FROM YOUR PRINCIPAL

It is a busy end of term at Glenreagh Public. This week I attended the Mid North Coast Dance Festival and watched our fantastic students light up the stage with their colourful costumes and amazing dance routine. A very special thank you to Ms McConnell for giving up her time to teach and support them. They really were outstanding. I am so lucky that I get to see them perform a second time in the Showcase Spectacular tonight.

Next week our sporting stars are in action. We have the Orara Valley Small School Athletics Carnival on Tuesday 24th June and our Year 5/6 class will be playing against Ulmarra Public School in next round of the Small School Football (Soccer) knockout on Wednesday 25th June. Thank you to the P&C for providing the funds to purchase new sports shirts for the team. We are going to look the part running onto the field! Go Team Glenreagh!!

A big thank you to all the parents for giving our students the very best opportunities to participate in these events. Private transport is the only way our students can be involved in these activities. A special thank you for those parents who also step up and take extra students when they can. That is what I absolutely love about this beautiful community. It really does take a village to raise a child!

Our Winter Warmer Day invites students to wear something different – they can opt for pyjamas, a onesie or a hoodie. A gold coin donation is payable to the Year 6 Fundraiser for students who wish to participate.

We have our end of term Assembly on Thursday 3 July. The Assembly will commence at 2:30pm, but parents and carers are welcome to join in a light afternoon tea outside the Canteen.

Have a great fortnight!

Warm regards, Julie Carr

A FEW UPDATES & MENTIONS...

- Glenreagh P&C WILL be hosting a Canteen at Tuesday's Athletics Carnival. The Athlete's Menu is included over the page. Please support our efforts.
- Please ensure you send along warm clothes in these cooler months. If you have lost any items, please check the Lost and Found bucket, which is again overflowing! Make sure you have all items labeled.
- Reports will be sent home in a plain envelope. To save funds and the environment, we will no longer be using plastic display folders. The format and content of reports has changed – this is in line with the NSW Department of Education's standardisation of reports across the State.
- Thanks to everyone who donated shoes for our soccer team! These will be put to good use for years to come. We appreciate your support.
