SCHOOL INFORMATION

Principal's message

As Term 2 slips away, I want to take a moment to reflect the term that was...Full and Fast. We sang, danced, created, coded, played, and most importantly - learned our way through the 10 weeks!! The school has been buzzing with energy, and it's been wonderful to see so many smiling faces engaged in a wide range of activities. A highlight of the term was our water sustainability program. The hands-on learning really captured the students' interest, and we're already looking forward to welcoming the team from Wambangalang back again soon. We also had a fantastic time sharing sport with our friends from Eumungerie - it's always a joy to build friendships and stay active together. As we head into a well-earned holiday, I hope everyone takes the time to rest, recharge and enjoy some free time. Term 3 is shaping up to be just as exciting, with our whole-school focus on **"Be Yourself"** - encouraging students to make positive behaviour choices, show kindness, and celebrate what makes each of us unique. Stay safe, have fun, and we'll see you in Term 3!

Coming up in Term 3

In Week 1 Term 3 selected students from Years 2 - 6 will be attending the Primary Schools Touch Gala Day and selected students from Year 3 to 6 will be attending the Senior Campus Musical. Permission notes with all the details are ready for parents/carers to complete in School Bytes Parent Portal.

Winter warmness, thanks to a generous donation

A big thank you to the Gallanggabang Aboriginal Corporation for their generous donation to Geurie Public School which provided each student a new school jumper just in time for the chilly weather we've been experiencing. Your support has helped us provide essential resources to keep our students warm and comfortable. We truly appreciate your commitment to our school community and the positive impact it has made. Together, we are creating a better environment for all our students to learn and grow!
