Respect, Responsibility, Excellence

Monday 25 November 2025

Dear Parent/Carer,

Figtree High School values excellence for all students. The Enrichment Class is one way we have broadened our curriculum to better support high potential and gifted students to develop their knowledge, application, thinking skills and attitudes to a degree of complexity appropriate to the student's developmental level.

At the forefront of the Enrichment Classes, future-focused learning is a student-centric approach where fun, interest, wellbeing, and interactivity are valued. Teachers differentiate teaching and learning to meet the needs of high potential and high achievement students across the four natural ability domains (intellectual, physical, social emotional and creative).

Application

Application forms can be downloaded from our school website. Applications close **Monday 7 September 2026**.

Selection Criteria

Places in the 2027 Enrichment Class will be limited. The placement of students into this class will be determined by the information we collect on their **learning ability** and their submitted application. The student application must be submitted with their **most current school reports, NAPLAN Year 5 Report** and a supporting **handwritten response from the student**. Furthermore, we will communicate with Year 6 teachers to fully appreciate each applicant's suitability.

Figtree High School teachers will be administering a general ability online assessment in collaboration with our local primary schools that relates to student engagement and progress at school. We will administer the online assessments at our local primary schools to the class as a whole or in focus groups. Please note that any information gathered from this assessment will not be published outside of the school and will only be used for the educational outcomes of all students at Figtree High School.

Student's hand-written one-page response should address the following criteria:

- What skills and qualities do you bring to the Enrichment Class?
- Why would you like a place in the Enrichment Class?
- Examples of your strong work ethic and personal interests.

A school panel will meet after the closing date to consider the applications and allocate positions.

Parents will be advised of the outcome of their child's application by **16 October 2026,** whether their child is being offered a place, has been placed on the reserve list or has been unsuccessful.

Thank you for supporting Figtree High School's academic initiative.
Kind regards,

Ms Ellie Donovan
Deputy Principal

Mr Daniel Ovens
Principal

Year 7 2027 Enrichment Class – Application Form

Process:

- Please read this document carefully, complete all relevant details on the application form and keep a copy.
- All applications must be completed in the spaces provided below.
- Lodge the application form, attach a copy of your most recent school reports and NAPLAN 5 Report to Figtree High School by Monday **7 September 2026**.
- The general ability online assessment will be facilitated in partnership with our Community of Schools in **Mid Term 3 2026.**
- Students applying from our local area enrolment who are not enrolled in Figtree Community of Schools can apply – please contact Ellie Donovan by phone for further information.

Applicant details:

First name:		Surname:	
Street address:			
Suburb:		Postcode:	
Parent/carer contact:		Phone number:	
Email:
