Term 3 Week 1

Tuesday 22 July 2025

Dear Parents,

Welcome back to Term 3! I trust you all had a relaxing break and are feeling refreshed. The recent rain has been a welcome gift for our gardens, paddocks, and tanks — we're certainly grateful for it.

This term is shaping up to be busy, exciting, and full of wonderful learning experiences. A key highlight is our upcoming school excursion in Week 4 — a fantastic opportunity for students to explore and learn beyond the classroom.

As we get back into routine, I'd like to remind families of the importance of regular school attendance. We noticed a slight drop towards the end of last term. Every day matters, and consistent attendance helps students stay engaged, confident, and connected. Please ensure you notify the school if your child is absent, either via phone, note, or our school app.

We've also had a few cases of head lice reported recently. To help prevent further spread, we ask that all students with hair longer than shoulder length wear it tied back — this applies to all students, regardless of gender. Your cooperation is greatly appreciated.

Save the date: Thursday 7th August 2025. Education week and Book Parade. More information to come soon.

Thank you for your ongoing support. Here's to a positive, productive, and fun-filled Term 3!

Warm regards,
Kyley Cleary
Principal

Reminder

We would like to remind you that we are not permitted to heat food for students during lunch or recess.

To ensure that your child's meals remain warm and enjoyable, we recommend purchasing a thermal food holder. These containers are designed to keep food toasty warm until it's time to eat, providing a great solution for packed lunches.

Thank you for your understanding and support!
