Students Shaping Mental Health Support Across NSW

We are proud to announce that our students had the unique opportunity to influence mental health support across the state. Last Thursday, several Leeton High School students served as key voices at a Department of Education seminar, contributing their insights to the design and planning of a new mental health program. This important initiative will be rolled out to all NSW Department of Education schools, showcasing our students' leadership and commitment to wellbeing.

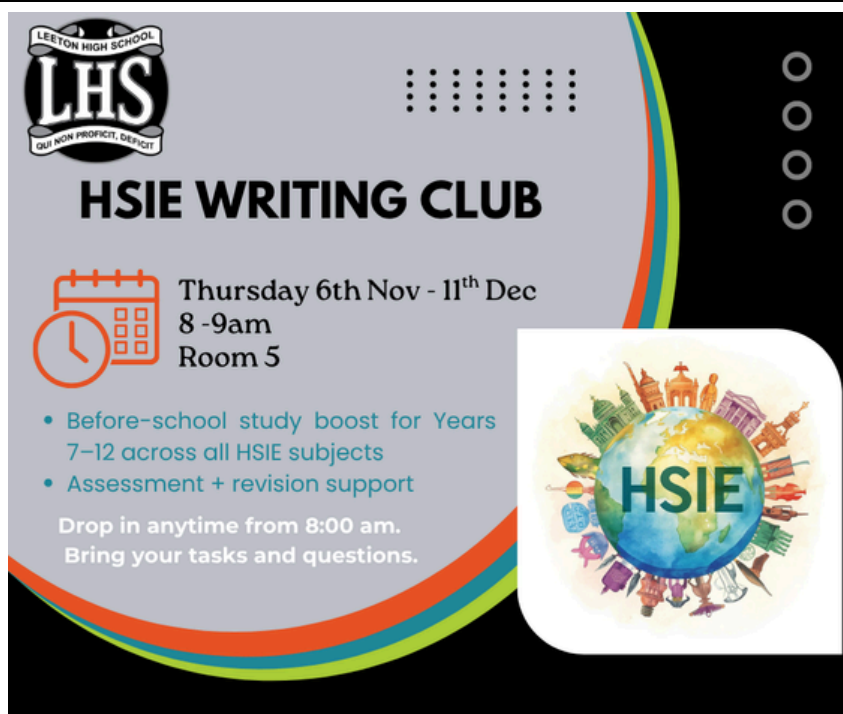

Schools Spectacular Choir Gears Up

Last week, our Schools Spectacular Choir attended their first combined rehearsal via video link, joining the Metropolitan Schools during their live rehearsal in Sydney. With just under a month to go until the event, our students are busily preparing through weekly rehearsals and another video link session scheduled in the coming weeks. Exciting times ahead!

HSIE Writing Club – Support and Success

The HSIE Writing Club commenced last week to support students in before-school sessions every Thursday from 8:00 am. With guidance from Mr. Schwab, students receive help completing assessment tasks and revising topics across all HSIE subjects from Year 7 to Year 12. The club encourages all students to join at any time from 8:00 am onwards, bringing assessment questions and revision challenges along.

The poster features the Leeton High School (LHS) logo at the top left. Below it, the text 'HSIE WRITING CLUB' is prominently displayed. To the right of the title, there are five vertical dots. Below the title, a calendar icon is shown next to the text 'Thursday 6th Nov - 11th Dec 8-9am Room 5'. A list of bullet points follows: 'Before-school study boost for Years 7-12 across all HSIE subjects' and 'Assessment + revision support'. Below the list, it says 'Drop in anytime from 8:00 am. Bring your tasks and questions.' On the right side of the poster, there is a vertical column of five circles. At the bottom right, there is a circular graphic with a globe in the center, surrounded by various school-related icons, and the text 'HSIE' is written across the globe.

Ready to Learn – Bring Your Equipment!

Dear Students and Parents,

As we dive deeper into the term, we want to remind everyone about the importance of being prepared for each lesson. Coming to class with the right equipment not only enhances your learning experience but also helps you stay engaged and actively participate.

What You Need to Bring:

1. **Student Diary and Timetable:** Keep track of your classes and assignments with your diary and timetable.
2. **Basic Supplies:** Don't forget your pens, pencils, ruler, erasers, and highlighters. These are essential for taking notes and completing assignments.
3. **Notebooks and Binders:** Keep your notes organised by bringing the appropriate notebooks or binders for your subjects. A well-organised system will help you review and study more efficiently.
4. **Textbooks:** Make sure to bring the required textbooks and workbooks for each subject. Having these materials handy will allow you to follow along during lessons and complete your homework effectively.
5. **Special Equipment:** If your class involves any specific subject materials such as calculator, sports gear etc please remember to bring those as well.

Why It Matters:

Being prepared for class is crucial for your success. It allows you to participate fully, ask questions, and engage with the material. When you come equipped and ready to learn, you set yourself up for a productive and enjoyable learning experience.

Let's Work Together:

We encourage parents to support their children in preparing for each day's lessons. A quick check the night before can make all the difference in ensuring that students have everything they need.

Thank you for your cooperation and commitment to making this a successful term. Let's all work together to create a positive and engaging learning environment!

ATTENDANCE MATTERS

It is important that **ALL** student absences are explained within 7 calendar days of the first day of any period of absence.

This can be done in a number of different ways:

1. Reply to the text message on the day you receive it
2. Reply via the Sentral for Parents App
3. Send an email to leeton-h.school@det.nsw.edu.au
4. Phone the school on 6953 2122
5. Send a note with your child

**Days

If your child misses as
little as

day per week

they will miss

8 

weeks of school
per year

which adds up to over

2.5

years missed over
their school life

Attendance matters means explaining all absences

If your child is:

- Sick
- Has a medical appointment
- Has to travel for family business
- Involved in Sorry Business

Let us know

So we can plan continued
