- Creative Arts Camp - All Week

Thursday, 25 September

- Kindergarten Excursion - Summerland Farm
- Matt King Cup - Casino

Friday, 26 September

- Last Day of Term 3

Tuesday, 14 October

- Students return for Term 4

Academic Expo

Last week marked the culmination of many months of celebration and hard work at the Kyogle Public School Academic Assembly. We are incredibly proud of every student who participated and showcased a wide range of talents. A heartfelt thank you goes to the families who support our students behind the scenes. The assembly highlighted just a small sample of the amazing achievements within our school community.

A special thank you to Mr. Ludwig, whose passion and dedication have made this project possible. His commitment, investing many hours of personal time, is truly appreciated by all.

Athletics

Congratulations to all students who competed at the North Coast Athletics Regional Championships Carnival in Coffs Harbour. We especially wish Mackenzie all the best as she has qualified to represent the North Coast Region at the State Athletics Carnival.

Attendance

Remember every day counts.

As we approach the end of term, it's important to keep showing up and making the most of every learning opportunity. Attendance matters because every lesson builds the foundation for success. Let's finish out Term 3 strong together — see you at school until the very last day!

School Social

Last week, our K-2 teachers hosted the Term 3 social event for students in Years 2-6. It was a fantastic evening, with students and staff embracing the spirit by dressing up and dancing the night away. A huge thank you to the staff who supported the event, and a big shout out to the P&C for their ongoing support of this and all our school activities.

Education

Positive Behaviour for Learning (PBL) Focus

Being a learner

Why is it important to be a learner?

Who's instructions do we follow at school, in the classrooms to help us learn?

Who do you speak to if you need help to learn?

Casino Fun Run

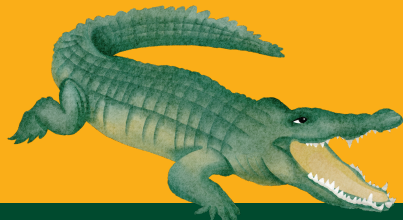

Notes coming home today with details about the Casino Fun Run on Sunday. Parents and Carers may run with the kids (if you are game!) but must exit before the finish line.

Year 5 & 6 Brisbane Excursion

Year 5 and 6 students embarked on an exciting excursion to Brisbane, packed with hands-on learning and unforgettable experiences. The trip began with a visit to the Queensland Museum and SparkLab, where students explored the wonders of electricity through interactive activities, including experiments with circuits and a live demonstration of a Tesla coil.

Next, we travelled to K'gari (Fraser Island), where students deepened their understanding of natural history, by visiting the iconic SS Maheno shipwreck and learning about the island's diverse flora. Highlights included seeing the majestic satinay and brush box trees – some over 1,000 years old! The adventure concluded at Australia Zoo, where students observed a wide variety of animals and gained insights into animal adaptations and wildlife conservation efforts. It was a memorable and educational experience that the students all thoroughly enjoyed.

KPS Sport Report

NSW PSSA Regional Championships

Last week, a KPS team of fifteen students travelled to Coffs Harbour to compete in the NSW PSSA Regional Championships. All students performed to their very best ability on the day and should have come away feeling very pleased with their efforts. One of the many highlights of the day was when Isabelle reduced her previous 1500m time by 30 seconds. An outstanding effort by Mackenzie, who came 3rd in the 12 yrs long jump and will be competing in Sydney at the State Carnival. It was a wonderful day to be a part of and a huge congratulations to everyone on their achievements.

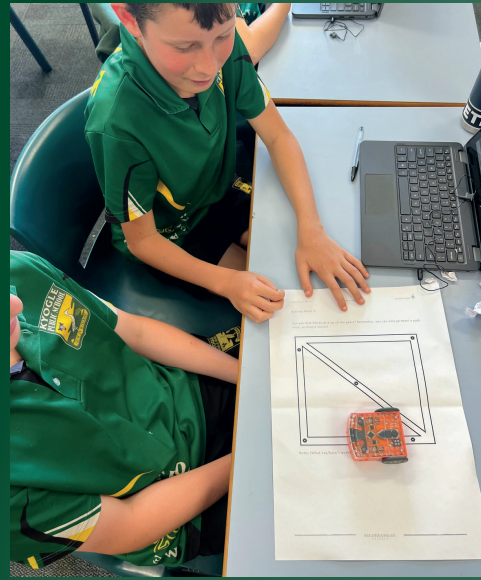

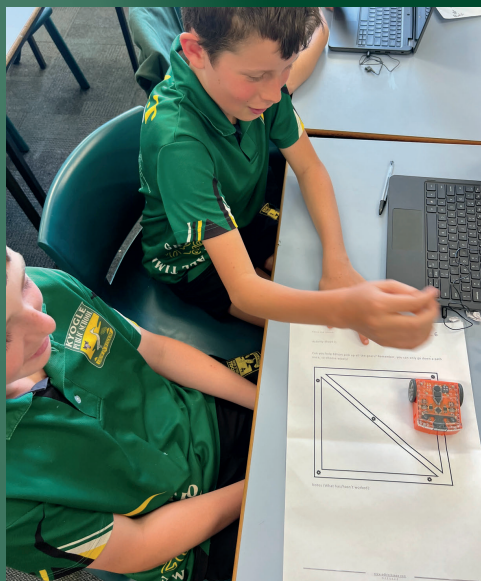

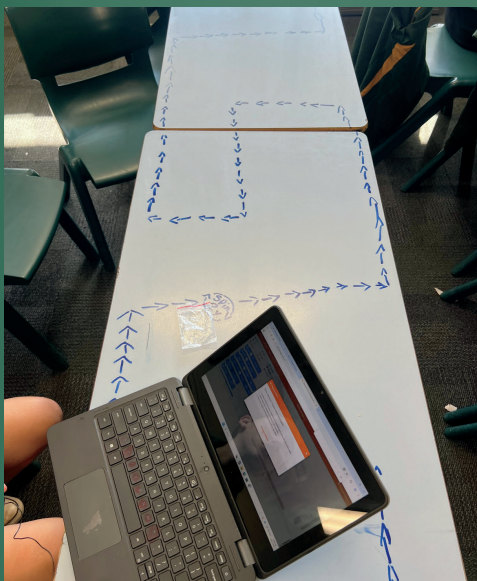

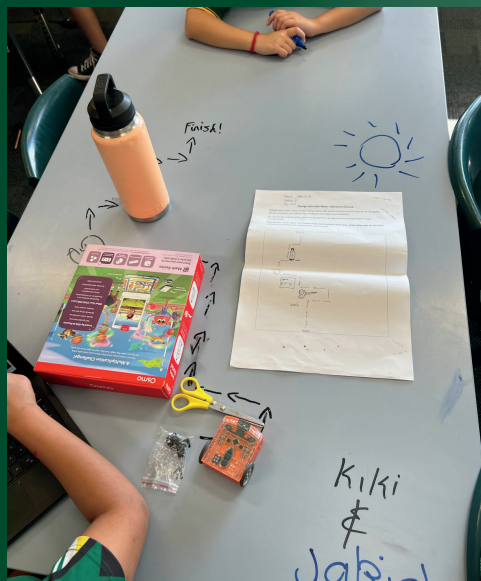

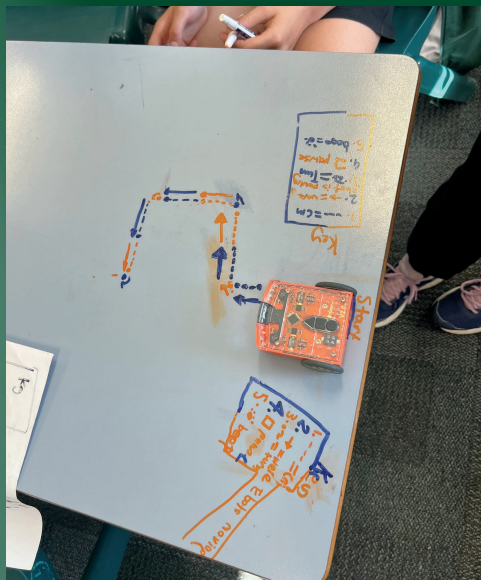

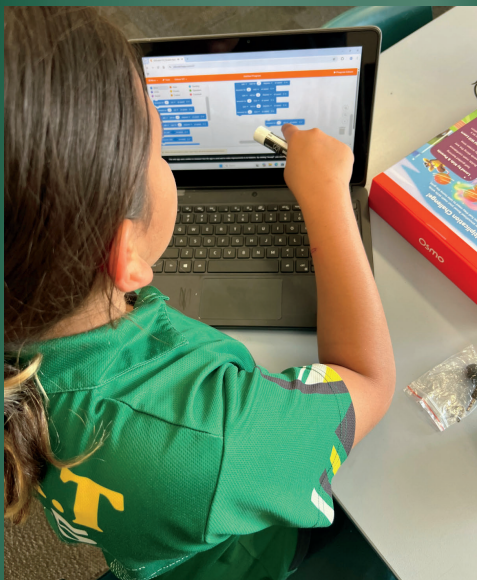

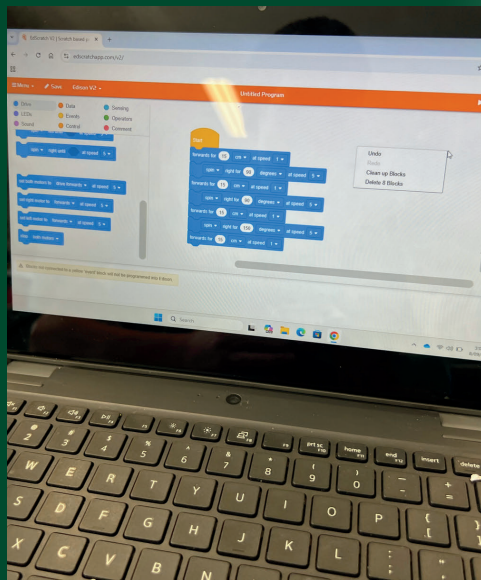

Stage 3 Netball

Last week, our Stage 3 boys and girls travelled to Ballina to take part in the School Cup netball gala day. The sun was shining and it was a fantastic day to be out on the courts. Both teams gave their very best effort in every match, showing great determination and teamwork. They came up against some tough competition and, although they didn't come away with a win, the students should be very proud of the way they supported each other and represented our school with such excellent behaviour. They were an absolute pleasure to take away. A huge thank you to all the mums, dads and grandparents who came along to cheer from the sidelines and assist with transport. We truly appreciate your support.

Classroom Spotlight

This term, our 5-6T students have been programming Edison bots, to navigate exciting obstacle courses the students created using objects from around the classroom. Through hands on challenges, they practised key coding techniques like loops, speed and direction of the bot while developing critical thinking and teamwork skills along the way. It has been a joy watching the students problem solve, celebrate each success, and learn from every “almost there” moment!

Terms and conditions

Our programs are based on the practices, principles, and outcomes of *My Time, Our Place*.

Spontaneous and self-initiated play is supported and encouraged throughout the day.

This program is subject to change at the discretion of the daily supervisor.

Excursion

On excursion day, please be at the service 30 minutes before the designated departure time. Excursions are compulsory, and our service is closed on those days.

Please ensure that your child:

- Brings a healthy packed lunch, snacks, a water bottle, hat, and spare clothes for the day. Remember that on cooking days, children will be making their own food to share.
- All our services have a no-hat, no-playing-outside policy that will be adhered to at all times.
- It is a workplace health and safety requirement that children wear covered shoes at our services for safe playing.
- Do not bring any electronic devices, including smartwatches, switches, tablets, or mobile phones to our services under any circumstances.

We provide a wide range of fun and engaging activities for all children, and there is no need for your child to bring a device for their own entertainment. If you want to contact your child during the day, you are welcome to call or SMS our service number, and our staff will relay your messages.

Service locations and costs

For full details of our services, policies, locations, times, and fees, visit nrcg.org.au/rrk/

Excursion and workshops costs listed are additional to daily fees. Childcare subsidies apply to all excursion and workshops costs (based on family Centrelink entitlements and eligibility).
