Principal's Message

Dear Parents and Carers,

I am incredibly proud of the many achievements our students have made throughout this term. Equally, I want to acknowledge our dedicated staff members who continually go above and beyond to provide our students with a wide range of opportunities to reach their full potential across all areas of learning. Their commitment and passion are truly inspiring, and together, we continue to foster a supportive and enriching learning environment for all.

Badge and Growth and Attainment Assemblies and Open Classrooms

Thank you to everyone who has joined us over the past few weeks to celebrate their child's success, whether at our Growth and Attainment or Badge Assemblies, or during our Open Classroom sessions. As you know, we highly value the partnership between home and school and strive to create as many opportunities as possible to share your child's progress with you.

It is incredibly encouraging to see the number of families and community members joining us continue to grow. This partnership is having a positive impact on our students' lives, contributing to their success and fostering a strong sense of belonging and connection. This connection not only improves attendance rates but also enhances academic outcomes, as demonstrated by our recent NAPLAN results and the increasing number of students receiving their Badges.

This term, we are proud to announce a record number of students earning their Gold Badge, surpassing the previous record by 23 students.

The Community Resource Fair

The Community Resource Fair was a wonderful success. I would like to extend my sincere thanks to all the vendors who supported the event by providing valuable information to our community members. Due to the positive response, we plan to hold resource fairs on a semesterly basis moving forward.

If you attended, please take a moment to complete the survey sent to you via the Parent Portal. Your feedback is greatly appreciated and will help us improve future events.

Zone Athletics Student Records

As I mentioned recently, our students performed exceptionally well at the Zone Athletics Carnival, proudly taking home the Mt Druitt Zone Champion School plaque. I am also pleased to share that several of our students set new Zone records!

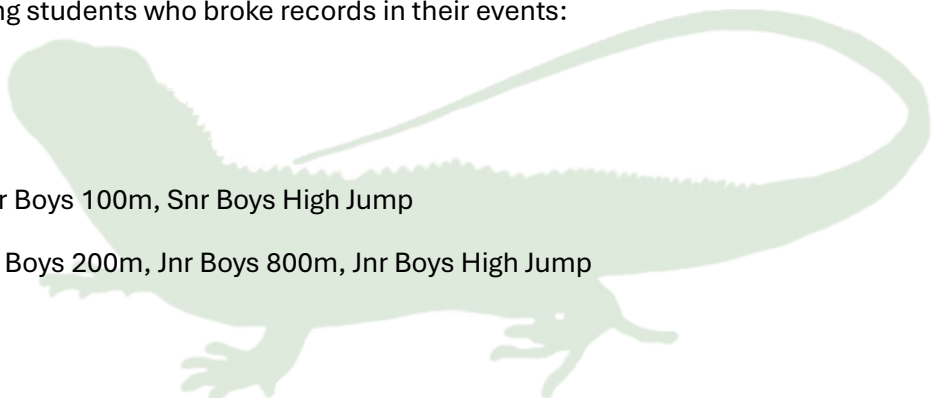

Congratulations to the following students who broke records in their events:

7th Support Class starting 2026

We are extremely excited to announce that our exemplary Support Unit will be expanding to seven classes in 2026! This growth will enable us to better support students with diagnosed disabilities, both now and in the future. With this expansion, we are also pleased to share that a Deputy Principal Inclusion and Support position will be established from next year to provide dedicated leadership and support for our Support Unit students, their families, and staff members.
