

Kyogle Public School NEWSLETTER

Week 10 | Term 3 | 2025

What an amazing term we have had celebrating the excellence of our students.

At the start of this term, our staff made a commitment to learning and the value of learning. This has been highlighted in our check in assessments, public speaking and the amazing work done every single day.

Congratulations to each and every student who have achieved goals throughout the term, ranging from academic achievements, sporting goals and improved confidence in all aspects of day-to-day learning.

We wish everyone a safe and relaxing holiday and we will see you all back on **Tuesday, 14 October.**

Saturday, 27 September

- Kyogle Show

Tuesday, 14 October

- Students return for Term 4

Thursday, 23 October

- Kindergarten Transition Day #1

Celebrating Creative Arts

Congratulations to Esther Galvin whose talent, and efforts are being celebrated, representing KPS, in the Far North Coast Junior Dance Ensemble performance at the Elevate NSW State Dance Festival last week.

We would like to wish Elke, Pixie and Amber all the best at the North Coast Creative Arts Camp. This is a week long camp run by talented staff in our Public Education system, providing workshops throughout the week in music (vocal and instrumental), visual arts, dance, media and drama.

Changes to K-2 Log on

During the spring school holidays, the usernames of students in Kindergarten, Year 1 and Year 2 will be set to the department's new shortened format (student initials and the last four digits of their student reference number, such as JS1234 for example). Your child's teacher will be able to print off login credentials card if you need it.

Cyber Safety Awareness Month

October is Cyber Security Awareness Month, and this year's theme is 'Building our cyber safe culture'. It's a perfect time for us to remember that cyber security is everyone's responsibility. Our staff will be provided lessons and supports for teaching students to be safe. Please see the link provided for parents and carers.

Exciting Website Upgrade Coming Soon!

Our school website is currently being upgraded to provide a better experience to serve you better. With the upgrade, the NSW Education Parent App is being retired. You are now able to stay informed with an interactive calendar accessible through School Bytes. This new feature will make it easier to keep track of important school events and dates. We look forward to bringing you a more connected and user-friendly online experience!

Education

Being Responsible & Respectful - School Language

What is school language?

Who is responsible for using school language?

Why do we use school language?

Public Speaking Grand Final

On Thursday, 19th September, the grand final of the Rivers Public Speaking event was held at Lismore Public School.

We were proud to have two of our talented students, Isabelle from Stage 2 and Elke from Stage 3, represent our school.

Both Isabelle and Elke demonstrated great confidence and skill as they delivered their speeches without the aid of a microphone. Their ability to engage the audience and communicate effectively was truly commendable and made us all very proud.

The event was judged by a panel of community members, including the Mayor of Lismore, which made the day even more special for everyone involved.

Although Isabelle and Elke did not take out the top prize this time, their courage and dedication in competing at such a high level is a wonderful achievement. We congratulate them on their efforts and thank them for representing our school with pride.

KPS Sport Report

Casino Fun Run!
Congratulations to the little legends that ran in the 2km Primary School Cup yesterday. There were 217 kids in the race and our team of 46 kids smashed the opposition and brought the trophy back to Kyogle! It must be noted that we had 10 finishers in the top 20 - Amazing! Well done kids. Big thanks also to the parents and the P&C for their on-going support.

Well Being Words

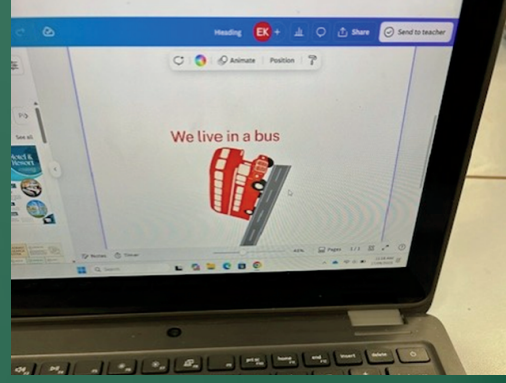

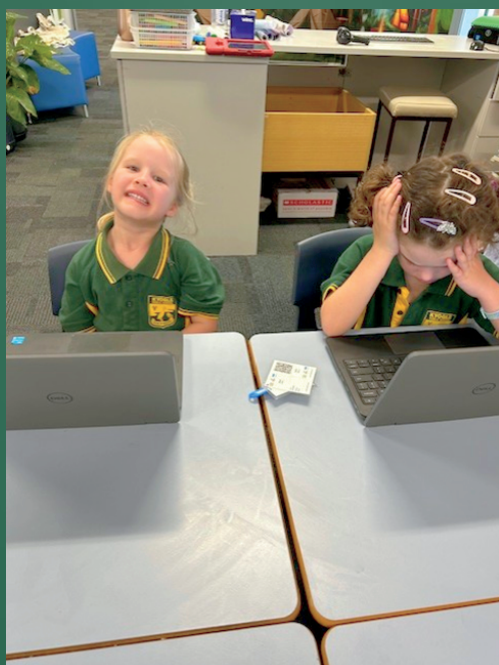

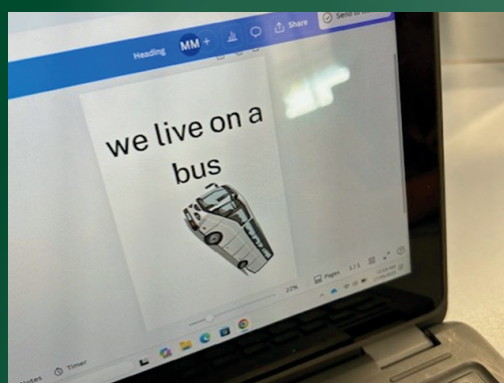

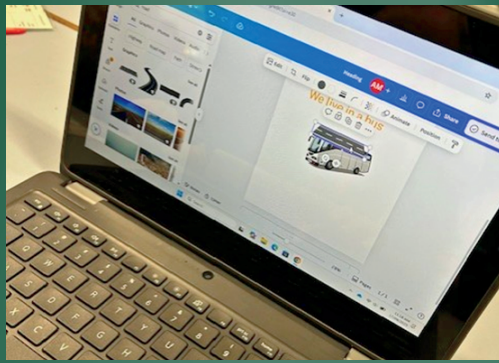

CHILDREN NEED
THE FREEDOM AND TIME
TO PLAY.
PLAY IS NOT A LUXURY.
PLAY IS A NECESSITY.

Classroom Spotlight

This term, K-1C students have been combining technology and creativity in an exciting new way. Under the careful guidance of Mrs Rankin, along with Mrs Campbell and Mel, the students have used laptops and the design platform Canva to bring together text and images to create professional looking posters. Students have explored how to use different fonts, colours and layouts to make their work stand out. They have enjoyed experimenting with a wide range of templates, graphics and images to express their ideas. Thank you Mrs Rankin for leading our exciting learning in technology. We all look forward to visiting you in the library each fortnight.
