Our NAIDOC Assembly leaders

QUOTA PUBLIC SPEAKING

We are very proud of Abby McNaught, our school representative recently at the Quota Public Speaking event. Her topic was 'If ...' and she prepared a creative and well-crafted speech. Abby had the audience engaged from the start. The competition was the toughest one to judge in recent years. The audience was very pleased that they didn't have to choose the eventual winner.

Well done, Abby!

Explosive Experiments: A show that went off with a bang!

On Tuesday 12 August, our school had the pleasure of welcoming the enthusiastic Ranger Jacinta from the Ranger Jamie Science Shows to put on an exciting science demonstration!

The show was a whirlwind of exciting experiments that captivated students and staff alike. From observing forces at work in colourful, crazy balloons to witnessing the magical creation of snow using a combination of mineral water, dishwashing liquid, and liquid nitrogen, each moment was filled with awe and wonder. The grand finale featured the thrilling explosion of a barrel filled with balls, leaving everyone cheering and laughing!

This engaging presentation was a perfect way to celebrate National Science Week, inspiring our students to embrace their curiosity and passion for science.

Message from Mrs Cribb

Thank you to the many families who were able to join us last week at our assembly. This assembly featured an example of the work all classes had completed linked to NAIDOC Week. Congratulations to all students and teachers for the wonderful items. A special well done goes to the Stage 2 Moodji student group who ran the assembly. I'm sure those present will agree they did an outstanding job. Definitely some aspiring leaders in the group!

A couple of weeks ago, our Yr 3-6 students were invited to attend the matinee of Mulwaree on Stage at GPAC. This provided a wonderful opportunity for our students to see a wide range of quality student performance. I would like to thank Mrs Curry for the invitation and support in transporting our students. Congratulations to the MHS staff and students for an incredible show. I'm sure the evening show was just as spectacular.

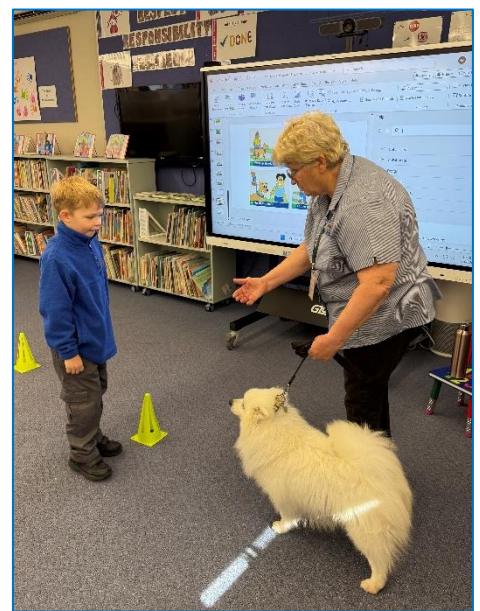

Well done to Mrs Robinson and her NSW Girls Hockey Team. Some of you may already know that our Mrs Robinson is highly considered nationally for her skills in coaching and leading hockey teams. Last week Mrs Robinson was in Newcastle for the National Championships. After a week of tough games, NSW won the competition!! Congratulations Mrs Robinson – we are very proud that you are 'ours'.

Have a lovely week.

Charmian Cribb

Responsible Pet Education

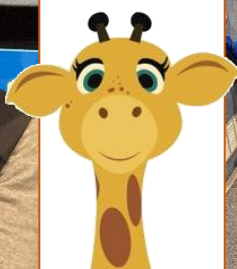

K-2 had a wonderful visit from a White Japanese Spitz, a well-trained dog who helped to make our Responsible Pet Education program engaging and hands-on. The students learnt important lessons about dog safety, including how to approach and interact with dogs safely and recognise signs of a happy, scared, or angry dog. They also explored the responsibilities of pet ownership, such as providing proper care, food, shelter, and training. The session covered essential pet care topics like the importance of identification tags, appropriate play, fencing, and supervision for both dogs and cats. Through this interactive experience, students gained a deeper understanding of how to create a safe and humane environment for pets within our community. Mrs Pattison

Healthy Harold

Empowering Kids to Stay Safe and Support Each Other!

KP had a fantastic time with Healthy Harold! This engaging and interactive program empowers children to make safer choices by teaching important safety rules. Through fun activities, students learn to recognise safe and unsafe environments, understand appropriate online behaviours, and identify trusted adults they can turn to for help. The program also explores how to find safe spaces and how friends can support and care for one another. Mrs Pattison

ENROLMENTS FOR KINDERGARTEN 2026

Kindergarten enrolments are now being taken for children who live in the Goulburn East zone and will turn 5 years old before 31 July 2026.

Enrolments can be done **online** through the school website at the following link:

<https://goulburne-p.schools.nsw.gov.au/> Click on the 'Enrolment' tab to get started.

Please note that original documents will need to be sighted at the office, and 100 points of proof of address documents must be provided in accordance with the Residential Address Checklist which is available from the school office.

To finalise your child's enrolment you will need to bring along:

- Your child's birth certificate
- Your child's immunization certificate (available from Medicare)
- Proof of address documents

Kindergarten orientation days will be held in Term 4. More information on the orientation days will be provided at a later date.

ASPIRE OSHC

Goulburn West

Before & After School Care

About us

ASPIRE OSHC provide high quality care and education to school aged children at Goulburn West.

We aim to provide a fun and creative age appropriate program based on the "My Time, Our Place" National Framework for school aged children.

ASPIRE OSHC provide Before and After school care programs and Vacation Care. These programs develop and nurture children's minds.

ASPIRE OSHC promotes a healthy lifestyle through various activities for children to discover, learn and play.

We create healthy habits by providing nutritional foods and a variety of opportunities to participate in active play.
