

Gerogery Public School Newsletter

Term 2 Week 3 2025

Principal's Message:

It has been a very busy start to term two: School Development Days, Netball competitions, Talbingo Camp, Southern Riverina Cross Country, P&C BBQ fundraiser at the G-Rodge Mothers' Day Markets, Director's visit, State Basketball and tomorrow is the Walbundrie Small Schools Athletics Carnival.

This Saturday 17th May the school is holding a Trivia Night at the Gerogery Hall. If you would like to join us for this event, come along to the hall at 6:30 and we will definitely find a seat for you.

Julie Twitt
Principal

Other Awards:

**Merit Award- Carson
Marshall & Matilda**

**Reading Award- Mackie
Crane-Harris**

Gold Room - Ms Curnow

Welcome back to the start of Term 2! I hope everyone had a relaxing Easter break, enjoyed their holidays and had a lovely Mother's Day weekend. As we dive into this new term, we are excited to continue our learning journey together.

Literacy Learning:

In our new Unit- Argument and Authority, students will explore how authors present different points of view and evaluate the reliability and accuracy of various texts. They will also examine how these perspectives can illuminate an author's intent and engage in critical analysis of a text's authority.

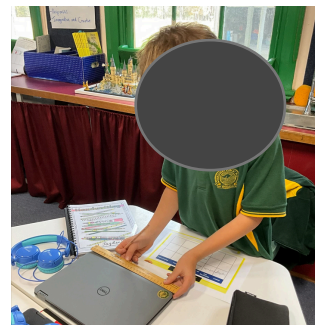

Mathematics Learning: In our Maths Unit, we will focus on measurement and explore concepts that the measurement needed will dictate the unit of measurement used. Students will have the opportunity to:

- Measure and compare lengths of objects and distances using kilometres, metres, centimetres, and millimetres.
- Identify and calculate the perimeter of various shapes, objects, and locations.
- Read and represent both analogue and digital time.

We look forward to an engaging and productive term ahead!

Good luck to our sporting stars at the Athletics Carnival this week!

-Ms Curnow.

Green Room - Ms Zuber

What a busy start to the term with so much sport. We are all ready and excited for Athletics on Friday.

This term we will continue our amazing learning here in the Green Room in every learning area. Kinders will be focusing on finishing up all of the alphabetic code and learning how to read and write with all of these sounds, whilst Year ½ students will be continuing to learn digraphs and trigraphs to help with their reading and writing.

I look forward to a great home ahead.

Ms Zuber.

Southern Riverina Cross Country

Congratulations to our primary students who attended the Southern Riverina Cross Country last Thursday.

It was wonderful to see six of our students represent our school at this carnival. Mollie, Charlie, Hilton, Jayden, Jaylah & Finn.

Talbingo Camp

What a fantastic time our students had at Talbingo Camp last week!

Many thanks to Aaron Radley for helping with transport, supervision and drum lessons.

Thanks also to Ms Cherry and her team for all the organisation.
