

Lansvale Public School Behaviour Support and Management Plan

Overview

Lansvale Public School is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged with their learning.

Our goal is to inspire every child to participate positively in the school community and beyond. We focus on promoting excellence, opportunity and success for every student, every day. We value and strive to develop safe, respectful learners in a caring learning community.

Principles of positive behaviour support, trauma-informed practice, inclusive practice, and social emotional learning underpin our daily practice. High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching, and planned responses.

To achieve our mission, key programs prioritised and valued by the school community are:

- [Positive Behaviour for Learning](#) – see [Appendix 2](#)

This program prioritises social and emotional learning which supports good mental health, positive relationships and supports prevention of bullying.

Lansvale Public School rejects all forms of bullying behaviours, including online (or cyber) bullying by maintaining a commitment to providing a safe, inclusive, and respectful learning community that promotes student wellbeing. Staff are committed to establishing evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

All members of the school community are active participants in building a welcoming school culture that values diversity and fosters positive relationships. A key component of a supportive school culture is building respectful relationships and an ethos that bullying is not accepted, in both online and offline environments. School staff actively respond to student bullying behaviour.

Partnership with parents and carers

Lansvale Public School will partner with parents/carers in establishing expectations for engagement in developing and implementing student behaviour management and antibullying strategies, by:

- inviting parent/carer and student feedback through formal and informal means, such as Tell Them From Me surveys, school surveys, consulting with the P & C and local AECG
- using concerns raised through complaints procedures to review school systems, data and practices.

Lansvale Public School will communicate these expectations to parents/carers through the school newsletter and school website. Our school proactively builds collaborative relationships with families and communities to create a shared understanding of how to support student learning, safety and wellbeing.

School-wide expectations and rules

Lansvale Public School has the following school-wide expectations and rules:

To be Proud, Respectful, Organised, Understanding and Determined learners.

PROUD	RESPECTFUL	ORGANISED	UNDERSTANDING	DETERMINED
Wearing full school uniform	Use appropriate language	Taking care of belongings	Ask for help	Making safe choices
Taking pride in work	Work co-operatively	Be on time	Restore harm	Be your best
Be kind and value others	Accept differences	Be ready to learn	Sharing with others	Overcome challenges

Behaviour code for students

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

The Behaviour Code for Students can be found at <https://education.nsw.gov.au/policy-library/policyprocedures/pd-2006-0316/pd-2006-0316-01>. This document translated into multiple languages is available here: [Behaviour Code for Students](#).

Whole school approach across the care continuum

Our school embeds student wellbeing and positive behaviour approaches and strategies in practices across the care continuum to promote positive behaviour and respond to behaviours of concern, including bullying and cyber-bullying behaviour.

These approaches and strategies are built on a foundation of evidence-based effective classroom practices that set the tone for engagement with learning and respectful relationships. These practices include:

- stating and explicitly teaching classroom expectations
- establishing predictable routines and procedures that are communicated clearly to students
- encouraging expected behaviour with positive feedback and reinforcement
- discouraging inappropriate behaviour
- providing active supervision of students
- maximising opportunities for active engagement with learning
- providing carefully sequenced engaging lessons that provide options for student choice
- differentiating learning content and tasks to meet the needs of all learners.

Care Continuum	Strategy or Program	Details	Audience
Prevention	Positive Behaviour for Learning	Positive Behaviour for Learning (PBL) is an evidence-based framework that brings together the whole-school community to contribute to developing a positive, safe and supportive learning culture. The framework assists schools to improve social, emotional, behavioural and academic outcomes for children and young people.	All
Prevention	Child protection	Teaching child protection education is a mandatory part of the syllabus.	Students K - 6
Prevention / Early Intervention / Targeted / Individual	Australian eSafety Commissioner Toolkit for Schools to prevent and respond to cyberbullying	The toolkit resources are categorised into four elements: Prepare, Engage, Educate and Respond. The resources are used to engage with the school community about creating and maintaining safe online environments to prevent cyberbullying incidents. The toolkit includes actions to report and manage cyberbullying incidents.	All
Targeted / Individual intervention	Learning and Support	The Learning and Support Team (LST) works with teachers, students and families to support students who require personalised learning and support.	All
Targeted / individual intervention	Attendance support	The LST refer students to the attendance co-ordinator who will convene a planning meeting with students, families and teachers to address barriers to improved attendance and set growth goals.	Individual students, attendance co-ordinator
Individual intervention	Individual behaviour support planning	This may include developing, implementing, monitoring and reviewing: behaviour support, behaviour response and risk management plans.	Individual students, parent/carer, LST, AP

Planned responses to positive appropriate behaviour, inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying

Planned responses to behaviour that does not meet school expectations are either teacher or executive managed. Staff use their professional judgement in deciding whether a behaviour is teacher managed or executive managed. They should consider whether the behaviour poses a risk to the safety or wellbeing of the student or others.

A behaviour of concern is challenging, complex or unsafe behaviour that requires more persistent and intensive interventions. A behaviour of concern does not include low-level inappropriate or developmentally appropriate behaviour. See Appendix 1.

- **Teacher managed** – low level inappropriate behaviour is managed by teachers in the classroom and the playground.

- **Executive managed** – behaviour of concern is managed by school executive.

Corrective responses are recorded on School Bytes. These include:

Classroom	Non-classroom setting
<ul style="list-style-type: none"> • rule reminder • re-direct • offer choice • error correction • prompts • reteach • seat change • stay in at break to discuss/ complete work • conference • detention, reflection and restorative practices • communication with parent/carer. 	<ul style="list-style-type: none"> • rule reminder • re-direct • offer choice • error correction • prompts • reteach • play or playground re-direction • walk with teacher • detention, reflection and restorative practices • communication with parent/carer.

Lansvale Public School staff model, explicitly teach, recognise and reinforce positive student behaviour and behavioural expectations. Positive Behaviour for Learning (PBL) consist of evidence-based strategies used daily by teachers to teach self-regulation, reduce impulsivity, increase focus and strengthen peer networks.

We acknowledge that not all students are encouraged by the same thing or in the same ways. Younger students may be more motivated by adult attention while older students are typically more motivated by peer attention, activities, privileges, or freedom. When learning new skills, students need immediate and frequent reinforcement and as they develop mastery they respond to intermittent and long-term reinforcement to maintain their social behavioural efforts.

The use of verbal and non-verbal specific positive feedback is the most powerful way to:

- help adults and learners to focus on positive social behaviour
- increase the likelihood that students will use the expected behaviours and skills in the future
- decrease unexpected behaviour and reduce the need for corrective responses
- enhance self-esteem and build an internal focus of control.

Prevention Responses to recognise and reinforce positive, inclusive and safe behaviour	Early Intervention Responses to minor inappropriate behaviour are teacher managed	Targeted/Individualised Responses to behaviours of concern are executive managed
1. Behaviour expectations are taught and referred to regularly. Teachers model behaviours and provide opportunities for practice. Students are acknowledged for meeting school-wide expectations and rules.	1. Refer to school-wide expectations and/or emotional regulation visuals and/or supports so that the student can self-regulate.	1. Contact office to seek help from executive straight away if there is a risk. Otherwise notify student's stage supervisor or executive ASAP and before the end of the school day.

2. Verbal and non-verbal specific positive feedback is paired with a positive, tangible reinforcer in a school-wide continuum for acknowledging expected behaviour.	2. Use indirect responses including proximity, signals, non-verbal cues, ignore, attend, praise, redirect with specific corrective feedback.	2. Executive/CT to take immediate steps to restore safety and return the situation to calm by using appropriate strategies such as: redirecting to another area or activity, providing reassurance or offering choices. Incident review and planning is scheduled for a later time, determined by the context and nature of the incident.
3. Tangible reinforcers include those that are: free and frequent moderate and intermittent significant and infrequent Intermittent and infrequent reinforcers are recorded on School Bytes.	3. Use direct responses e.g. rule reminder, re-teach, provide choice, scripted interventions, student conference. Students have an opportunity to meet the classroom/playground behaviour expectation before low-level consequence is applied.	3. Executive collects information and reviews the incident from multiple perspectives to determine next steps. Executive to record incident on School Bytes and contact parent/carer by email or phone. Executive/principal may consider further action e.g., formal caution or suspension.
4. Social emotional learning lessons are taught (PBL) weekly.	4. Teacher records on School Bytes by the end of the school day. Monitor and inform family if repeated. For some incidents, referral is made to the school's anti-racism contact officer (ARCO) or anti-bullying co-ordinator.	4. Refer to the school's Learning and Support Team considering current and previous behaviour data. Other actions may include completing a risk assessment and/or collaboratively developing a behaviour support/response plan.
Teacher/parent contact	Teacher/parent contact	Teacher/parent contact
Teacher contact through the parent portal or phone calls home are used to communicate student effort to meet expectations. Recognition awards for positive individual and class behaviour are given at fortnightly school assemblies.	Teacher contacts parents by phone or email when a range of corrective responses have not been successful. Individual planning and referral to Learning and Support Team may be discussed.	Parent/carer contact is made by school executive to discuss any support and behaviour responses, including referral to the LST, school counsellor, outside agencies or Team Around a School.

Responses to serious behaviours of concern

Responses for serious behaviours of concern, including students who display bullying behaviour, are recorded on School Bytes. These may include:

- review and document incident
- determine appropriate response/s, including supports for staff or other students impacted
- refer/monitor the student through the school learning and support team
- develop or review individual student support planning, including teaching positive replacement behaviour and making learning and environmental adjustments
- detention, reflection and restorative practices (listed below)
- liaise with [Team Around a School](#) for additional support or advice
- communication and collaboration with parents/carers (phone, email, parent portal, meeting)
- formal caution to suspend, suspension or expulsion.

The NSW Department of Education [Student Behaviour policy](#) and [Suspension and Expulsion Procedures](#) apply to all NSW public schools.

Responses to all behaviours of concern apply to student behaviour that occurs:

- at school
- on the way to and from school
- on school-endorsed activities that are off-site
- outside school hours and off school premises where there is a clear and close connection between the school and students' conduct
- when using social media, mobile devices and/or other technology involving another student or staff member.

Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support, for example through the school counselling service.

Reporting and recording behaviours of concern

Staff will comply with reporting and responding processes outlined in the:

- [Incident Notification and Response policy](#)
- [Incident Notification and Response Procedures](#)
- [Student Behaviour Policy](#) and [Suspension and Expulsion procedures](#)

Students and/or parents/carers can report cyberbullying to the [eSafety Commissioner](#) and reporting links for most sites, games and apps can be found at the [eSafety Guide](#).

Detention, reflection and restorative practices

Toilet and food breaks are always included when withdrawal from free choice play at either break is planned as a response to behaviour. The maximum length of time will be appropriate to the age/developmental level of the student.

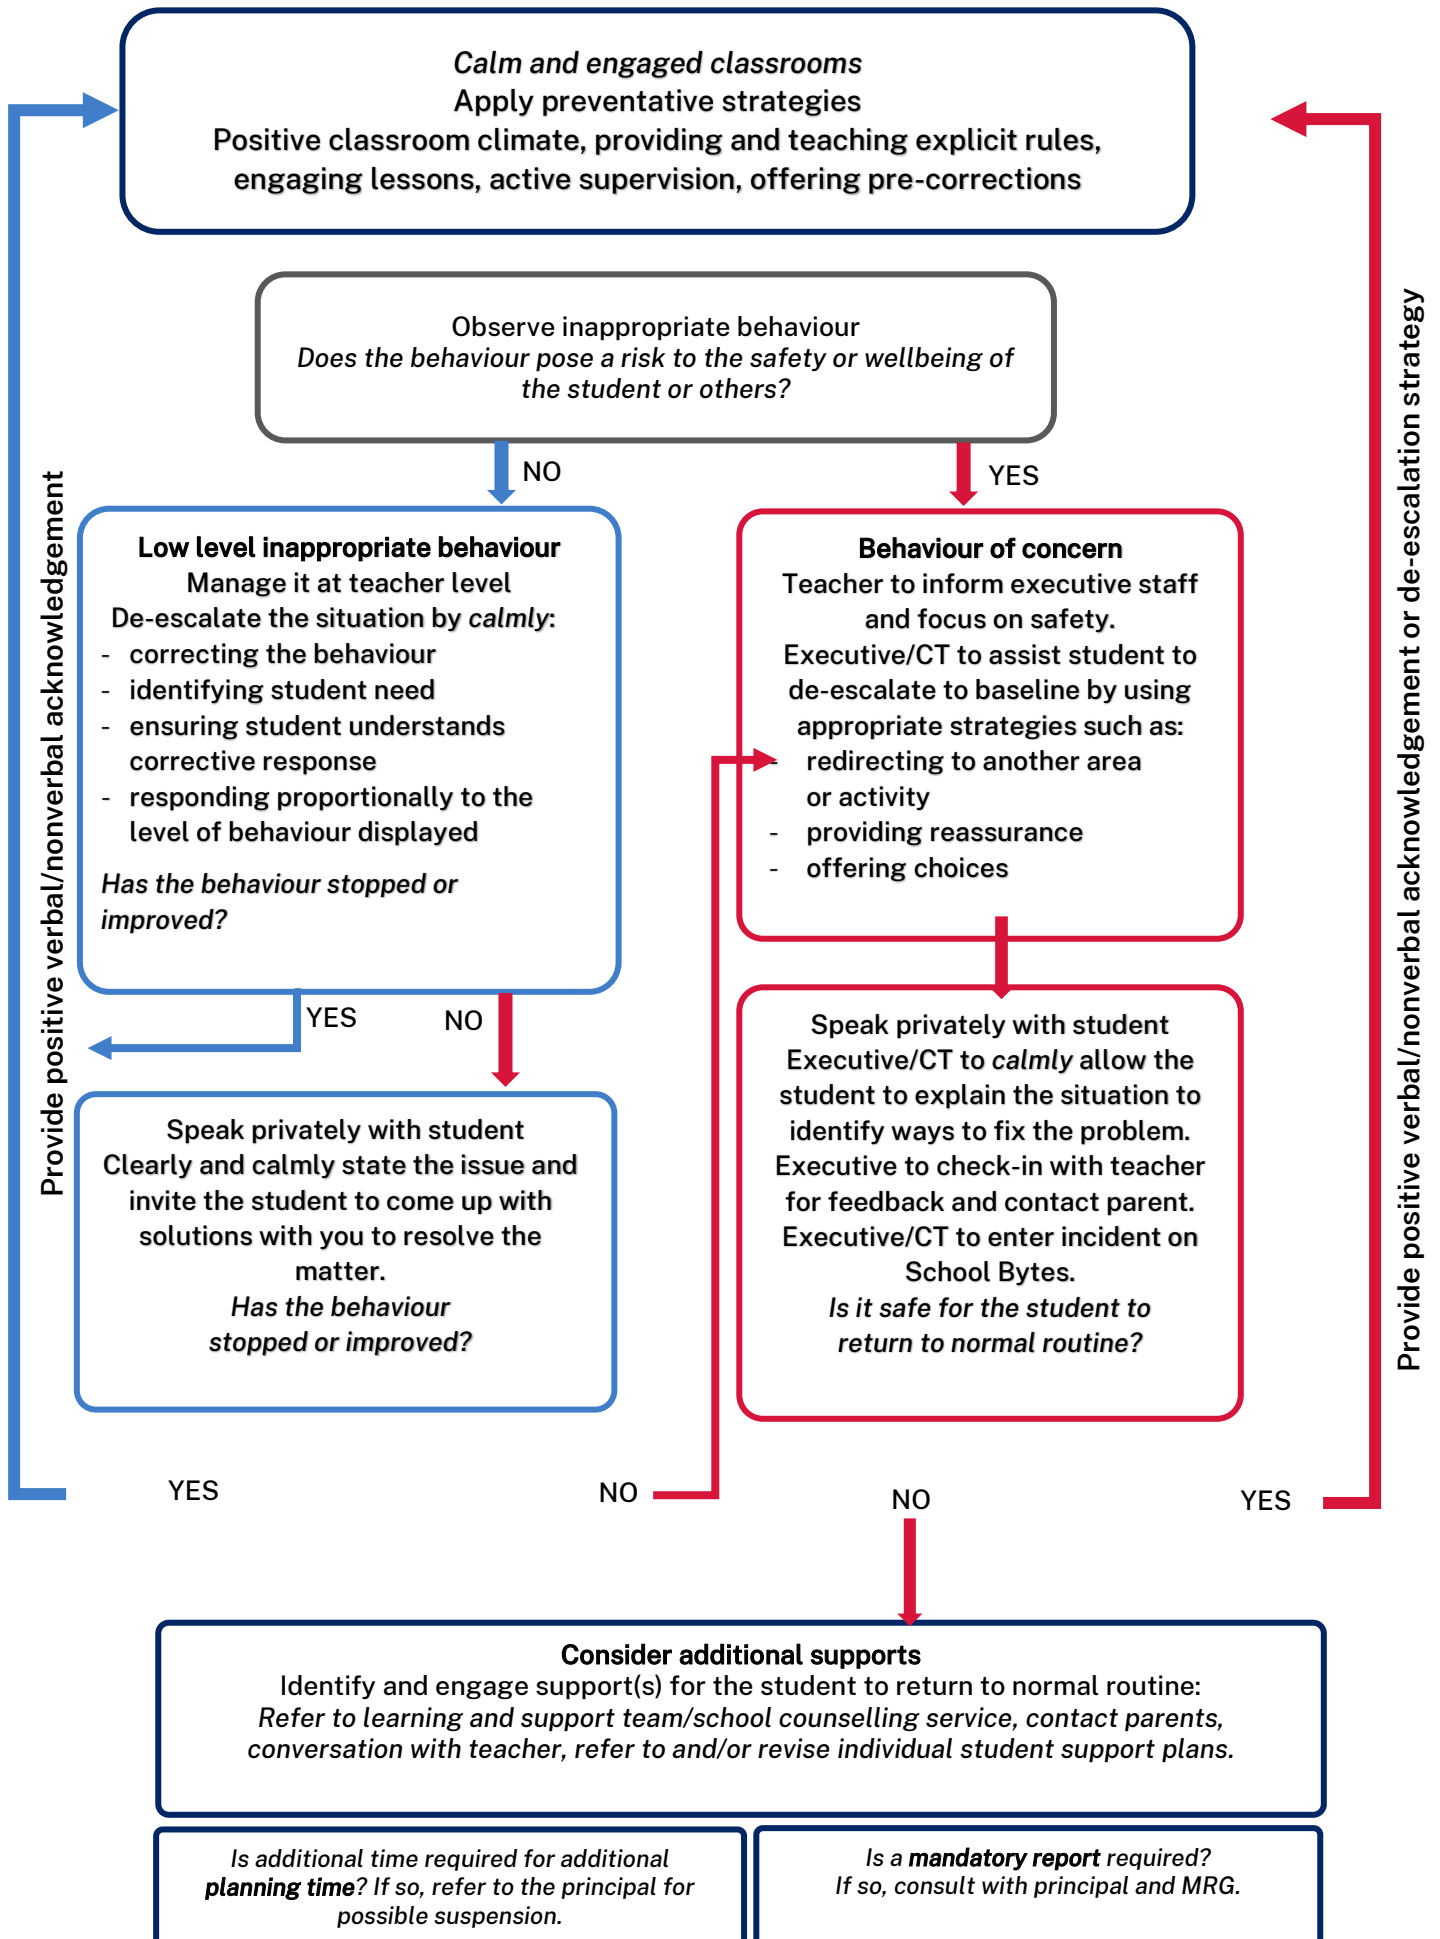

Strategy	When and how long?	Who coordinates?	How are these recorded?
3 tiered warning in-class system - Students are issued a verbal warning in class and they are provided with the opportunity to reflect on their behaviour. If behaviour continues the student may see an executive member to discuss behaviour of concern.	During class time or at either lunch or recess break	Class teacher and Assistant Principal	Documented in School Bytes
Reflection room – a structured debriefing and planning after a crisis event or behaviour of concern with an individual student (reflection)	Next day at either lunch or recess break	Assistant Principal	Documented in School Bytes
Alternate play plan – withdrawal from free choice play and re-allocation to office or classroom for supervised play following breach in behaviour. The purpose is to assist the student to achieve the desired behaviour, to reflect on their behaviour and make positive choices – individual or group (detention)	Next break	Assistant Principal	Documented in School Bytes
Restorative practice – peer mediation or circles in groups	Scheduled for either lunch or recess break	Assistant Principal	Documented in School Bytes

Review dates

Last review date: [Day 1, Term 3, 2025]

Next review date: [Day 1, Term 3, 2026]

Appendix 1: Behaviour management flowchart

Bullying Response Flowchart

The following flowchart explains the actions Lansvale Public School staff will take when they receive a report about student bullying, including bullying which may have occurred online or outside of the school setting. The timeframes will vary depending on the professional judgment of staff who receive the bullying complaint and their assessment of immediate risk to student/s.

Appendix 2

At Lansvale Public School, we believe in a whole school approach to student wellbeing and behaviour. How do we do this? We follow a process known as Positive Behaviour for Learning.

What is PBL?

Positive Behaviour for Learning (PBL) is an educational process that brings together the whole-school community to contribute to the development of a positive, safe and supportive learning culture. The PBL framework assists schools to improve social, emotional, behavioural and academic outcomes for children and young people.

What does PBL Look like at Lansvale Public School?

At LPS, we set individual, class and stage expectations that support our teachers and students. Our PROUD expectations help create positive learning environments that enable and support student learning and wellbeing.	
When students demonstrate Proud, Respectful, Organised, Understanding and Determined behaviours and academic achievement in both classroom and playground settings, teachers can acknowledge this behaviour by rewarding them with a PROUD award.	
Students stick their PROUD awards onto their personal logbook. Once a student has collected 5 PROUD awards, they will receive a Lansvale Learner, which is presented at assembly.	
A Lansvale Legend will be given to students when they achieve 5 Lansvale learners.	
When students collect 3 Lansvale Legends, they will receive their Bronze badge. This process repeats as students work towards achieving their Silver and Gold badges.	

What happens when students have achieved their badges?

With each badge, parents/carers will be invited to attend morning tea with their child to celebrate their achievements.

For each badge, students will be rewarded with the following activities:

Bronze	Silver	Gold
Picnic at Bareena Park	Incursion (TBA)	Excursion (TBA)

If you have any further questions about the PBL process or the award system, our friendly staff will be more than happy to answer any queries you might have.

Appendix 2

Lansvale Public School PBL Matrix

OUTSIDE			
We can be PROUD by...			
	Rule 1	Rule 2	Rule 3
Before School	Waiting patiently in the correct area for the 8:30am bell	Playing in bounds	Making safe choices when playing
Astro Turf	Wearing our hats	Making safe choices when playing	Keeping the area clean
Primary Quad	Wearing our hats	Making safe choices when playing	Keeping the area clean
Toilets and Bubblers	Keeping our toilets and bubblers clean	Using the toilets and bubblers appropriately during break times	Giving each other privacy
Eating Time	Using our manners while eating inside the classroom	Keeping the classroom clean	Going to the canteen after eating time
Canteen	Only going to the canteen after eating time	Using our best manners	Lining up and waiting patiently for our turn
Field	Wearing our hats	Eating before we play on the field	Sharing the space with others
Friendship garden and silver seats on the field	Wearing our hat	Making safe choices when playing	Keeping the area clean

Yarning Circle	Wearing our hat	Respectfully acknowledging the significance of this space	Keeping the area clean
Pirate Ship and Agility track	Wearing our hat	Making safe choices when playing	Taking care of our belongings
COLA and Hall COLA	Storing our belongings correctly	Walking safely	Keeping the area clean

INSIDE			
We can be PROUD by...			
	Rule 1	Rule 2	Rule 3
Inside Hall	Entering quietly	Taking care of our belongings	Showing respect and listening to the person speaking
Office	Being quiet, waiting patiently and using our manners	Being organised by knowing who sent us and why	Removing our hats
Library	Sharing the space and moving around safely	Taking care of the resources	Being respectful
Creation Station	Taking care of the equipment	Taking pride in our work	Making good choices and being sensible
Technology BYOD	Taking care of the devices	Using devices appropriately and only for learning	Charging and neatly organising devices after use
