SCHOOL INFORMATION

Book Week 2025

What a wonderful celebration we had for Book Week this year! On Tuesday, students enjoyed an exciting excursion to Dubbo, exploring new adventures beyond the classroom. Then, on Friday, our dress-up day brought the theme "Book an Adventure" to life, with students coming dressed as characters from their favourite adventurous stories. Our Kindergarten transition students joined in the fun as well, adding to the excitement and joy of the day. The parade was a fantastic opportunity for students to proudly showcase their creative costumes and share their love of reading. It was great to see so many parents join us to support and celebrate with their children. Thank you to everyone who helped make Book Week such a fun and memorable experience.

DRC Watse Program

Thank you to Hamish Campbell from Dubbo Regional Council for coming to our school on Monday to deliver Dubbo Regional Council's FREE Waste and Sustainability Program 2025. He taught our students from Kindergarten to Year 6 about how to care for our environment, reduce waste and protect our planet, supporting our students in becoming responsible caretakers of the environment.

Major Excursion Information

The exciting Major Excursion to Sydney is just around the corner! To help you prepare, today we have sent home an important packing list and an updated itinerary for the trip. The packing list includes all the items your child will need to bring and any other essentials. It is very important that you check your contact details and medical information. If your phone number, address, emergency contacts, or any medical conditions or needs have changed since you signed the permission note, please contact the school as soon as possible. This ensures we can keep your child safe and respond quickly in case of an emergency. Students should meet Mrs. Darcy at the front of school at 6 am.
