Issue 16- Week 2 - Term 4

22 October, 2025

Dear Parents & Caregivers,

Welcome back to the commencement of Term 4. Lawson Public School has already hit the ground running with a very busy term ahead.

Stage 3 Canberra Camp

Congratulations to the Stage 3 students who attended the Canberra Camp in Week 1 of Term 4. The reports that I have received back from staff and students have been extremely positive, well done. I would like to thank the amazing staff; Miss Graham, Mr Smith, Miss Taylor, Miss Thomas, Ms Raj and Ms Cheryl for giving up their time to attend camp and support our students. I would also like to thank the amazing parents for supporting the children with attendance.

Grandparents' Day

At Lawson Public School we have Grandparents' Day scheduled for Friday 7th November 2025. We look forward to opening our school and welcoming families. Please note the following times for activities within our school.

- Picnic Lunch in the playground from 1pm (Stage 3 will be hosting a cake stall fundraiser from the canteen to raise money for their end of year celebrations)
 - School Assembly from 1:50pm in the school hall with Purple Class presenting
- Further communication will be released via School Bytes for families to plan the event.

2026 Kindergarten Transition

Our 2026 Kindergarten Transition program is due to commence in Week 3 of Term 4. We are looking forward to welcoming the new students and families into our school community. The important dates are as follows:

- Thursday 30th October – Transition Day 1
- Thursday 6th November – Transition Day 2
- Thursday 13th November – Transition Day 3
- Thursday 20th November – Transition Day 4

Week 2 Assembly – Yellow Class

This coming Friday, Yellow Class will be presenting their assembly item to the school. Please note that assemblies commence as close to 1:50pm as possible. For those who are available we look forward to seeing you on Friday.

Aboriginal Education Consultative Group (AECG) Meeting

The Week 2 AECG meeting will be conducted this coming Thursday at Katoomba North Public School, commencing at 4pm. I strongly encourage all school community members to come along and continue the discussion about Aboriginal Education in the Blue Mountains. Please note, the AGM meeting will commence prior to the general meeting.

Student Toilets

Recently, we have seen a decline in the respectful use of our student toilets space. I encourage all parents to reinforce the message to students of treating this space with respect and placing rubbish in the bins provided.

Uniform Concerns

Wearing the full school uniform is more than just a school expectation — it is a vital part of our school identity and community spirit. Recently, however, we have noticed a decline in the number of students wearing the complete uniform, an increase in the variety of hats worn in the playground. Uniforms promote a sense of belonging and pride, helping all students feel equal and focused on their learning. When students wear the full uniform, including the correct hats and accessories, it reduces distractions and supports a positive and inclusive school environment

Additionally, unlabelled clothing creates difficulties in managing lost property and can lead to frustration for both students and staff. Clearly labelled uniform items help ensure that lost belongings are returned promptly and reduce unnecessary waste.

We encourage all students and families to wear the full school uniform every day, including the correct hats, and to clearly label all clothing and belongings. By doing so, we can maintain a safe, respectful, and united school community where every student feels proud to belong. Let's work together to bring back the pride in wearing our full uniform and show respect for our school values!

Sun Safety

As the sunny weather continues, it's important for all students to stay safe while enjoying their time outdoors. At our school, sun safety is a priority to protect everyone from harmful UV rays. We ask all students to wear their school-approved hats whenever they are outside, especially in the playground. Wearing the correct hat helps shield the face, neck, and ears from the sun and reduces the risk of sunburn.

For those who do not have their hat, our school's sun safety policy is clear: no hat means play in the shade. This means students without hats are asked to stay in shaded areas during recess and lunch breaks to stay protected.

In addition to wearing hats, we encourage students to apply sunscreen before coming to school. Using a broad-spectrum sunscreen with a high SPF helps keep skin safe throughout the day, especially during outdoor activities. A sunscreen station is available for student use in the school office, which is the Cancer Council Ultra Sunscreen 50+ as per the picture. A note will be sent home shortly should you wish your child not to use our sunscreen station.

We thank parents and carers for supporting our sun safety efforts by ensuring students come to school prepared with hats and sunscreen. Together, we can create a safe, healthy environment where students can enjoy their time outside while staying protected from the sun.

Stay safe, wear your hat, and don't forget the sunscreen!

World Teachers' Day

On Friday 31st October, we honour the incredible contributions of teachers around the globe. World Teachers' Day is a time to recognise the dedication, passion, and hard work of educators who shape the minds and futures of our students.

This year's theme, "Hats Off to Teachers," highlights the pivotal role teachers play in rebuilding and strengthening education systems.

Let's come together to acknowledge and appreciate our teachers for their unwavering commitment and the inspiration they provide every day. Happy World Teachers' Day!

Important dates in Term 4

As we near the conclusion of the year there are many events that I would like to draw your attention to. They are as follows:

- Cricket sessions commencing on Monday in Week 2 for five weeks
- AECG AGM Meeting- 23rd October at Katoomba North Public School
- Primary Newcombe Ball Gala Day – 31st October

- Year 6 Farewell – 4th December
- End of Year Concert – 10th December
- Presentation Day – 12th December

Attendance Matters

Regular attendance helps students to:

- develop a sense of belonging
- develop maintain friendships
- be more engaged at school
- progress with their learning
- be more aware of career and life options.

Everyday counts. Missing just one day a fortnight can amount to four weeks of lost learning over a year. Over their school life. This can equal one year of missed learning.

2026 School Enrolments

Kindergarten enrolments and all other enrolments for 2026 are currently being taken. In order for us to prepare our classes and ensure that equitable class numbers are maintained, it is essential that we have all the information needed leading into 2026 as early as possible. If you know of someone who is enrolling at Lawson Public School and has not yet done so, could you please pass on our school details? Additionally, if you have children in Kindergarten to Year 5 and are planning on moving at the end of the year, that information is also important.

I wish you a very happy and enjoyable fortnight ahead.

My kindest regards,

Mr Tony Jeff
Principal

Canberra Camp

A big thank you to all the students, teachers, Families, and Fantastic Aussie Tours for making our camp such a fun, memorable, and successful experience! Your enthusiasm, teamwork, and positive attitudes made it truly special.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families to meet the cost of the excursion the Australian Government contributes funding to our school in the amount of \$30 per student under the Parliament and Civics Education Rebate program at the completion of the excursion.

We would like to sincerely thank our amazing P&C for their generous \$3500 contribution towards our excursion.
