

Evans River K-12 School Uniform Policy

The Evans River K-12 School Council has determined that Evans River K-12 School will be a uniform-wearing school. The council has requested that the school enforce the wearing of the school uniform without variation. This means that the students are expected to dress in the uniform as described below. Parents who are uncertain as to whether or not an item of clothing meets this policy's requirements should consult with a Deputy Principal or the Principal prior to purchasing the item. Daily Checks of student dress are conducted. Students out of uniform are afforded a warning, further breaches of the dress requirements are dealt in accordance with the school Student Wellbeing Policy.

Uniform is mandatory at Evans River K-12 School, for further information refer to the Wellbeing Policy.
