GPS Fete Success – Thank You! 🎉

What an incredible day we had at our **GPS Fete on Friday 21st November 2025!** The school was buzzing with excitement as our students and staff proudly welcomed families, friends, and community members onto our grounds.

From the delicious food stalls to the fun activities, performances, and smiling faces everywhere you turned, it was truly a celebration of our wonderful school community. A very **special thank you** to all our parents and carers who generously donated sweet treats for our Bake Stall. Your baking (and buying!) helped make the stall a favourite stop on the day, and we are so grateful for your support and kindness.

A huge **thank you** to everyone who attended, supported, volunteered, cooked, crafted, donated, or helped in any way. We are so grateful for the ongoing support of our GPS community—what a fantastic day! 💙💜💛

🌟🎨 **Class 7 – Creative Writing & Stop Motion Adventure** 🌟🎨

Class 7 recently watched an exciting creative writing lesson from the State Library, and it inspired something amazing!

With Ms Mohamed's help, students created a stop-motion movie starring Nancy Bird Walton and a camel as they travelled around the Seven Wonders of the World. Nancy zoomed through the sky in her plane while the camel explored on foot — from the Colosseum to the Great Wall of China and even the Pyramids!

Students narrated their own film and sent it off to Jan at the State Library. She LOVED it! Class 7 received a book, "The Best Cat, The Est Cat," plus a postcard from Jan and two special postcards each as a reward for their awesome work.
