Mrs Higgins Principal's Message

Hello families and students,
Welcome to Week 8! It's great to see how our students and staff are staying dedicated and enthusiastic as the term goes on. We know a lot of students and staff are feeling under the weather right now, so please make sure your child is getting plenty of rest and remember to keep them at home if they are not well. Let's keep supporting each other and finish the term strong together!

Book Parade / Grandparents Day – What a fantastic day celebrating our love of reading and the special bond with our grandparents! The creativity and spirit shown in the Book Parade were truly inspiring, and it was wonderful to see so many families come along to share in their special day. Thank you to everyone who made the day so memorable. Thank you to our P&C for their wonderful grazing boxes yet again, they were delicious.

Parent Teacher Meetings – Our parent teacher meetings are now open to book via Sentral. These will occur on Tuesday 16th September and Tuesday 23rd September during the hours 4pm-6pm. To book an interview parents will need to log onto Sentral Parent Portal and book 1 time slot with your child's classroom teacher. Please understand these are 10 minute interviews so they are short, and our teachers need to keep to the timeframe in order to meet booked appointments. These meetings are a valuable opportunity to strengthen the partnership between home and school. It's wonderful to connect with families, celebrate student progress, and work together to support each child's learning journey.

CAPERS – Today our CAPERS students headed to Tamworth Sports Dome for a rehearsal with the other small schools. This is a wonderful event we participate in every second year, and we thank Miss Magann for all her work in preparing the students. Tickets are available to be purchased now however more information will be coming home after today's rehearsal as well.

Excursions – Stage 2 & 3 have now received paperwork regarding their excursions next term. If you have any questions, please do not hesitate to contact the school. All paperwork needs to be returned by Monday 22nd September and all payments need to be completed by Friday 26th September.

Come and Try Kindergarten 2026 - Today was the very first session of our Come and Try days. It was a very exciting and slightly daunting day for our 2026 Kindergartens. They had a wonderful afternoon reading books, playing games and becoming familiar with our school. We look forward to seeing them all again next Wednesday.

Boys Softball – Just a reminder there is a parent meeting regarding the boys softball team next Tuesday afternoon. We hope that all parents can make this event to organise this event. It will be held at 5pm in the school library.

North West Athletics – Well done to Olivia Hogg, Ava Avery, Beau Caterer, Ruby Rule & our Junior Girl Relay Team - Zoe Lye, Ava Avery, Leilah Higgins and Olivia Hogg. They represented our school and zone with pride at the North West Athletics.

Massive congratulations and good luck to Olivia Hogg who will now be competing at State in 100m and 200m.

Wishing all our families a wonderful week.
Take care, Mrs Higgins

Following extensive consultation with Cricket NSW and community members, the upcoming 2025/26 season will be seeing junior cricket in Tamworth move from a schools-based competition to a club-based competition.

The competitions will be transitioned into age-based competitions to align with junior representative and pathways cricket competitions. Furthermore, the change to club-based cricket will also provide a clearer pathway for cricketers to move through the junior space into senior cricket as they continue to grow and enjoy the game of cricket.

Currently in Tamworth there are 6 clubs that children can register with. To make for fun competitive competition, ideally, we would like all of the clubs to have good representation in all areas of participation and all age groups.

For those starting out in cricket, all of the clubs are going to continue to run a combined Saturday morning **Cricket Blast** program. As per previous years, the youngest group will commence at 08:00, with the older group commencing at 09:30. Each club only has one registration point as per the links below:

In the **Junior Cricket** space (under 9s, under 11s, under 13s, under 15s and under 17s), competitions will be run in a similar fashion to last year. Under 9s and 11s will be played on Saturday mornings, under 13s and 15s will be played Friday nights, and under 17s will be played on Monday nights. Currently in Tamworth there are 6 clubs that children can register with and each club only has one registration point as per the links below:
