Message from Mrs Craig

I would like to begin by sincerely thanking all members of the P&C for their dedication and hard work in ensuring the Father's Day Raffle and the Cake Stall were such a great success. Your efforts have made a positive impact on our school community, and we greatly appreciate your ongoing support. I would also like to extend a warm welcome to all our new volunteer helpers who have joined us this term. Your involvement makes a real difference to our students and the overall school environment, and we are grateful for your commitment.

This term, the Disco for students in Years 3 to 6 will be incorporated into the Sports Fun Day, which is being organised and run by Motiv8Sports. Motiv8sports will be providing the music and dance activities, creating a fun and energetic atmosphere for the students to enjoy. The addition of this combined event promises to be a highlight of the term, promoting both physical activity and social engagement among our students.

Following the success and popularity of the K-2 Sports Fun Day, we have arranged for K-2 students to participate in weekly Motiv8sport sessions. These sessions offer targeted movement and coordination activities designed to develop children's motor skills in an enjoyable and supportive setting. Importantly, the school is fully subsidising the cost of Motiv8sports for every student, ensuring all children have equal access to these valuable programs. We believe these sessions will contribute significantly to our students' physical development and overall well-being.

As we move towards Term 4, our focus is on providing Year Six students with an engaging and rewarding experience. This includes the opportunity to participate in a drumming activity called KIDS on CONGAS. This program not only fosters teamwork and resilience but also culminates in a whole-school performance. We are excited about the positive impact this will have on our senior students, enriching their final term experience and leaving them with lasting memories.

Message from Mrs Craig

In line with our commitment to improving communication within the school community, we are currently developing a new website. This upgrade, alongside the continued use of School Bytes, will enhance the ways in which we share important information with parents and carers, making communication more accessible and effective. We look forward to launching the new site soon and welcome your feedback once it is live.

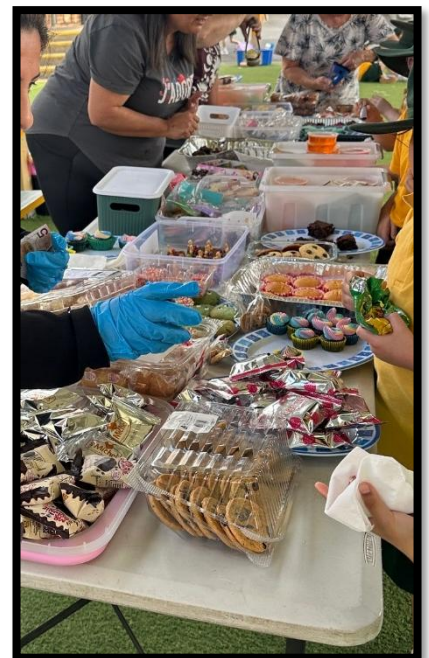

Thank you once again for your ongoing support and partnership. I look forward to the exciting events and achievements ahead as we work collaboratively to provide the best possible environment for our students.

Warm Regards

Mrs Craig
