TERM 3 WEEK 10

Our school celebrates learning every day and our mission statement is,

“A school dedicated to providing inclusive quality learning environments, and a school culture that promotes high expectation and success for all.”

Principal's Message

Dear Parents and Carers,

Today marks the end of Term 3, and I would like to take this opportunity to sincerely thank all the families who have supported our activities throughout the term.

We wrapped up the term with a fantastic Colour Run, and it was wonderful to see so many families getting involved in the fun and helping to raise funds for our school, thank you for your support!

Term 4 will commence on Tuesday, 14th October 2025, and we are looking forward to welcoming all our students back refreshed and ready for the final term of the year.

A reminder that Preschool and Kindergarten enrolments for 2026 are now open. Our Kindergarten transition program will begin on Tuesday 28th October 2025.

Congratulations to all students who received attendance awards today for achieving over 90% attendance this term, well done!

Term 4 is always a busy and exciting time, especially for Year 6, as they prepare to celebrate their final term of primary school. Please also mark your calendars for Grandparents Day on Wednesday 29th October 2025; a much-anticipated event for our school community.

I wish all our families a safe and relaxing holiday break. Enjoy the time with your children, and we look forward to seeing everyone back for a wonderful Term 4.

Regards
Ms Martin

Student Access to NSW EduChat in Term 4

NSW EduChat is a generative artificial intelligence (GenAI) tool and is owned and designed by the NSW Department of Education.

We are excited to share that all students in years 5 to 12 will soon be able to use NSW EduChat, a cutting-edge generative Artificial Intelligence chat tool. NSW EduChat promotes equitable learning opportunities by providing students with a free, safe and effective generative AI (GenAI) tool. NSW EduChat will be made available to all Year 5 to Year 12 students in NSW public schools from Term 4 2025. It is designed to be:

- Secure and private
- Safe
- Educational

The department has taken measures to make NSW EduChat a safe and beneficial educational tool. NSW EduChat employs a comprehensive, multi-layered content filtering system to ensure interactions remain appropriate and educational.

This includes profanity filters, semantic analysis to detect harmful content, and topic restrictions. NSW EduChat has been designed to respond to students with guidance and by asking open-ended questions that encourage them to explore and share their thoughts and reasoning. This approach sets it apart from other GenAI applications, like ChatGPT.
