THE LAST DAY OF SCHOOL FOR STUDENTS
IS FRIDAY 19TH DECEMBER.

REMINDERS FROM THE SCHOOL OFFICE

2026 enrolments are now open—please hand in completed enrolment packs as soon as possible!

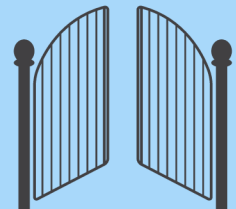

Overdue Payments

Payments for PSSA, choir, camp, and the swim scheme are now overdue. These payments are essential to secure bookings and confirm participation in these activities. As we approach the end of Term 3, please arrange payment immediately to avoid any disruptions. If you need assistance or have any questions, please contact the school office without delay. Thank you for your prompt attention to this matter.

School Sign in Process

If your child is arriving late or leaving early, they must be signed in/out at the front office with their guardian present. The guardian will receive a sign in/out note from the office to take home. Early and Late arrivals entry is through **NORTHCOTT GATE ONLY**. (Exceptions for Inclusive education unit and preschool)

**NORTHCOTT GATE
ONLY**

Uniform Reminder

Wearing your school uniform is not optional—it's an important part of being a proud member of our school community. Uniforms create a sense of belonging and show respect for our school values.

Please make sure you are wearing the complete, correct uniform every day. Let's all commit to looking sharp and representing our school with pride!

CHANGE/UPDATE OF ENROLMENT INFORMATION

Please ensure your child's emergency contact form is up to date. Having current contact information is essential so we can reach you quickly in the event of an emergency. If there have been any changes to phone numbers, addresses, or emergency contacts, please notify the school as soon as possible.

Your cooperation helps keep all students safe. Thank you!

Preschool Possums

As we count down the days until school starts, the Possums are excited to talk about going to school. Each week, we visit the library, play board games, and practice writing our names. By building school readiness skills, we're preparing the children for a smooth and exciting transition into school life in 2026."

Preschool Koalas

As we count down the days until school starts, the Koalas are excited to be attending the Lalor Park Legends program each week. We are learning about school as we get to play games, meet new friends, visit a classroom and see the playground. These visits will help prepare our students for a smooth and exciting transition into school life in 2026.

K Alpacas

Wonderful Writing

As we commence Term 4, Kindergarten have been working hard to craft longer, more detailed sentences using 'joining words' like "and" or "because"! We are really getting the hang of it!

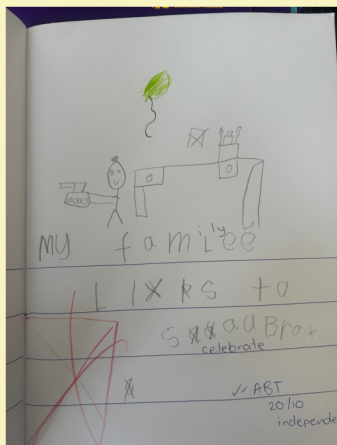

Celebrating PBL in style!

LPPS has had a revamp of our PBL system! Last Term in Weeks 9 and 10, our whole school focus was to be a learner. The K Alpacas earned the most Learner Blueys and were rewarded with their first choice - "A Glow Stick Alfie Alpaca Disco Party!"

Please Note!

- K Alpaca is now taught by Miss Roche on Wednesdays not Tuesdays after lunch.
- Library is still on Tuesday!
- Dance program in the morning on Thursday
- Kindergarten is performing at assembly in Week 4 - Friday November 7th at 12:45pm

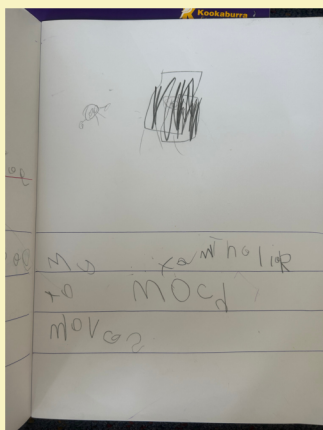

Waheroop
"celebrate."

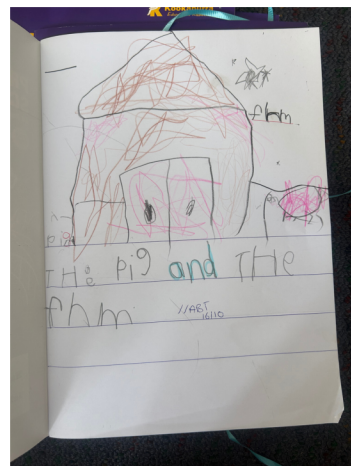

Elliot
"watch movies."

Miya
"eat crabs."

Pedro
"watch movies."

Maycee

We sound out words by stretching them
to hear each letter!
Here is an example:
"The pig and the frm."

K ALBATROSS

In maths, we practice different methods of sorting to see which was the easiest and fastest.
We used our knowledge of counting by tens and ones to find out there were 36 buttons!

Please note!

- K Albatross science is now taught by Mrs Sorenson on Monday afternoon 2-3pm.
- Kindergarten Dance Program: Thursdays 9am to 9:30.
- Kindergarten is performing at assembly in Week 4 - Friday November 7th at 12:45pm

The Bilbies, Budgies and
Flying Foxes are teaming
up for dancing every
Thursday morning for Term
4 with Dream Street Dance
in the Hall.

Dancing is an important part of creative arts because it lets children express themselves, stay active, and gain confidence.

It helps them learn about different cultures, improve coordination, and work well with others. Dance supports creativity and social skills, making classroom learning more enjoyable and well-rounded.

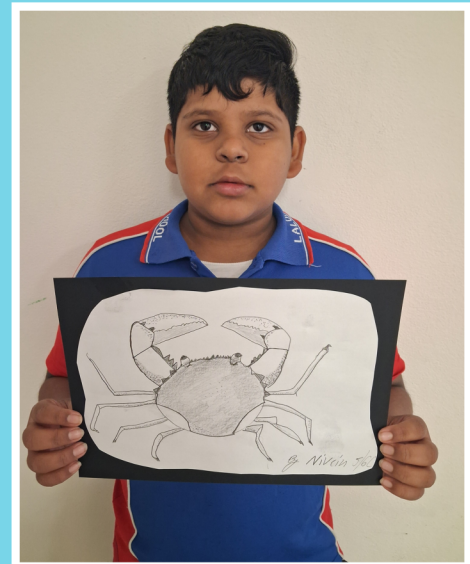

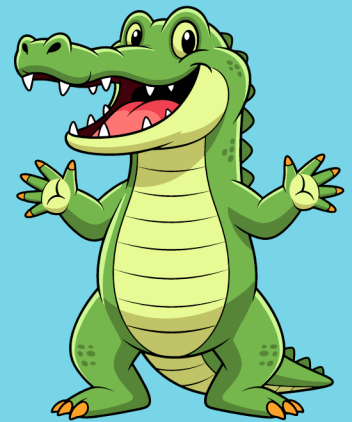

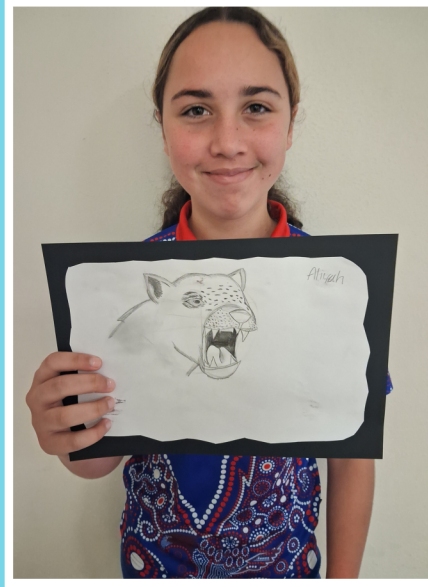

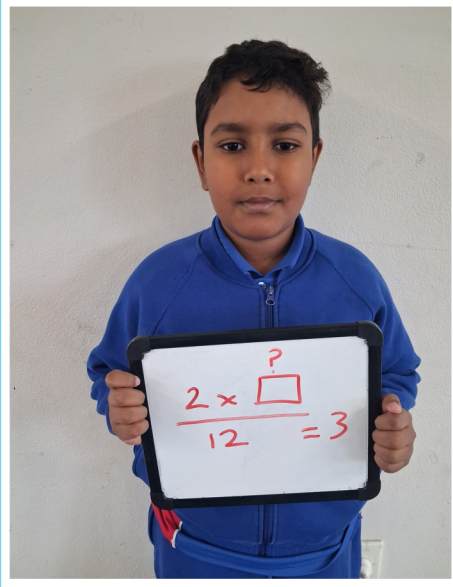

DATA with **DOLPHINS**

3-4 Dolphins have been planning and conducting surveys to collect data. We've visited many classes to ask students what they like to play with during break times.

Crocodiles 5/6C

From extension mathematics equations to vocabulary exploring hands to detailed sketching. The students in 5/6C are busy extending their skills!

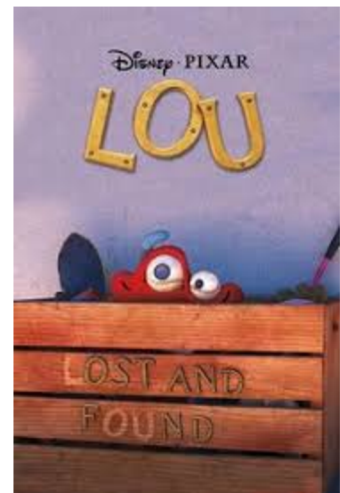

5/6 Dingoes Narrative Writing

We've had a really creative start to the term in 5/6 Dingoes! We've been diving deep into narrative writing (stories) and learning how to make them more exciting for our readers.

Our main mission has been to learn how to build tension and excitement to keep our audience on the edge of their seats!

To learn from the best storytellers, we've been studying some amazing Pixar short films, like 'For the Birds', 'Smash & Grab', and 'Lou'. We've been looking closely at how they create a problem, build suspense, and make the audience really care about what happens next.

Now, we are using everything we've learned to write our very own class story! It's called 'Don't Look Back!' and is set in a very spooky abandoned theme park.

We are brimming with fantastic ideas for twists and turns, and we can't wait to share more of our story with you as the term progresses!

SCHOOL
IS COOL

A

C

Sometimes, in the middle of a busy day filled with learning, laughing, and lots of movement, we press pause. A quiet book, a splash of colour, some sensory play—these little moments help us reset, breathe, and find our calm. It's not always planned, but when the chance pops up, we grab it! Because even superheroes need a break before their next adventure.

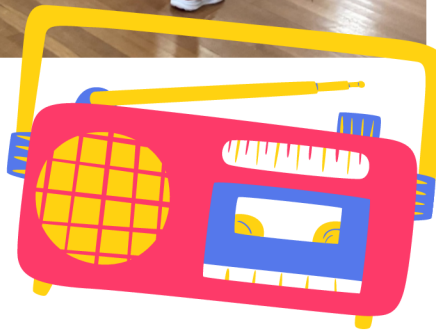

2/6 Flying Foxes

3/6- Feathertail Gliders. **OUR AMAZING ARTWORKS!**
