

# Get started with Compass

**Compass is a web-based system, which allows you to access up-to-date and meaningful information about our school and your child's progress.**

- Monitor your child's attendance and enter an explanation for absence or lateness
- View/receive important notices regarding the school and/or your child
- View your child's timetable and the school calendar
- Communicate with your child's teachers
- Access your child's assessment tasks
- View/download your child's academic reports
- Book parent-teacher conferences (for our biannual whole-school parent-teacher evenings held in Terms 1 and 3 – subject to COVID guidelines at the time)
