Rainy days won't stop us from staying active!

Despite last week's rainy weather, we kept our energy high and stayed active! We put on some music and followed the leader through a fun indoor obstacle course. Activities included balancing on wobble boards, jumping over cushions, bear walks, crawling under tables, counting while stepping on number pebbles, and bouncing ping pong balls into containers. It was a fantastic way to start our school day, combining movement, coordination, and fun! Mrs Pattison

Congratulations to Ava, Paige and
Tanisha for performing at the

Message from Mrs Cribb

Congratulations to everyone for an amazing term! It has been absolutely jam-packed with events and activities from the first week to the last. I know that you join me in thanking the staff for making all these wonderful experiences happen.

Last Friday, the P&C organised a terrific disco as well as the construction of 'The Fort'. The Fort and Cubbyhouse came to us via the Tirranna PS community. Many thanks to Alex (and Hastings) Downes, and their amazing team of helpers. The students love it.

We say farewell to Miss Smith at the end of the term. Miss Smith is a face well known to every student. Over the last couple of years, she has taught every class many times and I would like to thank her for making Goulburn East her 'home'. Safe travels ahead, Amy!

Our new school website is now live, and I would like to thank Ms House for her meticulous work in preparing for this.

Thanks to our local high schools, our Year 6 students will be well prepared for 2026. Students attending Goulburn High and Mulwaree High next year have already had several visits to assist with their transition. An exciting time but also one that brings a degree of trepidation and lots of questions!

And finally, have a wonderful holiday. It has been a busy term, and I can see some very tired children out of my window as I write this. I hope you have a chance to have a break too.

Thank you for your support this term. I never stop appreciating the support we receive from our families.

Lots of people to thank in this newsletter! 😊

Warm Regards, Charm Cribb

ENROLMENTS FOR KINDERGARTEN 2026

Kindergarten enrolments are now being taken for children who live in the Goulburn East zone and will turn 5 years old before 31 July 2026.

Enrolments can be done **online** through the school website at the following link:

<https://goulburne-p.schools.nsw.gov.au/> Click on the 'Enrolment' tab to get started.

Please note that original documents will need to be sighted at the office, and 100 points of proof of address documents must be provided in accordance with the Residential Address Checklist which is available from the school office.

To finalise your child's enrolment you will need to bring along:

- Your child's birth certificate
- Your child's immunization certificate (available from Medicare)
- Proof of address documents

Kindergarten orientation days will be held in Term 4. More information on the orientation days will be provided at a later date.

KP dive into digital fun with ScopeIT Education

We've loved having ScopeIT in Kindergarten! Their sessions provided a fantastic introduction to the exciting world of digital learning. Through fun and engaging activities like storytelling, cake and pattern making, and playful problem-solving challenges, our KP students explored basic coding and early maths concepts.

These hands-on experiences help build familiarity with technology, foster positive attitudes, and develop important early computational thinking skills - all while having a great time!

Mrs Pattison

Waste Management

Today we had a visitor that is in charge of waste-management. Josh was telling us about which rubbish goes in which bin. Josh put on a slideshow about waste-management. He told us where the rubbish goes and what machines are used in the process. Then we had questions and answer time! Liam and Ellie stood up and thanked Josh for his time and for teaching us about waste management.

Majura Pines - High Ropes Treetops Adventure

On Tuesday 23 September, Stage 2 took on the Majura High Ropes Course with the support of six Mulwaree High School students. This experience linked beautifully with our Health Unit, where students have been learning about empathy, positive self-talk, problem solving, and the power of kind and supportive words.

We were incredibly proud of Stage 2 as they showed resilience, teamwork, courage, perseverance, and positive mindsets throughout the day. Most importantly, they were wonderfully supportive of one another, cheering each other on through every challenge. All the teachers were impressed by their willingness to try something new and the encouragement they gave to their peers.

A big thank you also goes to the Mulwaree High School students, who were a fantastic asset in helping to make the day such a success. Mrs Martin

REMEMBER YOUR HAT

School hats must be worn outside during Term 4.

NO HAT, play in shade under the COLA

Thank you for supporting our uniform policy

A reminder regarding uniform accessories

- Students should not wear jewellery to school (except small sleepers or stud earrings).
- Fake nails and other adornments are not permitted in order to prevent injury.
- No makeup, nail polish or tattoos are to be worn at school.
- Any hair accessories must be either red or blue, not multi coloured.

Permission for incursions and excursions

If you know in advance that your child be away when there is an incursion or excursion, please let the office know. This way we will take your child off the attendance list, and you will not receive any reminder push notifications or SMS from us. We will also remove the payment amount from your statement of account.
