

# Krambach Public School

## Growing Potential, Empowering Success

Unlock your  
child's  
potential

At Krambach PS, we believe every student has their own unique gifts and talents. It is our responsibility as their dedicated educators to identify and nurture these, growing every child's potential through our comprehensive High Potential and Gifted Education (HPGE) initiatives. Our approach at class, school and state level ensures students grow, succeed and excel in areas across the four key domains: intellectual, creative, social-emotional and physical.

### Classroom

**Our classroom practices empower high potential and gifted education students.**

- Explicit teaching
- Daily reviews
- Individual goal setting
- Flexible groupings in class
- Open ended and critical thinking projects
- Student feedback
- Student voice
- Formative, summative assessment driving teaching

### School

**Our school offers specialised classes and opportunities for growth and success.**

- Flexible grouping across stages (grades)
- Extension and enrichment programs in art, technology-coding and robotics, writing
- Leadership development
- Aboriginal Home Program
- Additional sport programs e.g hockey, gymnastics, tennis, basketball
- Kindergarten transition
- Year 7 orientation

### State

**Students participate and excel in a variety of state and national competitions and activities.**

- State and National art comps-Young Archie, NERAM, Wild at Art
- Makers Empire design thinking challenges
- Game Changer challenge
- Premier Spelling Bee
- PSSA Knockouts and gala days
- Premiers sporting challenges
- Newcastle Permanent Math comp
