

Jilliby Jewel Token Economy

- Jilliby Jewels will be our token economy. These tokens are laminated and cut out. Students value these as they are now worth something in exchange.
- Students receive these tokens from a teacher for displaying PBL Expectations:
Safe, Respectful and Engaged.
- Teachers give out a nominated number per day to students to ensure that 85% of students reach the desired level each term.
- Teachers hold the tokens in a pouch on a lanyard.
- Jilliby Jewels are kept by the students and returned when they see their class teacher.
- Class teachers monitor their Jilliby Jewels through the use of Class Dojo or a spreadsheet.
- These are deposited at least weekly into the class Jilliby Jewel Bank

Rewards Menu Free and Frequent

Teachers also use class Dojos for free and frequent rewards system. These rewards are given freely and students can buy rewards from a selection of items created in each class.

For example;

Individual Student Reward: Computer time; Read a book; Craft Art Activity; Sit on the teacher's Chair; shoes off etc

Whole Class Reward: Sport/game outside; Playing on the Nintendo Switch; Just Dance

session. These reward options are decided as a class and vary from classroom to classroom.

Term Awards (85%)

- Children trade their Jilliby Jewels at the end of each term to participate in a Reward Day. All students participate.
- Each Term students who achieve the required number of tokens receive a reward:
 - Topaz; Sapphire; Ruby; Diamond
- Students may build their tokens up and could in fact receive Sapphire in Week 1 Term 2 if they have enough.
- Students are given the Award by the Principal at the School Assembly
 - Students who achieve a certificate in the term are eligible to participate in the end of term reward Day or session. Eg they may receive a Topaz, Sapphire, Ruby or Diamond to participate.
 - Term 1 – In School Activities such as a game, craft/art, computer time etc. Students nominate their preferences. Generally for an hour or a session.
 - Term 2 – Movie and popcorn and a drink (In School)
 - Term 3 – Incursion (Reptile Park)
 - Term 4 – Excursion (Movies at Tuggerah)
- Term 4 – Students who achieve the required number of tokens progressively each term receive a DIAMOND Badge.
- Diamond Badge Wearers receive special privileges throughout the term such as: Line Leaders, messenger, Class Responsibilities, Separate Canteen line (first to be served)

30 Jilliby Jewels	Topaz	
60 Jilliby Jewels	Sapphire	Includes Term 1 tokens
90 Jilliby Jewels	Ruby	Includes Term 1 & 2 tokens
120 Jilliby Jewels	Diamond	Includes Term 1, 2 & 3 tokens

*****One student from 3-6 and one from K-2 with the most Jilliby Jewels will receive the **Maroon Award** at the Presentation Day Assembly at the end of the year. This includes a monetary award, usually donated by the P & C.
