

# THE GIRRAWEEN GAZETTE

Term 3 Week 10

## Principals Report

### Term 4 Dates:

**Tuesday 14 October - Friday 19 December**

To keep up to date with our school community calendar, you can view our School Bytes Calendar.

[School Bytes Calendar](#)

As Term 3 ends, we are just one term away from moving into our new building! We are very excited to see the scaffolding come down and the rooms take shape. 2026 see's us start teaching and learning in the new space every day.

I would like to take this opportunity to congratulate our Year 6 campers for their resilience and enthusiasm during their recent camp. It was wonderful to see them embrace new challenges, from the giant swing to canoeing, demonstrating courage and a willingness to step outside their comfort zones. From pouring rain, mud puddles and cold feet the students worked as a team to get the best out of each day at camp. These experiences not only build confidence but also create lasting memories and friendships.

I also want to acknowledge all students who completed their Check In assessments this term. This important data plays a vital role in guiding our teaching and learning programs, ensuring we meet the needs of every student and support their ongoing growth.

In Week 7, we celebrated SASS Week, a special time to recognise and thank our incredible School Administrative and Support Staff. Our office team, learning support officers, and general assistants are integral to the smooth running and success of our school. Their dedication and hard work behind the scenes make a significant difference every day.

Thank you also to the many fathers, grandfathers and uncles who joined us for Father's Day photo Booths. It was a pleasure to share your company. We look forward to not only continuing this tradition but hopefully growing it with community and P&C support.

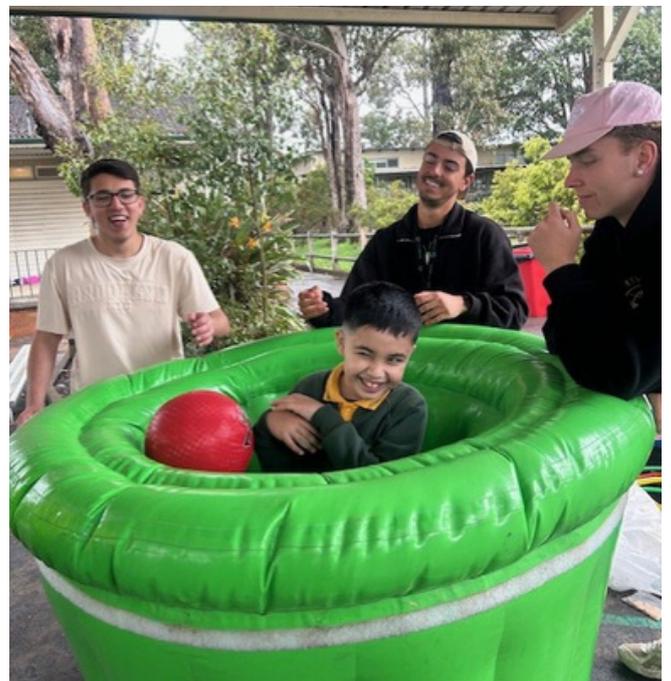

Finally, a huge congratulations to our athletes who continue to shine this term. We are proud of the outstanding results achieved by our zone champions and record holders. Your commitment and sportsmanship are an inspiration to us all.

In staffing news there are some changes to finish the year. Mrs Lewis will be replaced by Miss Jakomovski on KL. Mrs Jones will be on leave every Thursday and Friday and will be replaced by Miss Hanna who comes to us from Ringrose PS.

We also have some lovely news of babies joining our GPS family. Congratulations to Miss Kelly who had a beautiful little girl, Mrs Lewis who is due VERY soon, Mrs Alvarez who is expecting TWINS early next year, Mrs Pond (our speech therapist) and Mrs Baker who are expecting little ones at the end of the year. We are very lucky to be growing our staff family. We wish every teacher and their families all the best!

Thank you to everyone in our school community for your ongoing support and dedication. Have a safe and restful break, and we look forward to an exciting Term 4 ahead.

Warmest wishes,  
Mrs Warner

# Attendance Guidelines

## Late Arrival to School:

Students are expected to arrive at school and be ready to learn by 9:00 am. If your child arrives late for any reason, they must first obtain a late note from the office before joining their class.

## Leaving School Early:

To sign your child out early, please visit the office to receive an early slip. We recommend arranging pick-up times outside of break periods. For safety reasons, parents are not permitted to enter the school grounds during breaks and should collect their child at the designated time.

## Extended Absence:

We encourage families to travel during school holidays. However, if your child needs to travel during the term and will be absent for more than 10 school days, please complete an Application for Extended Leave Form through School Bytes Attendance prior to your travel dates. You will also need to upload a copy of your travel itinerary for the principal's review.

## Planned Absence:

For absences lasting from a full day up to 10 days, please submit your request via School Bytes using the attendance tab - planned absence.

## Absence SMS:

If your child is absent or late to school, you will receive an SMS notification. This message will direct you to School Bytes, where you can address any unexplained absences by selecting the "respond" option. Please note that any absence not explained within 7 days will be recorded as an unjustified absence.

Thank you for your cooperation in ensuring our students maintain good attendance!

## Moving Schools

If your child/ren are moving to another school, please send an email to the school advising of your plans. You will need to provide your child's name and class, and the last day of attendance at Girraween Public School. You will also need to provide us with their new school information to ensure that records are kept up to date.

## School Bytes

Parents can easily access important information, including attendance records, and manage their child's attendance effectively via School Bytes..

### Quick Links

- [School Bytes parent guides](#)

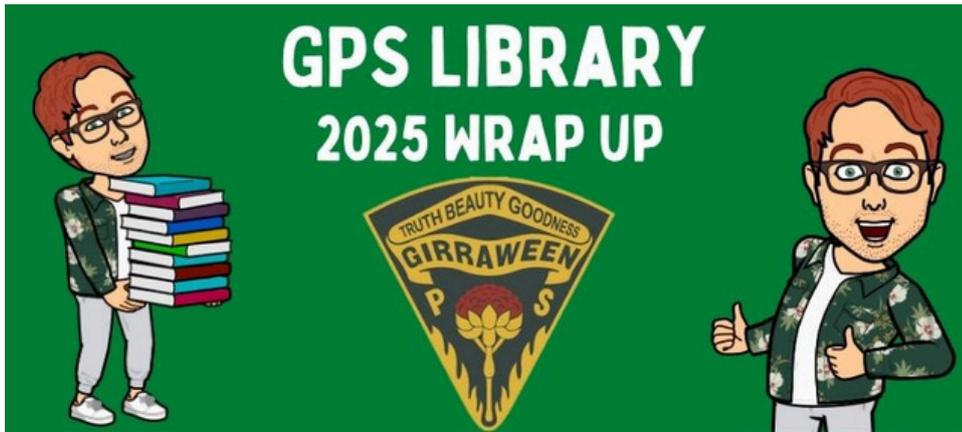

## Community Notice

Our school has recently been assigned a disability parking spot. Disability car parking spots are specially designed spaces close to entrances to make access easier for people with disabilities. They are marked with the international symbol of access (a white wheelchair icon on a blue background) and can only be used by people who display a valid Disability Parking Permit. Using these spots without a permit can make it much harder for someone with a disability to access the school or community safely. You may not be able to see the disability, so please be respectful to the parents who use this spot with the correct permit. Please help us ensure that these spaces are always available for those who truly need them. Remember: Even if you're "just quickly dropping off" or "only there for a moment," parking without a valid permit is not allowed.

**You must not stop or park your vehicle in any area with a Disabled Parking sign present unless you have a current Mobility Parking Scheme (MPS) card displayed and you are carrying a person with a disability. Fine: From \$644**

# Kindergarten

What a fantastic term it has been in Kindergarten! We have enjoyed so many exciting learning experiences and have loved watching our little learners grow and explore every day.

To wrap up the term, we had a wonderful excursion to Calmsley Hill Farm. The children were thrilled to see and interact with the farm animals, learn about farming life, and enjoy the beautiful outdoor setting, including a tractor ride around the farm. It was a memorable day filled with laughter, curiosity, and lots of hands-on fun.

Thank you to all the families for your ongoing support this term. We look forward to more adventures and learning next term!

Have a safe and happy holiday! See you for our last term together!

**Miss Khoury**

Assistant Principal Kindergarten

# Year 1

Year 1 have had a fun-filled, busy Term 3!

This term, students in Year 1 have continued with our "door-to-floor" routine each morning, beginning our phonics lessons within 60 seconds! We have been learning about the long vowel /oa/ and long vowel /ay/ and how to read and write words quickly and accurately.

During our daily writing sessions, Year 1 students have been introduced to writing a complex sentence. We have also learned all about AUSLAN and the Braille writing system.

During our daily mathematics lessons, Year 1 have had a big focus on making groups with objects and sharing objects into groups! We have even learned how to create multiple arrays.

Term 3 was a busy term for Year 1 events. The highlights for this term were our Dress up Book Parade and The Book Fair, as well as our 100 days of learning celebrations!

**Mr Vitnell**

Assistant Principal Year 1

## Year 2

Term 3 was a busy and fun term where we learned many new things in different subjects. In English, we worked on sounds called r-controlled vowels like /or/, /er/, and /air/. We also practised tricky spelling words such as "ocean," "muscle," and "yacht." In our writing, we learned how to use adjectives, action verbs, and adverbs ending in -ly.

In Mathematics, we practised adding and subtracting big numbers, rounding numbers to the nearest 10 and 100, and adding money. We also learned about measuring mass and area, using maps, and describing 3D shapes. We counted in 2s, 3s, 5s, and 10s and used tally marks to collect and show data with graphs.

In Science, we explored different materials and how they can be changed or combined to make things. We also worked on designing something useful with the materials we learned about. In History, we talked about how families and communities have changed over time and how technology affects people's lives.

In PDHPE, we learned about our feelings and how to get along well with others. We had fun playing games and working as a team during our weekly PE lessons. Our Creative and Performing Arts lessons focused on dance, where we sang, played instruments, and moved to music.

Outside of class, many students joined the Public Speaking competition. The ukulele, dance, and creative games groups also met during lunchtime for extra fun.

Year 2 also started packing up their classrooms in preparation for the big move into our brand new school. You can't get much more exciting than that!

Term 3 was full of learning and exciting activities, and we can't wait for Term 4!

### Mr Hutchinson

Assistant Principal Year 2

## Year 3

This term, Year 3 went on an excursion to Nurragingy Reserve to learn about the Earth's environment. This great experience had the students experiencing Australia's great outdoors, observing the climate, natural vegetation and native animals of Australia.

Students participated in activities such as habitat building, bush walking and discussions about their own role in protecting the environment. The activity filled day left students with lots of knowledge, experience and fun memories.

### Mrs Scerri

Assistant Principal Year 3

# Year 4

This term in English, Year 4 students have been exploring persuasive writing through the fascinating story of Ned Kelly. Our young writers have been developing their skills by crafting arguments about whether Ned Kelly was a hero or a villain, using evidence to support their points of view. It has been wonderful to see their critical thinking and creativity grow as they engage with this iconic figure from Australian history.

Recently, Year 4 enjoyed an exciting excursion to Nurragingy Reserve. The day was filled with hands-on activities including bug catching, creating habitats for local wildlife, conducting water pollution experiments, and bushwalking through the beautiful natural surroundings. These experiences helped deepen their understanding of the environment and the importance of caring for our local ecosystems.

We are proud of Year 4's enthusiasm for learning both inside and outside the classroom!

## Miss Bakker

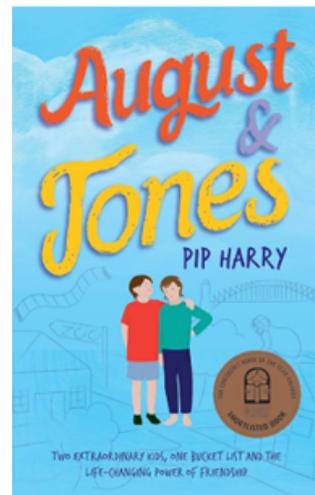

Assistant Principal Year 4

## Year 5

Term 3 has been a fun and exciting time for our Year 5 students, with lots of interesting activities to help with our learning.

In English, students have been studying the text *August and Jones* by Pip Harry. They have enjoyed reading the story, learning about the characters and engaging in creative writing activities based on the book. This helped them improve their reading, writing, and understanding of the story's messages about friendship and bravery.

In science, students have engaged in fun experiments to learn about gravity and buoyancy. These hands-on activities made it easier to understand how these forces work in real life.

Also, 5Q were also lucky to be involved in a coding incursion.

Students are excitedly preparing for our ZooSnooz overnight excursion in Week 1 next term!

**Mrs Dawes**

Assistant Principal Year 5

## Year 6

Year 6 have had a busy term after returning from camp. 6B kept the camp magic going by creating their own models of the giant swing in class.

In science, we have been studying forces, with each class conducting a series of investigations. We have made parachutes and catapults, tested the buoyancy of objects and used our knowledge to create things that float. One group in 6G was able to create a boat out of aluminium foil that kept 147 marbles afloat.

Work has begun on putting together our yearbook, with a capable group of student volunteers in charge of the process. We came together as a grade to use our bodies to make the number 2025, which was then photographed by a drone!

### Mrs Grouse

Assistant Principal Year 6

# Book Parade

# Multi-Stage Classes

## K/6S

K-6S have been learning about living things in their science lessons. We know we must use gentle hands and take care of living things. We have been learning that a chick is a baby chicken and comes from an egg and that chickens have feathers. They are soft. In maths, we are learning how to count, how to add two groups together and that shapes are all around us. In English, we are developing our understanding of phonemes and graphemes and beginning to use blending skills when reading words. Our fitness and gross motor skills are coming along in leaps and bounds, as we participate in lots of fun, cooperative, balance and problem-solving activities. We have enjoyed displaying our creative skills through art, craft, painting, cutting, pasting, singing, playing instruments, and listening to big books with puppets. We have enjoyed our community access visit to Central Gardens, learning about the animals and natural and man-made spaces.

## Multi-Stage Classes

### 2/6A

Everything reptiles! We have been focusing on learning about what reptiles are and the different kinds of reptiles that can be found around the world. We have been uncovering all sorts of information in morning routine and applying this knowledge when writing informative texts and creating artworks.

Year 6 camp and Year 6 school activities were full of fun, bonding and leadership opportunities.

Years 3 & 4 students attended their excursion in Week 9 where they learnt about different habitats for Australian wildlife.

### K/6R

This term we excitedly hosted the 14 baby chicks in our classroom. All of the students were able to gently handle and take part in caring for the chicks. This experience supported our learning in science where we looked at different life cycles, including plants and caterpillars.

Students were excited about our community access program this term. We caught the bus to Central Gardens at Merrylands, where we had a picnic with friends and got to see the animals in the in wildlife enclosures. Students who stayed at school enjoyed making yummy food, including fruit kebabs, pizza and toasties.

**Mrs Robinson**

Assistant Principal Multistage

## Student Spotlight!

### CONGRATULATIONS DAVID!

On Sunday 24th August, David Kirubakar from 5D proudly represented our school as a member of the Sydney North Public Schools Band (SNPSB), conducted by Jennifer Power, at the State Band Championships held at the Joan Sutherland Performing Arts Theatre in Penrith. Competing against students up to 19 years of age, the band achieved an impressive joint 4th place alongside St Pius X College Intermediate Concert Band.

The Sydney North Public Schools Band Program, managed by the Arts Unit, offers talented young musicians from Year 4 to Year 12 the chance to extend their skills through participation in school bands. The program features two ensembles: the Concert Band and the Symphonic Band. We congratulate David on his outstanding achievement!

## Hills Public Speaking Competition

Congratulations to Aathavi (1KP) and Annapoorna (2BT) for an outstanding participation in the Hills Public Speaking Competition semi finals. Congratulations to Annapoorna who has gone through to represent Girraween PS at the finals next term.

## Regional Multicultural Public Speaking Competition

We are proud to celebrate the outstanding achievements of Tanvi B (6G) and Kesar (4H), who represented Girraween Public School at the Regional Public Speaking competition held at The Arts Unit, Lewisham on 27 and 28 August.

Tanvi impressed the judges with her impromptu speech on the topic of 'boredom'. Kesar captivated the audience with a heartfelt prepared speech on 'Second Chances,' showcasing excellent storytelling.

Both students performed exceptionally well, with Kesar earning an impressive 3rd place in the competition. Their dedication, courage, and eloquence have made the school community very proud.

Congratulations to Tanvi and Kesar for your remarkable efforts and achievements. We look forward to seeing more of your successes in the future!

## Girraween Public School Shines at the Regional Spelling Bee

We are proud to celebrate the outstanding achievements of two of our talented students, Numair from class 3N and Nila from class 5Q, who recently represented Girraween Public School at the Regional Spelling Bee.

Competing via Zoom against students from numerous schools across the region, both Numair and Nila demonstrated exceptional spelling skills, focus, and determination. Numair made it to the top 7, impressing everyone with his ability to spell challenging words, however, "rissole" was very tricky.

Nila showcased remarkable perseverance and expertise, advancing all the way through to round 13 and earning an impressive 2nd place overall. Her toughest word of the competition was "acuity".

Congratulations to Numair and Nila for their fantastic performances and for representing Girraween Public School with such distinction. We look forward to seeing what these bright students will accomplish next!

**Mrs Needham**

Deputy Principal Stage 2

## Zone Athletics Carnival

On 28 August, 50 enthusiastic students from Girraween Public School proudly represented our school at the Zone Athletics Carnival held at the Blacktown International Sports Stadium. The event was a fantastic opportunity for our young athletes to showcase their skills, determination, and school spirit against competitors from across the region.

We are thrilled to announce that eight of our talented students have qualified to progress to the Regional Athletics Carnival, which will take place on 25 September at Homebush. Congratulations to Tanvi B (6G), Aditya (5Q), Akshaya (3B), Mehaan (6B), Cruz (6C), Aryan (5P), Vishva (3S), and Viraj (5M) for their outstanding performances.

Also Tanvi B achieved the 12/13 girls age champion, Aditya achieved 2nd place for Junior boys aged champion and Cruz was placed 8<sup>th</sup> for 11 years age champion. Overall, Girraween PS placed 5<sup>th</sup> in the school rankings.

We wish these students the very best as they prepare to compete at the next level. Their dedication and hard work are a great source of pride for Girraween Public School, and we look forward to cheering them on at the Regional Carnival. Good luck to all!

## Celebrating Fathers' Day with a Successful Stall

On 2 September, our school community came together to celebrate Fathers' Day with a special stall dedicated to honouring all fathers and grandfathers. We hope that every dad and granddad had a wonderful day filled with joy and appreciation, and that they enjoyed the thoughtful gifts selected just for them.

A thank you goes to our P&C for organising this event. Their dedication and hard work made the Fathers' Day stall a memorable experience for everyone involved. We also extend our gratitude to all the volunteers whose time and effort in assisting with the stall helped make the day run smoothly and successfully.

# FOOTBALL FANATICS

IF YOU LOVE SOCCER

YOU'LL LOVE THIS 1 DAY EVENT!

Join the Motiv8 team for the ultimate day of football entertainment! Motiv8sports football fanatics is an opportunity for kids to express themselves in a fun environment.

Boys and girls from Kindy to Year 6 are welcome – don't forget to wear your favourite soccer jersey! No teams necessary. Come with your mates, come on your own, we'll ensure it's the best day of your holidays.

This one-day event is specifically designed for kids who love soccer. Over the course of 3 sessions we'll put your skills to the test in a series of fun and engaging football/soccer based sports, challenges and activities! Our epic line up of events includes: street soccer knockout, 4-ball soccer tournament, sharp shooters challenge, penalty shootout, fifa next level challenge, balon d'or battle, 2 v 2 street edition and loads more....

This is the best one-day football experience for kids in Australia. We leave the sideline noise and technical coaching to the football experts and provide an environment for kids to be kids. We are experts in running events that entertain, inspire and motiv8 kids to compete. The kids are the heroes in a parent free environment. Our coaching team officiate, motivate and provide guidance.... no drills, no skills, no repetition – just fun competition.

**2025 DATES:** ALL EVENTS 8.30AM - 3.30PM

**EVENT 1:** Thurs 2nd Oct / Prairiewood High School

**EVENT 2:** Fri 10th Oct / Girraween High School

# THE BIG BATTLE

**A SPORTS CAMP LIKE NO OTHER**

It's time to experience Australia's no.1 multi sports camp these holidays and give your child 2 amazing days of sports entertainment. Our sports camps are designed for Primary school children and run between the hours of 8.30am and 3.30pm daily. For children who have never experienced Motiv8sports before it is important to know that this is not your boring drills and skills vacation care type of experience. At Motiv8sports we have created over 100 different hybrid sports and challenges. Each and every holiday we create a different themed event aimed at creating a sports dreamland for kids to feel motivated in. Expect big bright equipment, a D.J pumping the beats, energetic sporty staff and a sports experience designed to make kids feel like superstars.

During the upcoming holidays the theme of our camp is BIG BATTLE 2025. Campers will be taken on a journey where they will feel like they have entered a tv game show. Campers will represent one of 2 amazing tribes called the Bravehearts and the Goliaths. These tribes will battle against each other at 16 incredible sports challenges over the course of 2 amazing days. Super Soccer, Vortex Gridiron, Sector-8, Flagball, Big Dog Cricket, Ultimate League, Ruckus, Street hockey, Ballers, The Grid, Toxic Waste & Courage Under Fire are some of the exciting sports we have on our program. We encourage all parents to scan the QR code below and discover how much time and effort we dedicate to staff training, child protection, first aid, safety and the overall event experience.

Motiv8sports creates an environment where children are not only playing sport but learning about teamwork, resilience and sportsmanship. We have zero tolerance to bullying at our events and we place a huge focus on rewarding outstanding effort and behaviour.

We would love the opportunity to motiv8 your child at our multi-sports camp these holidays and invite you to visit our facebook page or website for more information.
