Gulgong vs Kandos Gala Day

On Friday, October 31, Gulgong High School hosted Kandos High School in a Sports Gala Day. Students had the opportunity to display their talents in league tag, netball, volleyball, bocce, and chess. Four out of the six events on the day were won by Gulgong. The staff are proud of the sportsmanship, skill, and school spirit demonstrated throughout the day. A big thank you goes out to Kandos High School for their efforts, as well as to all the staff and volunteers who helped make the day run smoothly.

Year 7 Swim School

On Friday, December 12, Year 7 students will be participating in a Swim School. The aim of the day is to develop essential swim safety skills in a practical environment. Permission notes will be sent home shortly, and normal classes for Year 7 will not run on this day.

League Tag

The U14s and U17s League Tag teams travelled to Bathurst in Week 2 to participate in the Western Gala Day. The U17s team demonstrated excellent skills, leadership, and teamwork to come away with a win, a draw, and a loss. The U14s team is to be congratulated on their perseverance and improvement throughout the games. Thank you to Mrs. Stanford and Miss Amedee for their organisation and coaching on the day – they were extremely proud of the girls' positive spirit.
