

GLENREAGH PUBLIC SCHOOL NEWSLETTER

Term 3, Week 10 (Wednesday 24 September 2025)

02 6649 2133 - glenreagh-p.school@det.nsw.edu.au

FROM YOUR PRINCIPAL

Our last two cubbies have arrived this week. Once they have been painted and a few things tweaked, our little town will be complete, and our students should be able to start playing in them, next term.

Well done to our film stars from 3/4N who participated in the film festival this year. We were able to watch them and the other schools' entries on Tuesday afternoon. Thank you to everyone who supported the Lego League's fundraiser of our special treats of popcorn and spiders.

Due to staffing changes, 5/6 will now have Mr Paul Clark teaching them on Wednesday, Thursday and Friday. Paul and I will ensure we continue to work closely to ensure Stage Three outcomes are being met.

This Friday for the last day of term, we will have a mufti day. Please make sure your child wears sensible play clothes and shoes. Next term, school will resume for students on **Tuesday 14th October**. Monday 13th October is a Staff Development Day.

Have a lovely and safe holiday with your beautiful children.

Warm regards, Julie Carr

Friday 21 November

Paralympian Visit - Stages 2 & 3

Tuesday 25 November

Surf Groms TBC

Tuesday 2 December

OHS Taster Day, Year 6

P&C GRANTS

We are delighted to share the news that our P&C has been awarded two grants through the Community Building Partnership and the Community Initiatives Program. This will enable us to finalise the establishment and decorating of our Tiny Village, plus to purchase and install an outdoor musical playground.

Our students love learning in such a creative space, and we thank the P&C for all they do for our school :D
