

HUNTERS HILL HIGH SCHOOL UNIFORM POLICY – UPDATED 08/2024

INTRODUCTION:

It is our policy that all students in Years 7 to Year 12 should wear a school uniform when attending school, or when participating in a school-organised event outside normal school hours, unless exempted from doing so by the Principal on designated days. We provide a complete list of the items needed for school uniform in our school and on our website. Effective teaching and learning requires organisation, and this starts with a smart and tidy appearance which helps to instil discipline and pride in students' appearance.

AIMS AND OBJECTIVES: Our policy is based on the notion that a school uniform

- Complied with Department of Education Uniform Policies
- Promotes a sense of identity and pride for students attending the school
- Engenders a feeling of community and belonging
- Is practical and smart
- Encourages a sense of equality among peers
- Has been designed with health and safety in mind
- Approved by the P&C particularly for affordability, quality and sustainability

ROLES AND RESPONSIBILITIES: The Governing Body

- Monitors and reviews the school uniform policy.
- Seeks the views of parents in the maintenance and creation of the policy.
- Requires the Principal to report to the Governing body on the implementation of the policy.

The uniform has been designed and endorsed by the P&C Association. It is the school community expectation that all students will wear the uniform without variation. School uniform builds a sense of community and ownership in the student body, ensuring pride in the school and its attainments as well as forming a lasting impression of the school in the wider community. It contributes to the development of student self-discipline and self-esteem, allowing clear identification within the school and community.
