SCHOOL INFORMATION

Principals Message

Welcome back to what promises to be another busy and exciting term at Geurie Public School! I hope everyone enjoyed a well-deserved and restful holiday, spending time with family and friends and recharging for the term ahead. Term 4 is always a special time - a chance to bring together a year of learning, growth and achievement and to celebrate the wonderful journey we've shared as a school community. We have plenty to look forward to over the coming weeks, including a trip to Burrendong Dam for a bit of fishing, a visit from Health Harold, an Infants League Tag Gala Day, swimming instruction (and fun) and of course, our end of year celebrations. Each of these opportunities helps our students build confidence, connection and memories that last well beyond the classroom. As always, families are invited to join us whenever you can. Your support and presence means so much to our students and staff and we look forward to sharing these moments with you throughout the term. Here's to a positive and exciting Term 4!

NSW Olympics Unleashed Visit

Thank you to Jemma Pollard and the NSW Olympics Unleashed Program team for visiting our school and delivering such an inspiring and informative talk to our Years 3 to 6 students. Hearing about Jemma's Olympic journey and the lessons she shared on resilience, goal setting, and following one's passion truly motivated our students. The insights provided will no doubt encourage them to strive for their personal best both in and out of the classroom. We appreciate the time and effort taken to engage with our students and make a positive impact on their growth and confidence.
