

Leura Public School Behaviour Support and Management Plan

Overview

Leura Public School is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged with their learning.

Our goal is to inspire every child to participate positively in the school community and beyond. We focus on promoting excellence, opportunity and success for every student, every day. We value and strive to develop respectful, responsible and resilient students who are safe, in a caring learning community.

Principles of positive behaviour support, trauma-informed practice, inclusive practice, and social emotional learning underpin our daily practice. High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching, and planned responses.

To achieve our mission, key programs prioritised and valued by the school community are:

- Positive Behaviour for Learning – Core Values:

Responsibility

Respect

Resilience

- Second Step Program
- Berry Street Trauma Informed

These programs prioritise social and emotional learning which supports good mental health, positive relationships and prevention of bullying.

Leura Public School rejects all forms of bullying behaviours, including online (or cyber) bullying, by maintaining a commitment to providing a safe, inclusive, and respectful learning community that promotes student wellbeing. Staff are committed to establishing evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

All members of the school community are active participants in building a welcoming school culture that values diversity and fosters positive relationships. A key component of a supportive school culture is building respectful relationships and an ethos that bullying is not accepted, in both online and offline environments. School staff actively respond to student bullying behaviour.

Partnership with parents and carers:

Leura Public School will partner with parents/carers in establishing expectations for engagement in developing and implementing student behaviour management and antibullying strategies, by:

- inviting parent/carer and student feedback through formal and informal means, such as Tell Them From Me surveys, school surveys, consulting with the Parents & Carers and local Aboriginal Educational Consultative Group.
- using concerns raised through complaints procedures to review school systems, data and practices.

Leura Public School will communicate these expectations to parents/carers through the school website, at parent/teacher information nights and the Sentral Parent Portal. Our school proactively builds collaborative relationships with families and communities to create a shared understanding of how to support student learning, safety and wellbeing.

School-wide expectations and rules

Leura Public School has the following school-wide Core Values underpinning the PBL program:

Responsibility

Respect

Resilience

Behaviour code for students:

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

The Behaviour Code for Students can be found at <https://education.nsw.gov.au/policy-library/policyprocedures/pd-2006-0316/pd-2006-0316-01>. This document translated into multiple languages is available here: [Behaviour Code for Students](#).

Whole school approach across the care continuum:

Our school embeds student wellbeing and positive behaviour approaches and strategies in practices across the care continuum to promote positive behaviour and respond to behaviours of concern, including bullying and cyber-bullying behaviour.

These approaches and strategies are built on a foundation of evidence-based effective classroom practices that set the tone for engagement with learning and respectful relationships. These practices include:

- stating and explicitly teaching classroom expectations
- establishing predictable routines and procedures that are communicated clearly to students
- encouraging expected behaviour with positive feedback and reinforcement
- discouraging inappropriate behaviour
- providing active supervision of students
- maximising opportunities for active engagement with learning
- providing carefully sequenced engaging lessons that provide options for student choice
- differentiating learning content and tasks to meet the needs of all learners.

Care Continuum	Strategy or Program	Details	Audience
Prevention	<u>Positive Behaviour for Learning</u>	The Positive Behaviour for Learning program is an evidence-based comprehensive behaviour system that teaches the expected positive behaviours and rewards them accordingly.	All
Prevention	<u>Second Step</u>	This program aims to identify strengths in students and build on these strengths. It helps build a positive mindset and resilience in students and staff through explicit social emotional learning.	All
Prevention	<u>Berry Street</u>	This program aims to provide practical teaching strategies to support students with trauma backgrounds to feel safe and able to participate at school. The strategies are used across all classrooms to assist in creating inclusive, safe and calming classrooms.	All
Target Intervention Program	<u>Peaceful Kids</u>	This is an evidence-based social skills program that is implemented as a tier two intervention for students across the school.	All
Prevention	<u>Child protection</u>	Teaching child protection education is a mandatory part of the syllabus.	Students K - 6
Prevention / Early Intervention / Targeted / Individual	Australian eSafety Commissioner <u>Toolkit for Schools</u> to prevent and respond to cyberbullying	The toolkit resources are categorised into four elements: Prepare, Engage, Educate and Respond. The resources are used to engage with the school community about creating and maintaining safe online environments to prevent cyberbullying incidents. The toolkit includes actions to report and manage cyberbullying incidents.	All
Prevention / Early Intervention / Targeted / Individual	Police Youth Liaison Officer (PYLO)	The PYLO delivers talks to Years 5 and 6 each on Cyber-Safety. They aim to inform students of how to stay safe online and be able to recognise threats and stalking online.	Students 5- 6
Targeted / Individual intervention	<u>Learning and Support</u>	The LST works with teachers, students and families to support students who require personalised learning and support.	All
Targeted / individual intervention	<u>Attendance support</u>	The LST assess and help teams across the school to facilitate planning meetings with students, families and	Individual students, K-6 Exec and school

Care Continuum	Strategy or Program	Details	Audience
		teachers to address barriers to improved attendance and set growth goals.	teams, DoE attendance co-ordinator
Individual intervention	<u>Individual behaviour support planning</u>	This may include developing, implementing, monitoring and reviewing: behaviour support, behaviour response and risk management plans.	Individual students, parent/carer, LAST, AP

Planned responses to positive appropriate behaviour, inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying:

Planned responses to behaviour that does not meet school expectations are either teacher or executive managed. Staff use their professional judgement in deciding whether a behaviour is teacher managed or executive managed. They should consider whether the behaviour poses a risk to the safety or wellbeing of the student or others.

Behaviour of concern is challenging, complex or unsafe behaviour that requires more persistent and intensive interventions. Behaviour of concern does not include low-level inappropriate or developmentally appropriate behaviour. See Appendix 1.

- **Teacher managed** – low level inappropriate behaviour is managed by teachers in the classroom and the playground.
- **Executive managed** – behaviour of concern is managed by school executive.

**Respect
Responsibility
Resilience**

STEP 5	Principal
STEP 4	Assistant Principal
STEP 3	Reflect & Correct (Buddy Class)
STEP 2	In Class Reflect & Correct
1st 2nd 3rd STEP 1	3 Verbal Warnings Go to STEP 2

Our Award System at Leura Public School

Students at LPS can be given a level one award for being a **respectful, resilient or responsible** student, or for doing wonderful work in the classroom.

Level Ones

When a student receives 10 level one awards, they submit these to their teacher to be awarded a level two certificate during the weekly assembly.

Level Two

When a student receives 5 level twos or 4 level twos and 1 values award, they submit those to the office to be awarded a level three during a Principal's Assembly (twice a term).

People's Choice Awards

Students in each class nominate and vote for award recipients who have consistently demonstrated respectful, responsible or resilient learner behaviours.

Playground Pick

Students are given a playground pick during break times for displaying respectful, resilient or responsible behaviour.

Value Awards

Awarded by classroom leaders.

Corrective responses are recorded on the Sentral system. These include:

Classroom	Non-classroom setting
• rule reminder • re-direct • offer choice • error correction	• rule reminder • re-direct • offer choice • error correction

• prompts • reteach • seat change • reflect and correct time • stay in at break to discuss/ complete work • conference • restorative practices • communication with parent/carer.	• prompts • reteach • play or playground re-direction • walk with teacher • restorative practices • communication with parent/carer.
--	---

Leura Public School staff model, explicitly teach, recognise and reinforce positive student behaviour and behavioural expectations. PBL, Second Step and Berry Street, consist of evidence-based strategies used daily by teachers to teach self-regulation, reduce impulsivity, increase focus and strengthen peer networks.

We acknowledge that not all students are encouraged by the same thing or in the same ways. Younger students may be more motivated by adult attention while older students are typically more motivated by peer attention, activities, privileges, or freedom. When learning new skills, students need immediate and frequent reinforcement and as they develop mastery they respond to intermittent and long-term reinforcement to maintain their social behavioural efforts.

The use of verbal and non-verbal specific positive feedback is the most powerful way to:

- help learners to focus on positive social behaviour
- increase the likelihood that students will use the expected behaviours and skills in the future
- decrease unexpected behaviour and reduce the need for corrective responses
- enhance self-esteem and build an internal focus of control.

Prevention Responses to recognise and reinforce positive, inclusive and safe behaviour	Early Intervention Responses to minor inappropriate behaviour are teacher managed.	Targeted/Individualised Responses to behaviours of concern are executive managed
1. Behaviour expectations are taught and referred to regularly. Teachers model behaviours and provide opportunities for practice. Students are acknowledged for meeting school-wide expectations and rules.	1. Refer to school-wide expectations and/or emotional regulation visuals and/or supports so that the student can self-regulate.	1. Contact office to seek help from executive straight away if there is a risk. Otherwise notify student's stage supervisor or executive ASAP and before the end of the school day.
2. Verbal and non-verbal specific positive feedback is paired with a positive, tangible reinforcer in a school-wide continuum for acknowledging expected behaviour.	2. Use indirect responses including proximity, signals, non-verbal cues, ignore, attend, praise, redirect with specific corrective feedback.	2. Executive/CT to take immediate steps to restore safety and return the situation to calm by using appropriate strategies such as: redirecting to another area or activity,

		providing reassurance or offering choices. Incident review and planning is scheduled for a later time, determined by the context and nature of the incident.
3. Tangible reinforcers include those that are: free and frequent – playground and classroom – playground picks. Level 1, 2 and 3 Awards.	3. Use direct responses e.g. rule reminder, re-teach, provide choice, scripted interventions, student conference. Students have an opportunity to meet the classroom/playground behaviour expectation before low-level consequence is applied.	3. Executive collects information and reviews the incident from multiple perspectives to determine next steps. Executive to record incident on Sentral and contact parent/carer by email or phone. Executive/principal may consider further action e.g., formal caution or suspension.
4. Social emotional learning lessons are taught aligned with PBL Expectations and lessons from Second Step.	4. Teacher records on Sentral system. Monitor and inform family if repeated. For some incidents, referral is made to the school's anti-racism contact officer (ARCO) or anti-bullying co-ordinator.	4. Refer to the school's Learning and Support Team considering current and previous behaviour data. Other actions may include completing a risk assessment and/or collaboratively developing a behaviour support/response plan.
Teacher/parent contact	Teacher/parent contact	Teacher/parent contact
Teacher contact through the parent portal or phone calls home are used to communicate student effort to meet expectations. Recognition awards for positive individual and class behaviour are given at fortnightly school assemblies.	Teacher contacts parents by phone or email when a range of corrective responses have not been successful. Individual planning and referral to Learning Support Team may be discussed.	Parent/carer contact is made by school executive to discuss any support and behaviour responses, including referral to the LST, school counsellor, outside agencies or Team Around a School.

Responses to serious behaviours of concern

Responses for serious behaviours of concern, including students who display bullying behaviour, are recorded on Sentral system. These may include:

- review and document incident
- determine appropriate response/s, including supports for staff or other students impacted
- refer/monitor the student through the school learning and support team
- develop or review individual student support planning, including teaching positive replacement behaviour and making learning and environmental adjustments
- reflection and restorative practices (listed below)
- liaise with [Team Around a School](#) for additional support or advice
- communication and collaboration with parents/carers (phone, email, parent portal, meeting)
- formal caution to suspend, suspension or expulsion.

The NSW Department of Education [Student Behaviour policy](#) and [Suspension and Expulsion Procedures](#) apply to all NSW public schools.

Responses to all behaviours of concern apply to student behaviour that occurs:

- at school
- on the way to and from school
- on school-endorsed activities that are off-site
- outside school hours and off school premises where there is a clear and close connection between the school and students' conduct
- when using social media, mobile devices and/or other technology involving another student or staff member.

Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support, for example through the school counselling service.

Reporting and recording behaviours of concern

Staff will comply with reporting and responding processes outlined in the:

- [Incident Notification and Response policy](#)
- [Incident Notification and Response Procedures](#)
- [Student Behaviour Policy](#) and [Suspension and Expulsion procedures](#)

Students and/or parents/carers can report cyberbullying to the [eSafety Commissioner](#) and reporting links for most sites, games and apps can be found at the [eSafety Guide](#).

Reflection and restorative practices

Toilet and food breaks are always included when withdrawal from free choice play at either break is planned as a response to behaviour. The maximum length of time will be appropriate to the age/developmental level of the student.

Strategy	When and how long?	Who coordinates?	How are these recorded?
Reflection – a structured debriefing and planning after a crisis event or behaviour of concern with an individual student (reflection)	Next day at either lunch or recess break	Assistant Principal	Documented in Sentral
Alternate play plan – withdrawal from free choice play and re-allocation to office or classroom for supervised play following breach in behaviour. The purpose is to assist the student to achieve the desired behaviour, to reflect on their behaviour and make positive choices – individual or group	Next break	Assistant Principal	Documented in Sentral
Restorative practice – peer mediation or circles in groups	Scheduled for either lunch or recess break	Assistant Principal	Documented in Sentral

Bullying Response Flowchart

The following flowchart explains the actions Leura Public School staff will take when they receive a report about student bullying, including bullying which may have occurred online or outside of the school setting. The timeframes will vary depending on the professional judgment of staff who receive the bullying complaint and their assessment of immediate risk to student/s.
