Tuesday 18 November

Yindyamarra Community
Connections Day 2
Thursday 20 November

Yindyamarra Community
Connections Day 3
Friday 21 November

Year 6 Orientation Day
Tuesday 2 December

Visual Arts

Students have been learning about printmaking with lino blocks and painting with acrylic paint.

With printmaking, students designed, carved and printed their designs to emulate Pop Art styles and show their understanding of line and pattern.

Meanwhile, students have been exploring the art style of Yayoi Kusuma and are designing their own works using colour and organic lines.

Term 4 Attendance Challenge

To recognise and reward positive attendance patterns, students who meet either of the following criteria will receive an attendance reward for this term:

- Students with 90% or more attendance at school for the entire year or this term;

OR

- Students who show an attendance improvement of 10% or more from Term 3 to Term 4.

This challenge aims to encourage consistent attendance and celebrate those who have made great progress in attending school regularly.

Footwear Reminder for Student Safety

All students are required to wear closed-in footwear as part of the school uniform. These shoes meet the protection standards set by the Department of Education.

Please note that Crocs, Ugg boots, and similar footwear are not suitable for school and do not comply with safety requirements.

Students wearing inappropriate shoes will be sent to the front office, and parents will be contacted to provide suitable footwear.

Thank you for helping us keep all students safe and meeting uniform expectations.
