Important Upcoming Dates

Week 4 | Term 3 | 2025

Education Week & Open Classrooms

Last Wednesday was a fabulous celebration of our amazing school. Congratulations to the award recipients and their talents recognised across the curriculum. It was a wonderful opportunity for the staff to share their classes and highlight having the opportunity for families to enjoy lunch and playtime. This is one of the amazing parts of our school and we are very proud of all the varied opportunities we can provide. We are very proud to work at Kyogle Public School and are proud of all our students.

Attendance Matters

Attending school every day allows your child to get the most out of their learning and maintain friendships. This includes attending school on rainy days, sports carnivals, Fridays and birthdays. Regular school attendance can help expand your child's learning and create positive relationships with their peers. If you require support in getting your child ready and motivated for school, please reach out to us.

School Uniform

Thank you to all students and families for the support of the school uniform policy. Wearing school uniform promotes the sense of belonging and inclusiveness. School uniforms have been supported and endorsed by the school Parent and Citizens Association. Student assistance is available for support of families to obtain a school uniform. Please ensure you label all clothing, and please drop in and check the lost property.

P&C Meeting

Last week we had our P&C meeting. This is a fabulous opportunity to meet with parents and the school, to work together to make decisions about our school. If you would like more information, please contact the school office, so we can assist in contacting our P&C team.

Parent Teacher Interviews

A huge thank you to all the families who participated in these interviews. This is such important communication and on behalf of all the staff, we very much value your insights into the students, as it helps build on what we can do together to reach each child's potential.

Casino & Kyogle Performing Arts Festival

KPS will be participating in the 2025 Casino & Kyogle Performing Arts Festival on **Monday, 22 September** - taking both our **Choir** (open to all students K-6) & our **Dance Troupe** (open to all students years 2-6).

School Uniform

What is our school uniform?

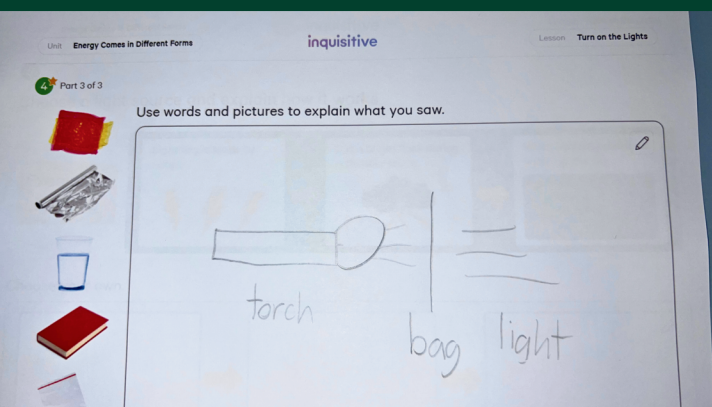

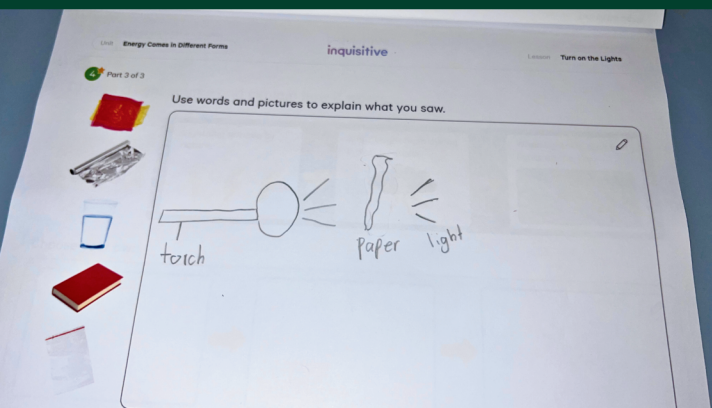

Can I wear a grey jumper to school? (Green and plain black only, if not school purchased)

Now its starting to warm up again, why is it so important to be wearing a hat at play times?

Can I wear a cap to school?

National Science Week

In Science, stage 1 are learning about light sources and how light travels in a straight line, until something stops it. Take a look at these photos of 1-2A during their science lesson with Mr. Ludwig Junior, using torches and different objects to investigate whether light can pass through it or not.

Classroom Spotlight

1-2A had a wonderful time celebrating Education Week with our open classroom. Students were so proud to show their families around, share their work, and talk about what they have been learning. Families joined in reading together, exploring our classroom displays, and completing a fun find-a-word activity. There was lots of excitement, laughter, and smiles all round. It was a special morning that students and families truly enjoyed.

KPS Sport

On Thursday of week 2, senior students represented Kyogle Public School for Rugby 7's, competing in a Gala day that was held in Casino. The event featured a round-robin format, with each school playing three shortened (7-minute halves) matches against neighbouring schools in the Northern Rivers. Our Girls team finished undefeated, demonstrating a strong passion in developing their rugby skills and hard work that paid off. Our Boys team also committed a full effort into developing their skills, embracing the challenges of Rugby 7's, focusing on rucking, and union-style play. Well done to all students involved!

KPS boys PSSA soccer team, played an exciting match against Lismore South last Thursday, coming away with a strong 5-0 win. While the score might sound one-sided, the game was anything but easy – LSPS gave it their all from start to finish.

The star of the match was LSPS's goalkeeper, who made save after save and kept the score much lower than it could have been. LSPS never gave up and put KPS under pressure more than once, forcing the KPS defenders to stay sharp and focused. It was a great team effort from both sides, and the game was full of sportsmanship, effort, and fun.

Well done to both teams for an exciting match, and congratulations to KPS on their well-earned victory!
