FROM YOUR PRINCIPAL

I am really looking forward to my first Book Week at Glenreagh Public School next week. Our Book Week Parade and Book Fair is on next Thursday, 21st August. Mrs Smith has been busy getting the library ready. The students will get a sneak peek this week and will probably have a long shopping list for you after their library day!

It was lovely attending our P&C Meeting and AGM last week. Thank you yet again for those lovely volunteers who put their hand up yet again for an executive position on the P&C. Our students are so lucky to have such a dedicated group of parents. Well done to the P&C for being successful with the grant to purchase some outdoor musical instruments for our students.

This week is National Anti-bullying Week. We have been discussing anti-bullying strategies throughout the week with our students. Cyberbullying is something that we have been dealing with more and more now. Please talk to your child about safe practices on the internet.

Have a great fortnight.

Warm regards,
Julie Carr

Session 4 - Make the change

Our session this week in Stronger Together - our Peer Support module encourages students to identify any behaviours or actions they feel are unhealthy in self and others. Skill building in identifying behaviours, inclusive practice and developing empathy assist students to transition into making positive decisions to change. This might be an opportunity for parents and carers of participating students to remind your child about when they have handled change well and the skills they could use.

Session 5 - Know your rights

Our Peer Support session in Stronger Together this week looks closely at the rights of each individual in relation to bullying and harassment. It looks at a range of techniques to support those being bullied and encourages them and the bystanders to take action. Parents and carers of participating students could talk with their child about what they would do if it happened to them

TEA TOWEL FUNDRAISER

The P&C has been working with our artistic residents to create this gorgeous Year Book tea towel. These have just arrived in and are available for school families to purchase, but stock is limited so get in quickly!

At just \$17 each, they make a wonderful memento. With Christmas fast approaching, grab some heartfelt and personalised stocking fillers while you can.

\$17 each payable to the P&C by way of cash - enquire at the school office.

Talk Money is coming to our school!

Talk Money with Ecstra Foundation is a free financial education program that teaches young people money lessons for life, helps students be confident when talking about money and to make informed financial decisions.

Delivered by trained facilitators, the workshops are aligned to the Australian curriculum and the National Consumer and Financial Literacy Framework.

We are looking forward to the Stage 3 workshops, scheduled for late August. If you would like to know more, check out their website at www.talkmoney.org.au.
