

Annual General Meeting: President's Report

Thank you to everyone who attended our general meeting last week. We were able to celebrate the successes and progress of 2024—a year defined by community spirit, collaboration, and “Happiness Through Helping.” The P&C’s core mission is to foster a supportive, inclusive environment where our students, staff, and families can thrive. Last year, we continued to build on that foundation by bringing people together for events, fundraising activities, and day-to-day school life. A highlight of our collective effort was raising over \$23,000 through various initiatives. From KV Flicks to raffles, stalls, and the very popular Gentle Man’s Golf Day, our community’s generosity and hard work was truly inspiring.

We are proud to have hosted and supported an incredible line-up of events and activities:

KV Flicks

Easter Raffle

Mother’s and Father’s Day Stalls

Gentle Man’s Golf Day

KV Ladies Long Lunch and Raffle

Lisa Grant’s Christmas Portraits

KV Tote Bag Sales

Education Week BBQ

Christmas Market Crown-Making

End-of-Year Breakfast

Whole school Beach Excursion

Each event not only raised essential funds but also strengthened our ties with the wider Kangaroo Valley community. Through these collective efforts, we have been able to make a meaningful impact on student experiences.

Financial Contributions to the School

One of the great privileges of fundraising through the P&C is deciding how best to use the funds to enhance our children's education. At each meeting, the P&C carefully reviews and approves funding requests to ensure responsible use of our resources. Full details of these approvals and other motions can be found in our official meeting minutes and the P&C List of Approvals.

2024 contributed to a range of funding for school activities and resources, including:

Purchased new books and learning resources for the library and classrooms

Supplied sports equipment and art materials

Funded new school sports marquees/gazebos

Paved the school entrance with commemorative 150th bricks

Rejuvenated the kitchen garden,

Supported Platypus Camp and bus transportation for multiple school excursions.
