Message from Mrs Craig

Welcome back to a very exciting and challenging Term 4. I'm pleased to share some exciting updates and upcoming events happening at our school.

Our School Dental Clinic continues to provide free dental check-ups and treatments for our students, supporting the oral health and wellbeing of our school community.

We are looking forward to Kinder Orientation on Tuesday, 18th November, which will offer our newest students and their families an important opportunity to become familiar with the school environment, meet their teachers, and start building connections. We warmly welcome all our future students and look forward to seeing them on the day. It is not too late to complete an enrolment form so that your child can participate in this exciting welcome to Fairfield Heights Public School.

Our Year 2 students are participating in the Swimming Scheme, developing their water safety skills and confidence in the pool. This program is an important part of our commitment to student wellbeing and physical development. Thank you to Ms Gurnett and Ms Simic for their organisation and commitment to ensuring its success.

In support of Year 6 student engagement, we have welcomed the group Kids on Congas, whose vibrant percussion sessions are fostering creativity, teamwork, and enthusiasm in our senior students. It's wonderful to see our Year 6 students actively involved and enjoying this program.

Meanwhile, all our children are busily preparing for Presentation Day on Thursday, 11th December, an event where every student from Kindergarten to Year 5 will take part in a Grade performance. This is a highlight of the school year, showcasing our students' talents and the wonderful progress they have made.

Message from Mrs Craig

Thank you in advance for your support and help with the costumes for each item.

Additionally, our K-2 students are enjoying Motiv8sports, a program designed to inspire and motivate young learners, supporting both their academic and personal growth.

The school is filled with laughter and excitement on Thursday as K-2 students are learning new skills and facing new challenges.

Thank you for your continued support in making our school a vibrant and nurturing place for every child. I look forward to sharing more news in the coming weeks.

Warm Regards

Mrs Craig
