Mrs Higgins Principal's Message

Hello families and students,
We have had a wonderful start to Term 3 with some exciting events that have already taken place and more on the horizon.

Education Week – It was a joy to celebrate our students, staff, and community during Education Week. I am extremely proud of the dedication of our staff and the spirit of our students and community at Kootingal Public School. We strive to ensure that every student reaches their potential, not only academically but also socially and culturally. We achieve this through the diverse opportunities we provide for our students, whether through choir, dance, sport, music, or academics. I would like to thank all our teachers for their efforts in these endeavours, as it is their time and commitment that allows these opportunities to be available. We encourage our students to believe in themselves and ignite their potential, not only themselves but also each other. Let's support our peers in their achievements and celebrate their successes, allowing each other to shine.

This year, we recognised the contributions and efforts of Mrs Lawrence. She has guided our students in countless performances at both school and community events, many of which have taken place on weekends or during school holidays. For many years, she has ignited the potential in all of our Kindergarten students and has been our dedicated choir teacher for over a decade.

Our community recipient this year was Mrs Sue Simpson. Sue has dedicated many hours to the canteen, assisted at various P&C events, and is a welcome smile and presence in our school. We are grateful for her consistent support and contributions, which we greatly value.

During Education Week, our primary students enjoyed a Zoom session with author Jackie French. Students found it extremely valuable to hear about her writing process, where her ideas come from, and the experiences she has had. Students in Years 3-6 are currently engaged in a Jackie French author study, making this interaction particularly meaningful.

AFL Program – This term, our Sporting School grant allows our students to participate in AFL skills training. Students are learning the basic skills of the game from two instructors through fun and engaging activities. Additionally, there will be an after-school program running on Monday afternoons from 3:40pm to 4:40pm, starting from August 18th until September 8th, 2025. If you are interested, please see the flyer in our newsletter and sign up using the QR code.

Pie Drive – Thank you all for your support of our P&C's Pie Drive. Don't forget that collection is this Thursday, August 14th, from our school hall between 3.00pm and 5.00pm.

Book Parade & Grandparents Day – On Thursday, September 4th, we will be holding our annual Book Week costume parade. We warmly invite our grandparents to come along to view the parade, followed by open classrooms and a picnic lunch with their grandchildren. The P&C will have grazing boxes available for purchase, or you can bring a goodies basket of your own. We hope you can join us for this fun day!

Father's Day Stall – Our Father's Day stall will be held on Tuesday, September 2nd. Siblings will be able to shop together from 9.00am to 9:30am. Gifts will range from \$6 to \$8.

Zone Athletics – A massive good luck to our students who are participating in Zone Athletics this Friday. We know they will all try their best and represent Kootingal School with pride.

SRC Pyjama Day – Next Friday 22nd August students are invited to wear their PJs and bring a gold coin donation to raise money and awareness for Children in Foster Care and Stewart House. Please ensure pyjamas are suitable for school and we ask that students still wear joggers on this day not slippers.

Wishing you all a wonderful week, take care, Mrs. Higgins
