

GLENREAGH PUBLIC SCHOOL NEWSLETTER

Term 3, Week 6 (Wednesday 27 August 2025)

02 6649 2133 - glenreagh-p.school@det.nsw.edu.au

FROM YOUR PRINCIPAL

Although the weather wasn't the best, we still had a fantastic Book Week Parade and Book Fair. It is amazing at all the imagination and creativity that goes into organising the costumes for the day. Well done to all the students and teachers who dressed up to make the day so special. Thank you also for your support with the book fair. It is lovely to see so many students and parents buying books. A special thank you to Mrs Smith for all your organisation with the Book Fair and Parade, and to those families who generously purchased a book to be added to our Library.

Next week Year 6 will be attending their next transition day, a taster day, at Orara High. If you have not filled out the enrolment form for your child to attend this must be completed ASAP. Students who are not enrolled will not be able to attend the Taster Day on Tuesday.

Although there is still plenty of the school year left, we are getting ready for transition for our new kindergarten students for 2026. If there is anyone you know that is intending to enrol their child in Kindergarten for 2026, please ask them to pop in for a visit and a chat.

Have a great fortnight.

Warm regards,
Julie Carr

SAVE THE DATES

Thursday 28 August
Money Matters Talk, Stage 3

Tuesday 2 September
OHS Taster Day, Year 6

Thursday 4 September
P&C Father's Day Stall

Monday 8 September
School Photos

18-19 September
Stage 2 Camp

Friday 26 September
Last Day Term 3

Monday 13 October
Students Return to School

22 - 24 October
Stage 3 Camp

Session 6 - Make a choice

Our Peer Support session in Stronger Together this week provides a series of problem solving and decision-making activities to analyse how and why we make the choices we do. It considers aspects of safety and a moral sense of purpose about why we should seek to support others and look more deeply into how our decisions can have a bigger impact than we first thought.

Session 7 - Standing together

Our Peer Support session in Stronger Together this week looks at the impact of how working together as a team with similar beliefs can provide a barrier to bullying. When everyone is focused on promoting positive behaviours that respect diversity and individual needs, bullying can be reduced. Activities focusing on building teams' strength and awareness of bystanders' responsibilities assist in a whole school approach. Parents and carers could talk with their child about how they could help others who are not experiencing good relationships.

How Much Water Does a Dripping Tap Waste?

Let's break it down:

- A tap that drips once per second can waste over 12,000 litres of water per year.
- If you have multiple leaking taps, that number multiplies quickly.
- Even a slow drip can result in an extra \$50-\$100 per year on your water bill.

Stage 3 students are participating in the Water Efficiency Program (WEP), a collaboration between the NSW Department of Climate Change, Energy, the Environment and Water (DCCEEW), our school, and the Environmental Education Centre network (EEC).

Over a semester, students will be supported by an EEC Educator to strengthen the knowledge and skills of students within our school including:

- Learning about water efficiency and our catchment, conducting a water audit of our school and using this information to plan and conduct water efficiency improvements.
- Sharing water efficiency education within our school.
- Communicating water efficiency news and education with the rest of your school community.

Our EEC Educator will visit our school five times over this semester, running activities and supporting our school to develop a Water Saving Action Plan (WSAP).

2025 LEGO LEAGUE

Our Lego Leaguers are working hard to achieve great outcomes in this year's competition. They will be hosting a few fundraisers in the near future, to support their endeavours. Go you Leagers!

TEA TOWEL FUNDRAISER

The P&C tea towels are proving very popular! Be sure to get in quick to buy one of these special pieces of memorabilia.

They are only \$17 each payable to the P&C by way of cash – enquire at the school office.

Money raised by the P&C goes back to our school and directly benefits the students – recent examples include our Tiny Village and excursion subsidies.

Please continue to support the P&C in every way you can.

HOW TO ORDER YOUR PHOTOS

To order your child's school photos please scan the QR code on this flyer to be taken to your school's order page. Alternatively, you can visit our website and enter your school's unique 7 digit code where prompted.

Orders will remain open until the 28th of September. Once closed, we will process and print all orders. Orders outside this window are welcome but will incur additional fees. Please contact us directly to access archived photos.

If you have any issues with ordering your photos, please reach out. We're here to help!

Kind regards,

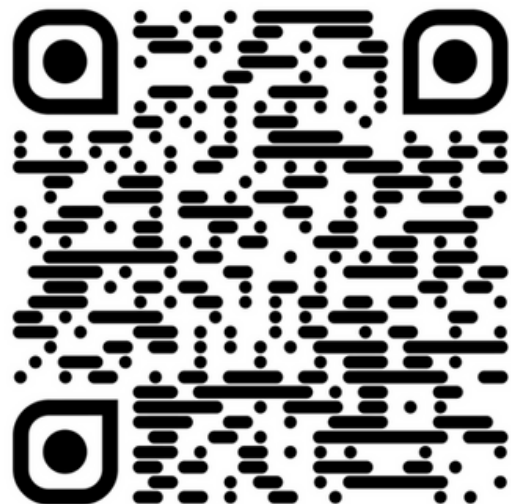

Dan
