to bring a water bottle to school that can be refilled throughout the day. We are fortunate to have a refrigerated bubbler for students to use and refill drink bottles. Students are also able to utilise fridges at school for lunch boxes if needed.

Have a great week,
Carmel Doyle

INTENSIVE SWIMMING WEEK 8 AND 9

Don't
Forget!!

Buses – Afternoon Busses from the Pool Week 8 and 9

Sport – Fridays

Library - Thursdays

Wellbeing
Wonderings

What is an activity you
really enjoy?

How do you feel when you
do this?

No feeling is permanent

Eugowra Public School

Term 4 | Week 7 | Wednesday 26th November 2025

• Week 6 Cooking

Students made rice paper rolls, with many of the children stepping out of their comfort zone to try something new. They did a wonderful job and were very proud of their efforts.

Students supporting Boys to the Bush with the All on Board fundraiser.
Thank you to Boys to the Bush for all the wonderful things you do!

SNAPSHOT @ Forbes High School

Science

Year 7 students conducted a hands-on experiment to learn about air pressure and temperature change. By heating water in a can and then placing it in cold water, they observed the can crushing due to changing air pressure. This activity enhances their understanding of scientific concepts and promotes inquiry-based learning.

Hospitality

Our talented hospitality students recently showcased their skills by catering a seminar held on our school grounds. Serving 65 guests, they delivered delicious food and exceptional service, making the event a great success. We're so proud of their hard work, professionalism, and dedication to excellence.

Technology Mandatory - Mixed Metals

Year 8 students practice and refine basic skills by creating mini projects, such as the Stationary Holder. This helps them to complete the more complicated Passive Speaker Dock project. This involves traditional timber and metalworking skills, as well as laser cutting technology.

Remembrance Day

On Remembrance Day, to commemorate all those who have died or suffered in wars, conflicts and peace operations we paid our respects during a service at school, while our School Captains and Vice-Captains represented our school at the community Remembrance Day Service held at the Forbes Cenotaph.

NSW Department of Education

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Make friends

Build skills through fun

education.nsw.gov.au

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just... they miss weeks per year and years over their school life

1 day per fortnight = 4 weeks = Over 1 year missed

1 day per week = 8 weeks = Over 2.5 years missed

education.nsw.gov.au

swop it
everyday in the lunchbox

Cool lunchboxes

An insulated lunchbox with an ice brick can keep the lunchbox 12°C cooler and the lunchbox foods safe.

Try adding a frozen:

- Water bottle
- Plain milk popper*
- Yoghurt*

Frozen water bottle

Frozen yoghurt tub*

Frozen ice brick

Frozen plain milk popper*

Yoghurt Pouch*

*The Australian Dietary Guidelines recommend low or reduced fat milk, yoghurt and cheese choices for most people two years and over.

Principal's Award
K-2 Stewart Noble
3-6 Elias Acret

Sport Award
K-2 Alayla Osborne
3-6 River Thurtell

G.E.M Award
K-2 Isabelle Philippi
3-6 Jacob Turner

Student Of The Week
K-2 Edward Noble
3-6 Mia Thurtell

100% Attendance – Week 5 & 6:
 Chicago, Molly, Edward, Alayla, Sidney, Isabelle, Jye, Flynn, Stewart, Anthony, Amber, Alex, Elias, Elsie, Clara, Bailee, Braidyn, Aiden, Amity, Jacob.

Kindergarten 2026 Orientation

Last Thursday was our last Kindergarten 2026 Orientation session, and it was a fun filled day. Children joined in the reading of the story "A concrete garden", then created our own concrete garden. We visited Mrs Hassa in the library and enjoyed rotations in the classroom! We are looking forward to welcoming our new kindies next year!
