

LARNOOK PUBLIC SCHOOL

Where Spirits Soar
Term 4- Week 2

Welcome Back to Term 4!

We hope you all enjoyed a restful and refreshing break. We are excited to see our students return ready for a busy and engaging Term 4 full of learning, events, and celebrations as we head towards the end of the school year.

A friendly reminder to please continue packing healthy lunches and full water bottles each day to keep our learners energised and focused. We have a fruit break at 10am every day, and students are to bring fruit or vegetables to munch on during this time. Our recess Tuckshop will reopen this term with a small selection of items available including chips, popcorn, sugar-free Zooper Doopers, poppers and Tiny Teddies. We also encourage students to wear full school uniform each day, supporting a sense of pride and belonging in our school.

At Larnook Public School, every day of learning counts. Regular attendance ensures students do not miss key concepts and helps them maintain strong social connections with their peers. NSW Department of Education policy requires that absences are explained within three days. If your child is away, please ensure you notify us as soon as possible.

Class Dojo continues to be our main platform for communication between home and school — please ensure notifications are turned on so you stay up to date. If you have not already joined, please do so, so you do not miss important information and updates.

We are also using **School Bytes** for explaining absences, excursion permissions and payments. As we all learn to navigate this new system, your patience is appreciated during any teething problems that may arise.

Please keep an eye on the school calendar on Class Dojo for details about upcoming events — we have several exciting incursions and excursions planned!

Volunteers Needed!

We have two exciting opportunities for families who would like to get involved this term. Our school will be participating in the Hanging Rock Talent Show on Saturday 8 November, and we are seeking volunteers to help with cooking and baking (cupcakes and slices), as well as serving on the day. Time slots and more details will be shared soon. We are also planning to build and enhance a cubby house play area and would greatly appreciate some helping hands for this project. This would be on a Wednesday coming up soon. A confirmed date and further information will be provided once arrangements are finalised.

2026 Kindergarten Transition

We ask families to help spread the word to any prospective Larnook PS families:

Our Kindergarten Transition Program will begin on Monday 3 November and run each Monday from 9:00am–12:00pm until 24 November.

From 1 December and 8 December, transition sessions will extend from 9:00am–3:10pm.

We are looking forward to a fantastic final term together. Thank you for your ongoing support in helping our students shine!

Kind regards,

M. O'Meara

Megan O'Meara
