

JPPS Fortnightly Update

Principal's Message

It has been a very busy couple of weeks with celebrating 100 Days of Kindergarten and Public Education & Book Week combined. Thank you to our amazing community for providing great outfits and costumes for the occasion. I hope you enjoyed participating in some of the activities, even if the weather was miserable.

I urge all Stage 2 and 3 parents to make the time to come to the **Online Guardians Parent Workshop** on Wed 20th August @6.30pm. Feedback from many parents at 3 Way Conferences were about issues with online activities at home. This session will help you and provide ongoing support. Please see the attached flyer.

I hope you all have a great weekend!

A great day out for our Stage 3 orienteers last week at the Sydney West Orienteering Championship. They won the teams event, placing 1st and 2nd beating 400 children from other schools along the way. There were also some excellent individual results, Blake 1st, Toby 3rd and Hudson 8th, Abigail (Year 5) 3rd and Isabelle (Year 6) 3rd. Congratulations!
