Week 6 | Term 3 | 2025

Individual Health Care Plans and Emergency Care Response Plans are coming home today - please keep an eye out for them. Could you please make any necessary changes, sign & return as soon as possible.

As we head into the second half of Term 3, we are very happy to see the sun shining and all the students attending school ready and eager to learn. Last week we celebrated book week, and I would like to thank the students and families for the wonderful support and special shout out to the staff and their costumes. Great job everyone.

Important Upcoming Dates

Heading into this week we are filled with fabulous academic opportunities with Check in assessments, Academic Expos and our school level public speaking final.

Don't forget all those students who have ordered a Bacon and Egg burger for this Tuesday's Stage 2 fundraiser and our canteen special Pizza orders for Wednesdays.

Last week and this week, we have welcomed our past students completing their Year 10 work experience. We have also been very lucky to welcome several university students completing their teaching practicums. Over the next 5 weeks, our Kindergarten Transition staff will be visiting the feeder preschools in preparation for our Term 4 Kindergarten Transition Program. This is a fabulous way for our staff to get to know the students and become familiar with what they like, making our transition a success. Please remember to fill in your online enrolment form or visit the office to pick up an enrolment pack. Once the completed and signed enrolment form is received, a special Kindy T-shirt can be organised for your child, which can be worn on Kindy Transition days.

Unfortunately, due to the current weather conditions and the state of the grounds, Northern Rivers Athletics Carnival was postponed to Thursday, 4th September (Week 7). This unfortunately clashes with our Stage 3 excursion. We have communicated directly with the families whose children this impacts. For some of our students who have qualified at a competitive level and have prior experience at North Coast Sports we will put in an application to Northern Rivers Zone association to be considered for North Coast Athletics.

Positive Behaviour for Learning (PBL) Focus

Respectful Audience

When do we need to be a respectful audience?

Why is it important to be a respectful audience member?

How do you feel si someone is disrespectful while you are presenting?

Public Speaking

We are excited to invite you to our semi-final public speaking event for students in Stages 2 and 3! This year's theme is "Make the World a Better Place," and our talented students are eager to share their inspiring speeches with you.

The event will take place on **Thursday, 28 August at 12:20 PM in our school hall**. Parents of the students who have advanced to this stage have already been notified, and we encourage all families to come and support our budding speakers.

From this semi-final event, one student from each stage will be selected to represent our school at the grand final public speaking event, which will be held at Lismore Public School on September 19th, alongside students from other schools.

Additionally, a small group of Stage 2 and 3 students will be taking a bus to attend the grand final event. If your child has a note to attend, please sign it and ensure they bring it along with the necessary funds by the due date if they wish to attend.

Thank you for your continued support, and we look forward to seeing you at the event!

Class Finalists:

3-4N - Lucas Figures & Nate Hyde

3-4L - Saedey Want & Keith Broomhall

3-4S - Isabelle Armstrong & Jala Moore

5-6A - Elke Dundler & Portia Studders

5-6T - Oscar Michael-Suebert & George Glassey

5-6V - Halli Cole & Caleb Mison

KPS Sport

🏆 On Tuesday, the Boys PSSA Soccer team faced off against a strong Gulmarrad Public School side in a high-stakes NSWPSSA Football Knockout match. In a tightly contested game, our boys gave it their all, showing incredible determination and teamwork. Unfortunately, the final whistle blew with a narrow 1-0 loss, bringing an end to their impressive 2025 knockout campaign. While the result wasn't what the team had hoped for, there's still a great deal to celebrate. This year's squad made history, progressing further in the competition than any other KPS boys soccer team in the past decade — a remarkable achievement that reflects their hard work, dedication, and team spirit. A special congratulations goes to Will Swordy, who was named Most Valuable Player by both KPS coaching staff for his outstanding performance in the defensive back line throughout the match. Well done to the entire team and coaching staff for an unforgettable season. You've made KPS proud!

⚡ Unfortunately, due to recent weather conditions, two upcoming sporting events have been postponed:

- Northern Rivers Zone PSSA Athletics Carnival
- Netball Gala Day

While it's disappointing for our students who were eagerly preparing to compete, the safety of all participants must come first. We understand how much effort has gone into training for these events and thank all students, staff, and families for their continued support and flexibility.

New dates for both events will be communicated as soon as they are confirmed. Until then, we encourage our athletes and netballers to stay active and game-ready!
