Principal's message

Moorland PS musical production

Last week, our students had the pleasure of watching Moorland Public School's dress rehearsal of their 2025 musical production, *The Heart of the Herd*. It was a wonderful performance that truly showcased the talent and dedication of the Moorland students — a memorable experience for everyone who watched. Congratulations to the students and staff of Moorland Public School on their great effort.

Glasshouse performance – You Are a Doughnut

Our students also enjoyed a fantastic trip to The Glasshouse, Port Macquarie, to see the performance *You Are a Doughnut*. Travelling by bus, they had a wonderful time and thoroughly enjoyed the show. Sincere thanks to the school's P&C Association for funding this excursion in its entirety.

Johns River Markets this Saturday

Looking ahead to this Saturday, our students will be performing Christmas carols at the Johns River Markets. The school will also be running a fresh produce stall featuring items grown in our Kitchen Garden. Parents and carers are kindly reminded to please respond to the event notice via Sentral to assist with our planning.

Johns River Christmas Markets

A reminder to parents and carers to please indicate your child's participation in the upcoming Johns River Christmas Markets **this Saturday 8 November**.

Let us know whether your child will be taking part in the school's Christmas carol performance at 10am. Additionally, please advise if any family members are available to volunteer for a shift on the school's fresh produce stall during the morning.

Thanks to the generosity of the market organisers, all participating students are offered a special \$3 deal, which includes a small face paint and an ice cream.

Responses via Sentral will close this afternoon.

School Swimming & Water Safety Program

We are pleased to announce that the cost to families for the 2025 School Swimming & Water Safety Program has now been finalised.

Thanks to generous subsidies, the daily bus transport and pool entry fees for the 5-day program are partially covered as follows:

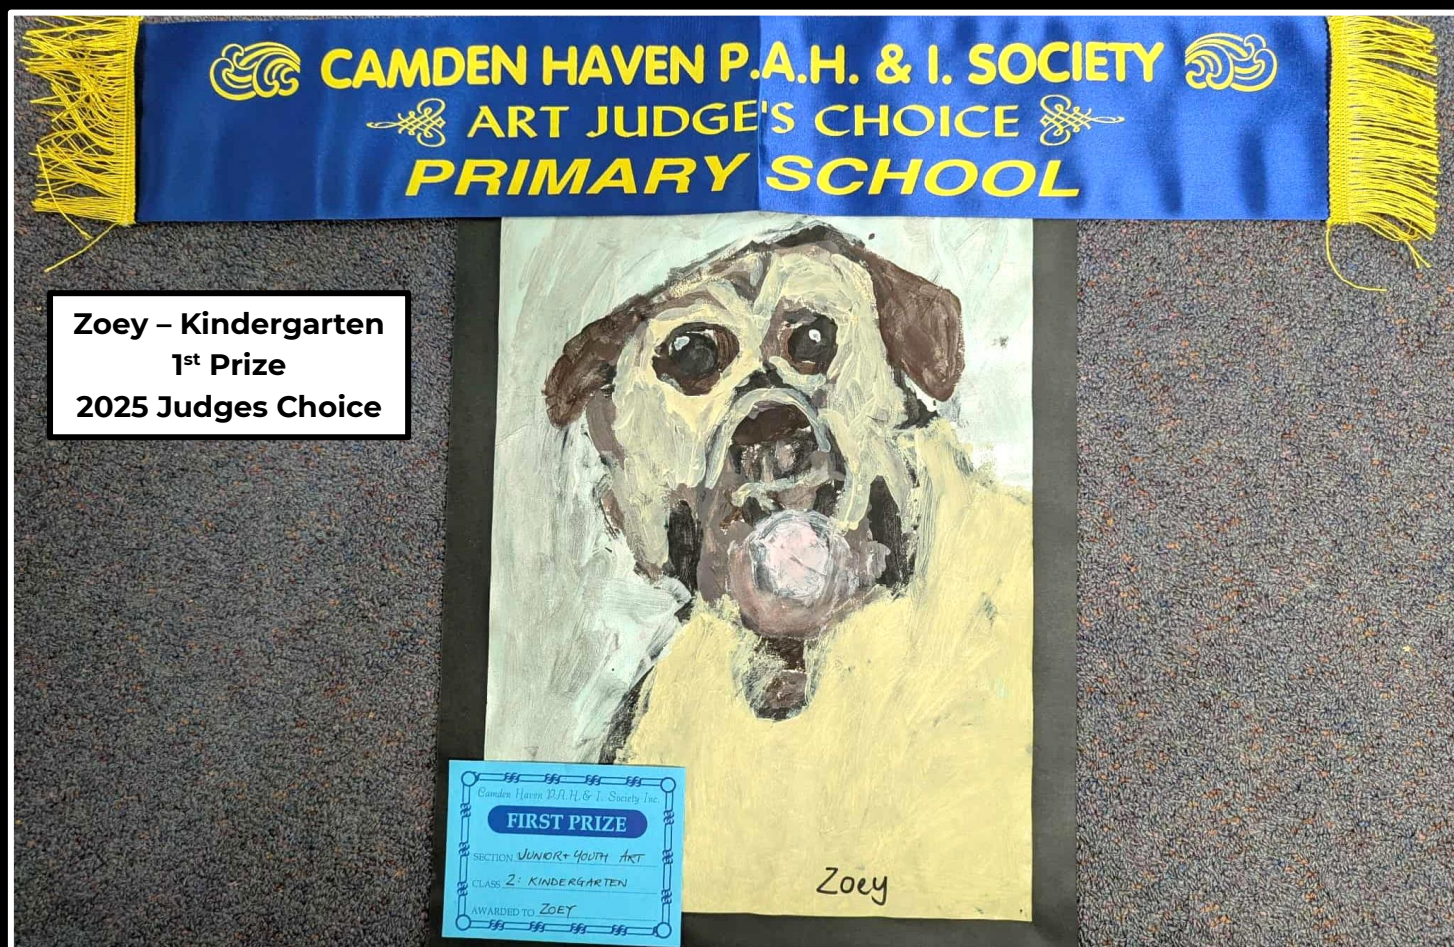

- Sporting Schools Grant: \$25 per student
- School-funded subsidy: \$25 per student
- P&C subsidy: \$50 per student

These subsidies reduce the final cost to families to just **\$30 per student**.

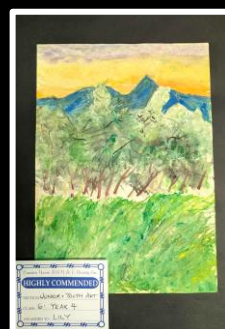

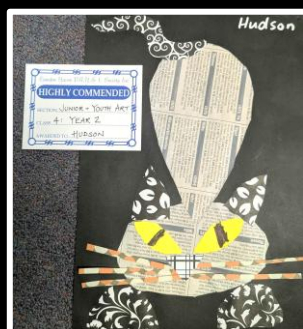

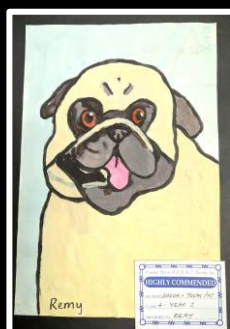

An activity will be created in Sentral shortly, along with the \$30 per student fee for payment.

As always, additional financial assistance is available for families who need it. Please contact Ms Bryden if you would like to discuss applying for extra support to cover the program cost.
