

JPPS Fortnightly Update Week 5 T4

Principal Message

Thank you to the outgoing 2025 P&C committee for all their hard work over the school year. We really appreciate the time and effort you gave to help our school and community. Your help made a big difference for our students, families, and teachers. Our 2026 P&C committee members are: Hayley, President; Laura & Bronwyn, Vice President; Rachel, Treasurer; Julie-Ann, Secretary; and Beth, Shirley, Nicole, Jen, Kylie and Stacey, all executive members.

Students are not to return to their classrooms after the bell at 3pm. There is no supervision in the rooms at this time. If your child is prone to forgetting things, a quick reminder in the morning may help with this.

Please do not lock babies or toddlers in cars when you are picking up your children from school or OOSH. Accidents can very easily happen, and we want to avoid them as much as possible.

Please be mindful of our neighbours around the school. Do not block their driveways when parking. They also have places to be.

2027 OC & Selective HS Testing: An email has been sent to families of students in Year 3 and Year 5. Please follow the instructions in the email. Applications close 20 February 2026.

Fortnightly update on the Parent Portal: This is the last newsletter to be emailed to parents.

From Term 4, Week 7, you will find the Fortnightly Update in the Parent Portal, under Resources. Scroll down to find the Newsletter section. All fortnightly updates will be saved in this section.

Sports News

Congratulations to Charvi and Aika on their selection into the Sydney West Girls Cricket Team for 2026.

A wonderful achievement!

Remembrance Day

We held a lovely Remembrance Day service at school where our students had time to reflect. Blake and Sienna represented JPPS and the Riverstone/Schofields Remembrance Day service.

Road Safety

Riding bikes and scooters is fun but safety is very important, especially around busy school areas. Always make sure your child is wearing a helmet and ride well-maintained bikes or scooters. Encourage them to be alert for driveways, crossings and high traffic areas. With careful supervision and safety rules, children can enjoy riding safely to and from school.
